INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Intellectual Property Security Agreement, dated as of September 22, 2003, is made by GYRATION, INC., a California corporation (the "**Company**"), and the parties to that certain Security Agreement, dated of even date herewith, by and among the Company and the parties listed as Secured Parties therein (or who hereafter become parties thereto, the "**Secured Parties**") (the "**Security Agreement**"), to secure certain Indebtedness of the Company as defined in the Security Agreement, subject to the prior receipt by the Company of the written consent of Silicon Valley Bank. Capitalized terms not defined herein shall have the meaning ascribed to them in the Security Agreement.

RECITALS:

WHEREAS, Company owns the Patent Collateral (as defined below) and the Trademark Collateral (as defined below); and

WHEREAS, pursuant to (i) the Security Agreement and (ii) certain other collateral documents (including this Agreement), the Company has granted or will be granting to the Secured Parties a continuing security interest in certain personal and intellectual property of Company, including all right, title and interest of Company in, to and under the Patent Collateral (as defined below), and the Trademark Collateral (as defined below) to secure Company's Indebtedness.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Company grants to the Secured Parties, to secure Company's Indebtedness (as defined in the Security Agreement), a continuing security interest in all of Company's right, title and interest in, to and under the following:

(1) the "**Patent Collateral**", which is to include all of the following items or types of property whether now owned or existing or hereafter acquired or arising:

(a) each patent and patent application identified on Schedule 1 hereto (including any applications, divisions, reissues, re-examinations, continuations, continuations-in-part, renewals or extensions);

(b) all claims for, and rights to sue for, past, present or future infringements of any of the Patents, and all income, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing, including damages and payments for past, present or future infringements thereof; and

(c) all proceeds of any of the foregoing.

(2) the "**Trademark Collateral**", which is to include all of the following items

or types of property whether now owned or existing or hereafter acquired or arising:

- (a) each trademark and trademark application identified on Schedule 2 hereto;
- (b) the goodwill relating to any of the foregoing and any rights or items necessary to such goodwill to prevent any assignment from being an assignment in gross;
- (c) all claims for, and rights to sue for, past, present or future infringements of any of the Trademarks, and all income, royalties, damages and payments now or hereafter due or payable with respect to any of the foregoing, including damages and payments for past, present or future infringements thereof; and
- (d) all proceeds of any of the foregoing.

Company irrevocably constitutes and appoints the Majority Holders (as defined in the Security Agreement, for itself and the Secured Parties under the Security Agreement), with full power of substitution, as its true and lawful attorney-in-fact with full power and authority in the name of Company or in the name(s) of the Majority Holders, from time to time, in the discretion of the Majority Holders, to file and record any and all instruments, agreements and documents which the Majority Holders may deem necessary or advisable to accomplish the purposes of this Agreement and the Security Agreement, including to execute any assignment of the Patent Collateral and the Trademark Collateral after disposition thereof to other transferees, and to receive, endorse and collect all instruments made or payable to Company representing any proceeds of the Patent Collateral or the Trademark Collateral or any part thereof and to give full discharge for the same.

Except to the extent expressly permitted in the Security Agreement, Company agrees not to sell, lease, assign, transfer, encumber or otherwise dispose of the Patent Collateral or the Trademark Collateral, or any part thereof or any interest therein.

The foregoing security interest is granted in conjunction with the security interests granted by Company to the Secured Parties pursuant to the Security Agreement. Company acknowledges and affirms that the rights and remedies with respect to the security interest in the Patent Collateral and Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
