Grantor hereby consents to the Secured Party filing the UCC-1 in the appropriate states and counties (as applicable). Except as set forth on Schedule 1 attached hereto, the security interest granted herein constitutes a valid, first priority security interest in the presently existing Collateral and will constitute a valid, first priority security interest in Collateral acquired or created after the date hereof. Grantor shall from time to time execute and deliver to the Secured Party, at the request of the Secured Party, all financing statements and other documents that the Secured Party may reasonably request, in form satisfactory to the Secured Party and Grantor, to perfect and continue perfected the Secured Party's security interests in the Collateral.

(b) Grantor is the sole owner and has good and marketable title to the Collateral, free and clear of any Liens, other than the Permitted Liens. No part of the Collateral has been judged invalid or

unenforceable, in whole or in part, and, to the knowledge of Grantor, no claim has been made that any part of the Collateral violates the rights of any third party. Grantor is not a party to, or bound by, any agreement that restricts the grant by Grantor of a security interest in Grantor's rights under this Agreement. No part of the Collateral is subject to any Exclusion.

(c) There are no actions or proceedings instituted or pending or, to Grantor's knowledge, threatened against Grantor that challenge Grantor's ownership status or rights in any Collateral or Grantor's right to use or otherwise exploit the Intellectual Property Collateral. No holding, decision or judgment has been rendered by any federal, state, local or foreign governmental authority which would limit, cancel or question the validity of any of Grantor's ownership in any of the Intellectual Property Collateral. To Grantor's best knowledge, no third party is infringing or violating Grantor's rights in or to any of the Intellectual Property Collateral or exceeding the scope of authorization or license of any of the Intellectual Property Collateral.

(d) Until payment in full or conversion of the Note (in accordance with the terms of the Note and the other Loan Documents), Grantor covenants and agrees that:

(i) Grantor shall promptly notify the Secured Party in writing of any applications or registrations that Grantor has made or filed in respect of any Patents, Copyrights or Trademarks and the status of any outstanding applications or registrations, as well as any material change in Grantor's intellectual property, including but not limited to any subsequent ownership right of Grantor in or to any Trademark, Patent or Copyright not specified in Exhibits B, C and D attached hereto and Grantor shall promptly execute and deliver to the Secured Party an Assignment, substantially in the form of Exhibit E attached hereto, with respect to any such Patent or Patent applications disclosed in such written notice.

Grantor shall give the Secured Party written notice of all such applications or registrations and Grantor shall promptly execute and deliver to the Secured Party an Assignment, substantially in the form of Exhibit E attached hereto, with respect to any such Patent or Patent applications disclosed in such written notice.

(iii) Grantor shall not license, convey, sell, lease, transfer or otherwise dispose of (each a "Transfer") any of the Collateral, other than (A) Transfers in the ordinary course of business, or (B) Transfers of worn-out or obsolete equipment.

(iv) Grantor shall not create, incur, assume or suffer to exist any Lien with respect to any of the Collateral, other than the Permitted Liens.

(v) Grantor shall execute and deliver such additional instruments and documents from time to time as the Secured Party shall reasonably request to perfect Secured Party's security interest in the Collateral.

(vi) Grantor shall use its best efforts to (A) protect, defend and maintain the validity and enforceability of the Trademarks, Patents and Copyrights, (B) to detect infringements of the Trademarks, Patents and Copyrights and promptly advise the Secured Party in writing of material infringements detected and (C) except in the ordinary course, not allow any Trademarks, Patents or Copyrights to be abandoned, forfeited or dedicated to the public without the written consent of the Secured Party.

#### 4. Events of Default.

Any one or more of the following events shall constitute an "Event of Default" by Grantor under this Agreement:

(a) The occurrence and continuance of an Event of Default under the Note or the Bridge Loan Agreement (which such Event of Default shall not have been cured during any applicable cure period), or the occurrence and continuance of any event that results in any amounts payable under the Note becoming immediately due and payable; or

(b) Grantor's material breach of any representation or warranty under this Agreement or material violation or failure to perform under any of the covenants contained in this Agreement and Grantor shall fail to cure such material breach, violation or failure within five (5) business days of the earlier of (i) Grantor becoming aware of such breach, violation or failure, and (ii) receipt of written notice by the Secured Party of any such breach, violation or failure.

Notwithstanding anything herein or otherwise to the contrary, Grantor will have and be entitled to an additional cure period of ninety (90) days (the "**Additional IP Collateral Cure Period**") in connection with any Event of Default (from the earlier of (i) Grantor becoming aware of such Event of Default, and (ii) receipt of written notice from the Secured Party of any such Event of Default) before the Secured Party will be permitted or entitled to take any action or exercise any remedy that results in the attachment, seizure, taking of possession, or disposal of, or foreclosure on, any Intellectual Property Collateral.

#### 5. Secured Party's Rights and Remedies.

(a) Upon the occurrence and continuation of an Event of Default (after taking into account any applicable cure periods, including, without limitation, the Additional IP Collateral Cure Period), and at any time and from time to time thereafter, subject to the provisions of the Virginia Uniform Commercial Code and any limitations provided for in this Agreement or in the Bridge Loan Agreement, the Secured Party may, without notice of such election and without demand, take any one or more of the following, all of which are authorized by Grantor:

(i) Without notice, demand or hearing, any right to which is hereby waived by Grantor, the Secured Party may take possession of all or any part of the Collateral and enter and remain upon the premises where such Collateral is located for the purpose of such possession and the exercise of the remedies provided herein, without the same being a trespass; and/or

(ii) Take possession of any Collateral and any agreement, instrument, lease, license, permit, contract or other document evidencing any of the Collateral and may apply or seek on behalf of and as attorney-in-fact for Grantor, any necessary consent to the assignment, transfer, conveyance, sale, renewal, reissuance or other disposition of the same, and Grantor shall cooperate fully with the Secured Party in doing so and shall take all actions requested by the Secured Party in furtherance thereof; and/or

(iii) Dispose of the Collateral by way of one or more contracts or transactions, for cash or on terms, in such manner and at such places (including Grantor's premises) as the Secured Party determines is commercially reasonable, and apply any proceeds to the Note in whatever manner or order the Secured Party deems appropriate.

(b) During the occurrence and continuation of an Event of Default (after taking into account any applicable cure periods, including, without limitation, the Additional IP Collateral Cure Period), Grantor hereby irrevocably appoints the Secured Party (and any of the Secured Party's designees) as Grantor's true and lawful attorney to: (i) dispose of any Collateral, subject to the provisions of the Virginia Uniform Commercial Code; (ii) to modify or amend, in its sole discretion, without first obtaining Grantor's approval of or signature to such modification, Exhibits B, C and D hereof, as appropriate, to include reference to any right, title or interest in any Copyrights, Patents or Trademarks acquired by Grantor after the execution hereof or to delete any reference to any

right, title or interest in any Copyrights, Patents or Trademarks in which Grantor no longer has or claims to have any right, title or interest; and (iii) to transfer the Collateral into the name of the Secured Party or a third party to the extent permitted under the Virginia Uniform Commercial Code; provided, however, that with respect to the Intellectual Property Collateral, no such appointment shall be effective, and no such actions shall be taken by the Secured Party, until the expiration of the Additional IP Collateral Cure Period. The appointment of the Secured Party as Grantor's attorney in fact and each and every one of the rights and powers of the Secured Party, being coupled with an interest, is irrevocable until the Note is fully paid and satisfied.

(c) The Secured Party's rights and remedies under this Agreement, the Note and all other agreements shall be cumulative. The Secured Party shall have all other rights and remedies not inconsistent herewith as provided under the Virginia Uniform Commercial Code, by law or in equity, subject to any limitations provided for in this Agreement or in the Bridge Loan Agreement. No exercise by the Secured Party of one right or remedy hereunder shall be deemed an election of any other right or remedy, and no waiver by the Secured Party of any default on Grantor's part shall be deemed a continuing waiver. No delay by the Secured Party shall constitute a waiver, election or acquiescence by the Secured Party. No waiver of any rights of the Secured Party hereunder shall be effective unless made in a written document signed by the Secured Party and then shall be effective only in the specific instance and for the specific purpose for which it was given.
