## TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT dated as of August 6, 2001 between SMITHKLINE BEECHAM P.L.C., an English public limited company, SMITHKLINE BEECHAM CORPORATION, a Pennsylvania corporation (each, an "Assignor" and, collectively "Assignors"), and NOVARTIS INTERNATIONAL PHARMACEUTICAL LTD., a corporation organized under the laws of Bermuda ("Assignee").

- A. Assignors are the owners of the entire right, title and interest in and to the trademarks, including registrations and applications therefor, identified in Schedule A attached hereto (as defined below) (the "Product Trademarks");
- B. Assignee, an affiliate of Purchaser (as defined below) desires to acquire Assignors', and its direct or indirect subsidiaries' and affiliates', entire right, title and interest in and to the Product Trademarks; and
- C. Assignors make this assignment pursuant to that certain Asset Sale Agreement, dated August 30, 2000, by and among Assignors, Novartis Pharmaceuticals Corporation, a Delaware corporation, and Novartis Pharma AG, a stock corporation organized under the law of Switzerland (collectively the "Purchaser") and certain other parties ("the Asset Sale Agreement"), under which Purchaser purchased certain Purchased Assets (as defined therein) from Assignors.

NOW, THEREFORE, for good and valuable consideration stated in the Asset Sale Agreement, the receipt and adequacy of which is hereby acknowledged, the parties agree as follows:

1. Each Assignor does hereby sell, transfer, convey and assign unto Assignee such Assignor's entire right, title and interest in and to the Product Trademarks which are owned by such Assignor in the United States together with the goodwill of the business appurtenant thereto and which is symbolized thereby, including the right to apply for trademark registration and the right to renew the trademark registrations and any trademark registrations which shall issue from the applications included in the Product Trademarks, and all convention and treaty rights based on the Product Trademarks, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used fully and entirely as said rights would have been held and enjoyed by such Assignor had this assignment and sale not been made, together with all claims for damages by reason of past infringement of said Product Trademarks with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

2. Except as set forth in the Asset Sale Agreement, each Assignor makes no warranty, express or implied, with respect to the Product Trademarks involved in this assignment, and Assignee shall have no recourse against Assignor therefor. Each Assignor hereby authorizes the Director of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office to transfer all registrations and applications for said Product Trademarks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee all registrations which may issue with respect to any applications for said Product Trademarks.

IN WITNESS WHEREOF, each party has caused its proper officer to execute this TRADEMARK ASSIGNMENT effective as of December 20, 2000.
