A. All patents and patent applications and all rights corresponding thereto throughout the world, and all unpatented or unpatentable developments and inventions.

B. All trademarks, service marks, logos, and all United States, state and/or foreign applications for registration and registrations thereof, all trade names, trade styles, designs, and the like, all elements of package or trade dress of goods, the goodwill of the Borrower's business connected with the use of, and symbolized by any of the above, and all property of Borrower necessary to produce any products sold under any of the above.

C. All copyrights and copyrighted works, all derivative works thereof, all mask works of semiconductor chip products, and United States and/or foreign applications for registration and registrations thereof.

D. All computer software programs developed or to be developed by Borrower or in which Borrower asserts or could assert a proprietary interest; all personal property, including but not limited to source codes, object codes or similar information, which is necessary to the practical utilization of such programs; all tangible property of Borrower embodying or incorporating any such programs.

E. All trade secrets, proprietary information, customer lists, instructional materials, working drawings, manufacturing techniques, process technology documentation, and product formulations.

F. All rights to damages or profits due or accrued arising out of past, present or future infringement of the Collateral or injury to Borrower's good will connected with the use of the Collateral and the right to sue therefor.

G. All renewals, modifications, amendments, re-issues, divisions, continuations in whole or part, and extensions of any Collateral.

H. All proceeds of any Collateral.

2. **THE INDEBTEDNESS.** The Collateral secures and will secure all indebtedness of Borrower to Bank pursuant to the Loan Documents (as defined in the Loan Agreement), including, but not limited to, indebtedness under that certain Business Loan Agreement dated concurrently with this Agreement, as it may be amended or continued from time to time (the "Loan Agreement"). For the purposes of this Agreement, "Indebtedness" shall mean all loans and advances made by Bank to Borrower and all obligations and liabilities of Borrower to Bank, whether now existing or hereafter incurred or created, whether voluntary or involuntary, whether due or not due, whether absolute or contingent (including but not limited to obligations of Borrower as a guarantor of the indebtedness of another), and whether incurred directly or acquired by Bank by assignment or otherwise, and including any obligation or liability arising pursuant to any derivative or hedge transaction of any kind entered into with Bank and/or any affiliate of Bank. Unless Borrower shall have otherwise agreed in writing or received written notice thereof, "Indebtedness" shall not include "consumer credit" subject to the disclosure requirements of the Federal Truth in Lending Act or any regulations promulgated thereunder.

3. **WARRANTIES AND REPRESENTATIONS.** Borrower represents and warrants to Bank as follows:

A. Exhibit A to this Agreement is a complete list of all patents, trademark and service mark registrations, copyright registrations, mask work registrations, and all applications therefor, in which Borrower has any right, title, or interest, throughout the world.

B. Borrower has full power and authority to execute this Agreement and perform its obligations hereunder, and to subject the Collateral to the security interest transferred hereby, and Borrower has entered or will enter into written agreements with each of its present and future employees, agents and consultants which will enable it to comply with the covenants herein contained.

C. Borrower is the lawful owner of the entire right, title and interest in and to all the Collateral, free and clear of all liens, charges, encumbrances, claims of infringement, setoffs, counterclaims, licenses, shop rights, and covenants not to sue third persons, except as Bank has consented to in writing.

4. **BORROWER'S COVENANTS.** Borrower covenants and agrees that, unless compliance is waived by Bank in writing:

A. Borrower will at its expense properly maintain the Collateral and shall not fail to renew and shall not otherwise abandon any Collateral. Borrower will, at its expense, diligently prosecute all patent, trademark or service mark or copyright applications pending on or after the date hereof, will maintain in effect all issued patents and will renew all trademark and service mark registrations, including payment of any and all maintenance and renewal fees relating thereto; Borrower also will promptly make application on any patentable but unpatented inventions, registerable but unregistered trademarks and service marks, and copyrightable but uncopyrighted works.

B. Borrower will at its expense protect and defend all rights in the

Collateral against any claims and demands of all persons other than the Bank and will, at its expense, enforce all rights in the Collateral against any and all infringers of the Collateral. Borrower will not license or transfer any of the Collateral except with Bank's prior written consent.

C. Borrower will notify Bank in writing prior to any change in (i) Borrower's place of business or, if Borrower has or acquires more than one place of business, prior to any change in Borrower's chief executive office or headquarters, and (ii) Borrower's state of organization, if it is a registered organization (e.g. corporation or limited partnership).

D. Borrower will promptly notify Bank of any acquisition (by adoption and use, purchase, license or otherwise) of any patent, trademark or service mark registration, copyright registration, mask work registration, and applications therefor, and unregistered trademarks and service marks and copyrights, throughout the world, which are granted or filed or acquired after the date hereof or which are not listed on Exhibit A hereto. Borrower authorizes Bank, without notice to Borrower, to modify this Agreement by amending Exhibit A to include any such Collateral. Borrower will promptly notify Bank of the abandonment of any application for patent registration, trademark or service mark registration, copyright registration, or mask work registration. Borrower will promptly notify Bank of the termination, expiration, or extension of the term of any patent, trademark or service mark registration, copyright registration, or mask work; *provided, however,* that Borrower's failure to notify Bank of any such expiration or extension shall not be deemed to be an event of default unless Borrower fails to respond to any request by Bank for confirmation of such expiration or extension within thirty (30) days.

E. Borrower will promptly notify Bank of any legal process which is levied against the Collateral and any other event which may have a material adverse effect on the value of the Collateral (including, but not limited to, conduct which might infringe on any Collateral) or the rights and remedies of Bank in relation thereto, and Borrower will enforce all rights in the Collateral against any and all infringers thereof.

F. Borrower will, at the request of Bank, execute such other agreements, documents or instruments in connection with this Agreement as Bank may reasonably deem necessary, including, but not limited to, those documents prepared by Bank which, at Bank's option, Bank chooses to record with any governmental entity, in any State or at the Federal level or in any foreign country, relating to the security interest Bank holds in the Collateral. Upon Bank's request, Borrower will at its expense promptly prepare and record with any foreign governmental entity, such documents or instruments necessary to protect Bank's security interest in any patent, trademark or service mark, copyright, or mask work to be registered with such foreign governmental entity after the date of this Agreement.

G. Borrower will pay to Bank, on demand, the amounts of any fees required to be paid in connection with recordation of this Agreement or any other agreement, document, or instrument evidencing Bank's security interest and any other rights in or to the Collateral.

5. DEFAULTS. Any one or more of the following shall be a default

hereunder:

A. Borrower shall fail to pay any Indebtedness to Bank when due.

B. Borrower breaches any term, provision, warranty or representation under this Agreement, or under any other security agreement, contract between Borrower and Bank, or any other obligation of Borrower to Bank pursuant to the Loan Documents (as defined in the Loan Agreement, including, but not limited to, the Loan Agreement or the other Loan Documents (as defined in the Loan Agreement).

C. Any receiver or trustee shall be appointed with regard to all or a substantial portion of the assets of Borrower:

D. Borrower shall become insolvent or unable to pay debts as they mature, shall make a general assignment for the benefit of creditors or shall voluntarily file under any bankruptcy or similar law.

E. Any involuntary petition in bankruptcy shall be filed against Borrower, and shall not be dismissed within 60 days.

F. Any levies of attachment, executions, tax assessments or similar processes shall be issued against the Collateral and shall not be released within ten days thereof.

G. Any financial statements, profit and loss statements, borrowing certificates or schedules, or other statements furnished by Borrower to Bank prove false or incorrect in any material respect.

6. BANK'S REMEDIES AFTER DEFAULT. In the event of any default Bank may do any one or more of the following:

A. Declare any Indebtedness secured hereby immediately due and payable.

B. Enforce the security interest given hereunder pursuant to the UCC (as defined below) and any other law.

C. Use or transfer any of Borrower's rights and interests in any Intellectual Property now owned or hereafter acquired by Borrower, if Bank deems such use or transfer necessary or advisable in order to take possession of, hold, preserve, process, assemble, prepare for sale or lease, market for sale or lease, sell or lease, or otherwise dispose of, any Collateral. Borrower agrees that any such use or transfer shall be without any additional consideration to Borrower. As used in this paragraph, "Intellectual Property" includes, but is not limited to, all trade secrets, computer software, service marks, trademarks, trade names, trade styles, copyrights, patents, applications for any of the foregoing, customer lists, working drawings, instructional manuals, and rights in processes for technical manufacturing, packaging and labeling, in which Borrower has any right or interest, whether by ownership, license, contract or otherwise.

7. MISCELLANEOUS.

A. In the event of a sale of Collateral (whether under power of sale herein granted, pursuant to judicial process or otherwise), Borrower will duly execute and acknowledge all documents necessary or advisable to record title to such Collateral in the name of the purchaser, including, without limitation, valid and recordable assignments of such Collateral.

B. Borrower hereby appoints Bank, effective upon the occurrence of a default hereunder, Borrower's attorney-in-fact, with full authority to take any action and to execute any instrument which the Bank may deem necessary or advisable to accomplish the purposes of this Agreement. Such appointment of Bank as Borrower's attorney-in-fact is coupled with an interest and is irrevocable.

C. Any waiver, expressed or implied, of any provision hereunder and any delay or failure by Bank to enforce any provision shall not preclude Bank from enforcing any such provision thereafter.

D. This Agreement shall be governed by and construed according to the laws of the State of California, to the jurisdiction of which the parties hereto submit.

E. All rights and remedies herein provided are cumulative and not exclusive of any rights or remedies otherwise provided by law. Any single or partial exercise of any right or remedy shall not preclude the further exercise thereof or the exercise of any other right or remedy.

F. The security interest granted herein shall survive any dissolution or merger of any Borrower.

G. All terms not defined herein are used as set forth in the Uniform Commercial Code, as in effect from time to time in the State of California (the "UCC").

H. In the event of any action by Bank to enforce this Agreement or to protect the security interest of Bank in the Collateral, Borrower agrees to pay the costs thereof, reasonable attorney's fees and other expenses.

I. This Agreement and any agreement or document attached hereto, referred to herein or executed concurrently herewith, integrate all the terms and conditions mentioned herein or incidental hereto, and supersede all oral negotiations and prior writings in respect to the subject matter hereof.

J. This Agreement may be executed in as many counterparts as necessary or convenient, and by the different parties on separate counterparts each of which, when so executed, shall be deemed an original but all such counterparts shall constitute but one and the same agreement.
