TRADEMARK SECURITY AGREEMENT

This **TRADEMARK SECURITY AGREEMENT** (this "Agreement"), dated as of October 7, 2003, is executed and delivered by and between **HUDSON RESPIRATORY CARE INC.**, a California corporation ("Debtor"), and **MW POST ADVISORY GROUP, LLC**, a Delaware limited liability company, as administrative agent for the Lenders (in such capacity, together with its successors and assigns, if any, in such capacity, "Agent"), with reference to the following:

WHEREAS, Debtor, the Lenders (such Lenders, together with Agent, individually and collectively, the "Lender Group"), and Agent have entered into that certain Loan and Security Agreement, dated as of even date herewith (as amended, restated, modified, supplemented, refinanced, renewed, or extended from time to time, the "Loan Agreement"), pursuant to which the Lender Group has agreed to make certain financial accommodations to Debtor, and pursuant to which Debtor has granted to Agent for the benefit of the Lender Group security interests in (among other things) all general intangibles of Debtor; and

WHEREAS, to induce the Lender Group to make the financial accommodations provided to Debtor pursuant to the Loan Agreement, Debtor has agreed to execute and deliver this Agreement to Agent for filing with the PTO and with any other relevant recording systems in any domestic or foreign jurisdiction, and as further evidence of and to effectuate Agent's existing security interests in the trademarks and other general intangibles described herein.

In the event of any actual, irreconcilable conflict that cannot be resolved as aforesaid, the terms and provisions of the Loan Agreement shall control and govern; provided, however, that the inclusion herein of additional obligations on the part of Debtor and supplemental rights and remedies in favor of Agent (whether under federal law or applicable state law), in each case in respect of the Trademark Collateral, shall not be deemed a conflict with the Loan Agreement.

2. Security Interest.

(a) Assignment and Grant of Security in respect of the Secured Obligations. To secure the prompt payment and performance of the Secured Obligations, Debtor hereby grants, assigns, transfers and conveys to Agent, for the benefit of the Lender Group, a continuing security interest in all of Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(i) all state (including common law) and federal trademarks, service marks and trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, together with and including all licenses therefor held by Debtor, and all registrations and recordings thereof, and all applications filed or to be filed in connection therewith, including registrations and applications in the PTO, any State of the United States (but excluding each application to register any trademark, service mark, or other mark prior to the filing under applicable law of a verified statement of use (or the equivalent) for such trademark or service mark) and all extensions or renewals thereof, including without limitation any of the foregoing identified on Schedule A hereto (as the same may be amended, modified or supplemented from time to time), and the right (but not the obligation) to register claims under any state or federal trademark law or regulation and to apply for, renew and extend any of the same, to sue or bring opposition or cancellation proceedings in Debtor's name or in the name of Agent for past, present or future infringement or unconsented use thereof, and all rights arising therefrom throughout the world (collectively, the "Trademarks");

(ii) all claims, causes of action and rights to sue for past, present or future infringement or unconsented use of any Trademarks and all rights arising therefrom and pertaining thereto;

(iii) all general intangibles related to or arising out of any of the Trademarks and all the goodwill of Debtor's business symbolized by the Trademarks or associated therewith; and

(iv) all Proceeds of any and all of the foregoing;

provided, however, that Trademark Collateral shall not include any Excluded Collateral.

(b) Continuing Security Interest. Debtor hereby agrees that this Agreement shall create a continuing security interest in the Trademark Collateral which shall remain in effect until terminated in accordance with Section 18.

(c) Incorporation into Loan Agreement. This Agreement shall be fully incorporated into the Loan Agreement and all understandings, agreements and provisions contained in the Loan Agreement shall be fully incorporated into this Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(d) Licenses. Debtor may grant licenses of the Trademark Collateral in the ordinary course of business in accordance with the terms of the Loan Agreement.

3. Further Assurances; Appointment of Agent as Attorney-in-Fact. Debtor at its expense shall execute and deliver, or cause to be executed and delivered, to Agent any and all documents and instruments, in form and substance reasonably satisfactory to Agent, and take any and all action, which Agent, in the exercise of its discretion, may request from time to time, to perfect and continue the perfection or to maintain the priority of, or provide notice of the security interest in the Trademark Collateral held by Agent for the benefit of the Lender Group and to accomplish the purposes of this Agreement. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Agent in accordance with the foregoing, Agent shall have the right, in the name of Debtor, or in the name of Agent or otherwise, without notice to or assent by Debtor, and Debtor hereby irrevocably constitutes and appoints Agent (and any of Agent's officers or employees or agents designated by Agent) as Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of Debtor on all or any of such documents or instruments and perform all other acts that Agent in the exercise of its discretion deems necessary in order to perfect or continue the perfection of, maintain the priority or enforceability of or provide notice of the security interest in the Trademark Collateral held by Agent for the benefit of the Lender Group, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of Debtor, that Agent, in the exercise of its discretion, may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) after the occurrence and during the continuation of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) after the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Agent to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 18; provided that the foregoing power of attorney shall terminate when all of the Secured Obligations have been fully and finally repaid and performed and the Lender Group's obligation to extend credit under the Loan Agreement is terminated. The Agent acknowledges that the exercise of the powers granted in this Section 3 may at some times be subject to the provisions of the Intercreditor Agreement.

4. Representations and Warranties. Debtor represents and warrants to each member of the Lender Group, in each case to the best of its knowledge, information, and belief, as follows:

(a) No Other Trademarks. Schedule A sets forth a true and correct list of all of Debtor's existing Trademarks that are registered, or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held and used by Debtor (collectively, the

“Debtor’s Trademarks”). Schedule A also sets forth a true and correct list of all of the Trademarks Debtor holds by reason of license from a third party.

(b) Trademarks Subsisting. Each of Debtor’s Trademarks is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of Debtor’s knowledge, each of the Trademarks set forth on Schedule A is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) Debtor has rights in and good and defensible title to the Trademark Collateral in respect of the Trademarks that it owns, (ii) Debtor is the sole and exclusive owner of such Trademark Collateral, free and clear of any Liens and rights of others (other than Permitted Liens), including licenses (other than licenses entered into as permitted herein), registered user agreements and covenants by Debtor not to sue third persons, and (iii) with respect to any Trademarks for which Debtor is either a licensor or a licensee pursuant to a license or licensing agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, Debtor is not in material default of any of its obligations thereunder and, to the best of Debtor’s knowledge other than (A) the parties to such licenses or licensing agreements, or (B) in the case of any non-exclusive license or license agreement entered into by Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by Debtor or any such licensor with any other Person, no other Person has any rights in or to any of such Trademark Collateral, other than licenses entered into as permitted herein. To the best of Debtor’s knowledge, neither the past nor the present use of the Trademark Collateral by Debtor has or does infringe upon or violate any right, privilege or license agreement of or with any other Person or give any such Person the right to terminate any such right, privilege or license agreement.

(d) No Infringement. To the best of Debtor’s knowledge, (i) no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) neither the past nor the present use of the Trademark Collateral by Debtor has or does infringe upon or violate any right, privilege, or license arrangement of or with any other Person or give such Person the right to terminate any such license arrangement.

(e) Powers. Debtor has the unqualified right, power and authority to pledge and to grant to Agent, for the benefit of the Lender Group, security interests in the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. So long as any of the Secured Obligations remain unsatisfied, Debtor agrees: (i) that it will comply in all material respects with all of the covenants, terms and provisions of this Agreement, and (ii) that it will promptly give Agent written notice of the occurrence of any event that could have a material adverse effect on any of the Trademarks and the Trademark Collateral (except as to such Trademark or Trademarks, which alone or in the aggregate, the absence of which would not reasonably be expected to materially impair the conduct of the business), including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which Debtor is a licensee, provided, however, that Debtor shall not be required to preserve, protect and maintain, and may abandon, in whole or in

part, any Trademark as Debtor deems appropriate in the exercise of Debtor's reasonable business judgment, so long as the absence of such Trademark or Trademarks, alone or in the aggregate, would not reasonably be expected to materially impair the conduct of Debtor's business or the Trademark Collateral.

6. Future Rights. For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until Agent shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and Debtor shall give to Agent prompt notice thereof, within 20 days after obtaining such rights, reissuance, renewal, or extension. Debtor shall do all things reasonably deemed necessary by Agent in the exercise of its discretion to ensure the validity, perfection, priority and enforceability of the security interests of Agent in such future acquired Trademark Collateral. If Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Agent in connection herewith, Debtor hereby authorizes Agent to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on Debtor's behalf and as its attorney-in-fact to include any future Trademarks which are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Duties of Agent and the Lender Group. Notwithstanding any provision contained in this Agreement, none of Agent or any other member of the Lender Group shall have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to Debtor for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Agent, any other member of the Lender Group hereunder or in connection herewith, none of Agent or any other member of the Lender Group shall have any duty to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of any "Event of Default" under the Loan Agreement shall constitute an Event of Default hereunder.

9. Remedies. From and after the occurrence and during the continuation of an Event of Default, and subject to the Intercreditor Agreement, Agent shall have all rights and remedies available to it under the Loan Agreement, the other Loan Documents, and applicable law (which rights and remedies are cumulative) with respect to the security interests in any of the Trademark Collateral. Debtor hereby agrees that such rights and remedies include the right of Agent as a secured party to sell or otherwise dispose of the Trademark Collateral after default, pursuant to the UCC. Debtor hereby agrees that Agent shall at all times have such royalty-free licenses, to the extent permitted by law and the other Loan Documents, for any Trademark Collateral that is reasonably necessary to permit the exercise of any of Agent's rights or remedies upon or after the occurrence of (and during the continuance of) an Event of Default with respect to (among other things) any tangible asset of Debtor in which Agent has a security interest, including Agent's rights to sell inventory, tooling or packaging which is acquired by Debtor (or their successor, assignee or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Agent shall

have the right but shall in no way be obligated to bring suit, or to take such other action as Agent, in the exercise of its discretion, deems necessary, in the name of Debtor or Agent, to enforce or protect any of the Trademark Collateral, in which event Debtor shall, at the request of Agent, do any and all lawful acts and execute any and all documents required by Agent in aid of such enforcement. To the extent that Agent shall elect not to bring suit to enforce such Trademark Collateral, Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation thereof by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by Debtor and Agent for the benefit of the Lender Group and their respective successors and assigns.

11. Notices. All notices and other communications hereunder shall be in writing and shall be mailed, sent or delivered in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of California, except to the extent that the validity or perfection of the security interests hereunder in respect of the Trademark Collateral are governed by federal law, in which case such choice of California law shall not be deemed to deprive Agent of such rights and remedies as may be available under federal law.

13. Entire Agreement; Amendment. This Agreement and the other Loan Documents, together with the Schedules hereto and thereto, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be modified, amended or waived except by the written agreement of the parties to this Agreement. Notwithstanding the foregoing, Agent may reexecute this Agreement or modify, amend or supplement the Schedules hereto as provided in Section 6 hereof.

14. Severability. If one or more provisions contained in this Agreement shall be invalid, illegal or unenforceable in any respect in any jurisdiction or with respect to any party, such invalidity, illegality or unenforceability in such jurisdiction or with respect to such party shall, to the fullest extent permitted by applicable law, not invalidate or render illegal or unenforceable any such provision in any other jurisdiction or with respect to any other party, or any other provisions of this Agreement.

15. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement but the failure to deliver an original

executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

16. Loan Documents. Debtor acknowledges that the rights and remedies of Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and the other Loan Documents and all such rights and remedies are cumulative.

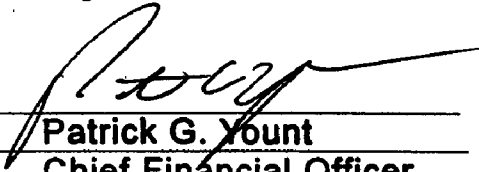

17. No Inconsistent Requirements. Debtor acknowledges that this Agreement, the Loan Agreement, and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

18. Termination. Upon the indefeasible payment and performance in full of the Secured Obligations, including the cash collateralization, expiration, or cancellation of all Secured Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Agent shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtor, at Debtor's expense, as shall be necessary to evidence termination of the security interest granted by Debtor to Agent for the benefit of the Lender Group hereunder, including cancellation of this Agreement by written notice from Agent to the PTO.
