4. Representations and Warranties. Each Grantor hereby jointly and severally warrants and represents to the Agent that:

(i) no Trademark or License has been adjudged invalid or unenforceable by a court of competent jurisdiction, in whole or in part and each such Trademark and/or License is presently subsisting;

(ii) each Grantor is the sole and exclusive owners of the entire and unencumbered right, title and interest in and to each Trademark and License, free and clear of any liens, charges and encumbrances, including without limitation, covenants by any of the Grantors not to sue third persons;

(iii) no Grantor has any notice of any suits or actions commenced or threatened with reference to any Trademark or License; and

(iv) each Grantor has the unqualified right to execute and deliver this Agreement and perform its terms.

5. Restrictions on Future Agreements. Each Grantor agrees that until the Liabilities shall have been satisfied in full in cash and the Loan Agreement and the Other Agreements shall have been terminated, no Grantor shall, without the Agent's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement in any material respect, and the Grantors each further agrees that they will not take any action, and will use their best efforts not to permit any action to be taken by others subject to their control, including, without limitation, licensees, or fail to take any action, which would in any material respect affect the validity or enforcement of the rights transferred to the Agent under this Agreement or the rights associated with those Trademarks or

Licenses.

6. New Trademarks and Licenses. Each Grantor hereby jointly and severally represents and warrants that the Trademarks and Licenses listed on Schedule A and Schedule B, respectively, include all of the trademarks, trademark registrations, trademark applications, trade names, service marks, registered service marks, service mark applications and license agreements in connection with trademarks, registered trademarks, trademark applications, trade names, service marks, registered service marks and service mark applications now owned or held by each such Grantor and that no other liens, claims or security interest have been granted by each such Grantor to any other Person in such Trademarks and Licenses, other than Permitted Liens and the Prior Agreements. If, prior to the termination of this Agreement, any Grantor shall (i) obtain rights to any new trademarks, trademark registrations, trademark applications, trade names, service marks, registered service marks or service mark applications or license agreements in connection with any trademarks, registered trademarks, trademark applications, trade names, service marks, registered service marks or service mark applications, or (ii) become entitled to the benefit of any trademarks, trademark registrations, trademark applications, trade names, service mark, registered service mark or service mark application renewals, the provisions of Section 3 above shall automatically apply thereto and the Grantors shall give to the Agent prompt written notice thereof. Each Grantor hereby authorizes the Agent to modify this Agreement by (i) amending Schedule A or Schedule B, as the case may be, to include any future trademarks, trademark registrations, trademark applications, trade names, service marks, registered service marks, service mark applications and license agreements in connection with any trademarks, registered trademarks, trademark applications, service marks, registered service marks, service mark applications and trade names that are Trademarks or Licenses under Section 3 above or under this Section 6, and (ii) filing, in addition to and not in substitution for, this Agreement, a duplicate original of this Agreement containing or Schedule A or Schedule B thereto, as the case may be, such future trademarks, trademark registrations, trademark applications, trade names, service marks, registered service marks, service mark applications and license agreements in connection with trademarks, registered trademarks, trademark applications, service marks, registered service marks, service mark applications and trade names which are Trademarks or Licenses under Section 3 above or this Section 6.

7. Royalties. Each Grantor hereby agrees that the use by the Agent of Trademarks and Licenses are authorized hereunder shall be coextensive with such Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from the Agent to any Grantor.

8. Nature and Continuation of Agent's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall reaffirm the continuing security interest in the Trademarks and Licenses and shall remain in full force and effect until the Liabilities have been paid in full in cash and the Loan Agreement has been terminated, at which time this Agreement shall also terminate.

9. Right to Inspect; Further Assignments and Security Interests. The Agent shall have the right, from time to time upon reasonable notice, to inspect any Grantor's premises and to examine any Grantor's books, records and operations relating to the Trademarks and the Licenses, including, without limitation, its quality control processes, provided, that in conducting

such inspections and examinations, the Agent shall use reasonable efforts not to disturb unnecessarily the conduct of such Grantor's ordinary business operations. Upon the occurrence and during the continuance of an Event of Default, the Grantors each agrees that the Agent or a conservator appointed by the Agent, shall have the right to establish such reasonable additional produce quality controls as the Agent or such conservator, in its sole and absolute judgment, may deem necessary to assure maintenance of the quality of products sold by any of the Grantors under the Trademarks and the Licenses or in connection with which such Trademarks and Licenses are used. The Grantors each agrees (i) not to sell or assign its interest in, or grant any license under, the Trademarks or the Licenses without the prior and express written consent of the Agent, (ii) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with the quality of said products as of the date hereof, and (iii) not to change the quality of such products in any material respect without the prior and express written consent of lender, which consent shall not be unreasonably withheld.

10. Duties of the Grantors. The Grantors each shall have the duty, to the extent desirable in the normal conduct of their respective businesses, (i) to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or thereafter until the termination of this Agreement, (ii) to make application for trademarks and service marks, and (iii) to take reasonable steps to preserve and maintain all of the Grantors' rights in the trademark applications and trademark and service mark registrations that are part of the Trademarks and which are necessary or economically desirable in the operation of any such Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by the Grantors. No Grantor shall abandon any material trademark or service mark which is the subject of a registered trademark, service mark or application therefore and which is or shall be necessary or economically desirable in the operation of any Grantor's business. The Grantors jointly and severally agree to retain an experienced trademark attorney reasonably acceptable to the Agent for the filing and prosecution of all such applications and other proceedings. The Agent shall not have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, the Agent shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks and Licenses against any other parties, but may do so at its option upon the occurrence and during the continuance of an Event of Default, and all expenses incurred in connection therewith shall be for the sole account of the Grantors and shall be added to the Liabilities secured hereby and by the Other Agreements.

11. Agent's Right to Sue. Upon the occurrence and during the continuance of an Event of Default, the Agent shall have the right, but shall not be obligated, to bring suit to enforce the Trademarks and the Licenses and, if the Agent shall commence any such suit, each Grantor shall, at the reasonable request of the Agent, do any and all lawful acts and execute any and all proper documents required by lender in aid of such enforcement. The Grantors jointly and severally shall, upon demand, promptly reimburse and indemnify the Agent for all costs and expenses incurred by the Agent in the exercise of its rights under this Section 11 (including, without limitation, all reasonable attorneys' and paralegals' fees). If, for any reason whatsoever, the Agent is not reimbursed with respect to the costs and expenses referred to in the preceding sentence, such costs and expenses shall be added to the Liabilities secured hereby and by the Other Agreements.

12. Waivers. No course of dealing between any Grantor and the Agent, nor the Agent's failure, at any time or times hereafter, to require strict performance by any Grantor of any provision of this Agreement shall waive, affect or diminish any right of the Agent thereafter to demand strict compliance and performance therewith. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of any Grantors contained in this Agreement shall be deemed to have been suspended or waived by the Agent unless such suspension or waiver is in writing signed by an officer of the Agent and directed to the Grantors (or any of them) specifying such suspension or waiver.

13. Agent's Exercise of Rights and Remedies upon Default. Anything set forth herein to the contrary notwithstanding, it is hereby expressly agreed that upon the occurrence and during the continuance of an Event of Default, the Agent may exercise any of the rights and remedies provided in this Agreement, the Loan Agreement, or any Other Agreement executed in connection therewith. Without limiting the generality of the foregoing, each Grantor acknowledges and agrees that (i) the Trademarks and Licenses comprise a portion of the Collateral and the Agent shall have the right, except as otherwise set forth herein, to exercise its rights under the Loan Agreement and the Other Agreements with respect to the Trademarks and Licenses to the same extent as with respect to all other items of Collateral described therein, and (ii) upon the occurrence and during the continuance of an Event of Default, the Agent or its nominee may use the Trademarks and Licenses to complete the manufacture of, assemble, package, distribute, prepare for sale and sell the Inventory, or otherwise in connection with the conduct of the Grantors' businesses.

14. Severability. The provisions of this Agreement are severable, and if any clause or provisions shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

15. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in Section 6 hereof or by a writing signed by the parties hereto.

16. Cumulative Remedies; Power of Attorney. All of the Agent's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently. Each Grantor hereby irrevocably appoints the Agent as such Grantor's attorney-in-fact, with full authority in the place and stead of such Grantor and in the name of such Grantor or otherwise to carry out the acts described below. Upon the occurrence and during the continuance of an Event of Default and the giving by the Agent or written notice to such Grantor of the Agent's intention to enforce its rights and claims against the Grantors, the Grantors each hereby authorizes the Agent to, in its commercially reasonable direction, (i) endorse any Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Agent in the use of the Trademarks and the Licenses, (ii) take any other actions with respect to the Trademarks and the Licenses as the Agent deems is in its best interest, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks to anyone on commercially reasonable terms, and (iv)

assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks and Licenses to anyone on commercially reasonable terms. The Agent shall take no action pursuant to subsection (i), (ii), (iii) or (iv) of this Section 16 without taking like action with respect to the entire goodwill of any such Grantor's business connections with the use of, and symbolized by, such Trademarks and Licenses. The Grantors each hereby ratifies all that such attorney-in-fact shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until this Agreement shall have been terminated pursuant to Section 8 above. The Grantors each hereby acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of the Agent under the Loan Agreement, but rather is intended to facilitate the exercise of such rights and remedies. The Agent shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks may be located or deemed located.

17. Binding Effect; Benefits. This Agreement shall be binding upon each Grantor and its successors and assigns, and shall inure to the benefit of the Agent and its nominees, successors, and assigns. Each Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for such Grantor; provided, however, that no Grantor shall voluntarily assign or transfer any of its rights or obligations hereunder without the prior written consent of the Agent.

18. Governing Law. This Agreement shall be governed by and construed in accordance with the internal laws (as distinguished from the conflicts of law provisions) and decisions of the State of Illinois.

19. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Loan Agreement.

20. Section Headings. The section headings herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

21. Execution in Counterparts. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

22. Further Assurances. Each Grantor hereby agree to execute and deliver such further agreements, instruments and documents, and to perform such further acts as the Agent shall reasonably request from time to time in order to carry out the purpose of this Agreement and agreements set forth herein.

23. Survival of Representations. All representations and warranties of each Grantor contained in this Agreement shall survive the execution and delivery of this Agreement and shall be remade on the date of each borrowing under the Loan Agreement and any Other Agreements.
