Assignment of Trademarks from Cambridge Industries Holdings, Inc., Cambridge Industries, Inc., and CE Automotive Trim Systems, Inc. to Meridian Automotive Systems-Composites Operations, Inc., formerly-known-as Cambridge Acquisition Corp. and successor-in-interest to Cambridge Industries, Inc.

Attached please find a Recordation Form to record the above referenced assignment for Trademarks. Please note, this Recordation Form was originally submitted on April 29, 2004. We received a Notice of Non-Recordation on May 6, 2004 with a reference number 700081385A.

We resubmitted the Recordation with corrections on May 11, 2004. On May 17, 2004 we received both a Notice of Recordation of Assignment AND a Notice of Non-Recordation. The Notice of Non-Recordation states that the document is not legible for recording purposes.

We are resubmitting the original Recordation Form and the accompanying document in hopes that this document will be legible for recording purposes. Please note, because we are submitting the original Recordation Form cover sheet, the reference number (700081385A) is not stamped on the top.

As we are resubmitting the Recordation Form within 30 days from the date of the Notice, we understand that the original date of filing will be maintained.
