(a) Assignment and Grant of Security in respect of the Secured Obligations. To secure the prompt payment and performance of the Secured Obligations, each Debtor hereby grants, assigns, transfers and conveys to Agent, for the benefit of the Lender Group, a continuing security interest in all of such Debtor's right, title and interest in and to the following property, whether now existing or hereafter acquired or arising and whether registered or unregistered (collectively, the "Trademark Collateral"):

(c) Incorporation into Loan Agreement. This Agreement shall be fully incorporated into the Loan Agreement and all understandings, agreements and provisions contained in the Loan Agreement shall be fully incorporated into this Agreement. Without limiting the foregoing, the Trademark Collateral described in this Agreement shall constitute part of the Collateral in the Loan Agreement.

(d) Licenses. Each Debtor may grant licenses of the Trademark Collateral in accordance with the terms of the Loan Agreement.

3. Further Assurances; Appointment of Agent as Attorney-in-Fact. Each Debtor at its expense shall execute and deliver, or cause to be executed and delivered, to Agent any and all documents and instruments, in form and substance reasonably satisfactory to Agent, and take any and all action, that Agent may reasonably request from time to time, to perfect and continue the perfection or to maintain the priority of, or provide notice of the security interest in the Trademark Collateral held by Agent for the benefit of the Lender Group and to accomplish the purposes of this Agreement. If any Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Agent in accordance with the foregoing, Agent shall have the right, in the name of such Debtor, or in the name of Agent or otherwise, without notice to or assent by such Debtor, and such Debtor hereby irrevocably constitutes and appoints Agent (and any of Agent's officers or employees or agents designated by Agent) as such Debtor's true and lawful attorney-in-fact with full power and authority, (i) to sign the name of such Debtor on all or any of such documents or instruments and perform all other acts that Agent deems necessary or advisable to perfect or continue the perfection of, maintain the priority or enforceability of or provide notice of the security interest in the Trademark Collateral held by Agent for the benefit of the Lender Group, and (ii) to execute any and all other documents and instruments, and to perform any and all acts and things for and on behalf of such Debtor, which Agent may deem necessary or advisable to maintain, preserve and protect the Trademark Collateral and to accomplish the purposes of this Agreement, including (A) after the occurrence and during the continuance of any Event of Default, to defend, settle, adjust or institute any action, suit or proceeding with respect to the Trademark Collateral, (B) upon the occurrence and during the continuation of any Event of Default, to assert or retain any rights under any license agreement for any of the Trademark Collateral, and (C) after the occurrence and during the continuance of any Event of Default, to execute any and all applications, documents, papers and instruments for Agent to use the Trademark Collateral, to grant or issue any exclusive or non-exclusive license with respect to any Trademark Collateral, and to assign, convey or otherwise transfer title in or dispose of the Trademark Collateral. The power of attorney set forth in this Section 3, being coupled with an interest, is irrevocable so long as this Agreement shall not have terminated in accordance with Section 18; provided that the foregoing power of attorney shall terminate when all of the Secured

Obligations have been fully and finally repaid and performed and the Lender Group's obligation to extend credit under the Loan Agreement is terminated.

4. Representations and Warranties. Each Debtor represents and warrants to each member of the Lender Group, in each case to the best of its knowledge, information, and belief, as follows:

(a) No Other Trademarks. Schedule A sets forth a true and correct list of all of such Debtor's existing Trademarks that are registered, or for which any application for registration has been filed with the PTO or any corresponding or similar trademark office of any other U.S. jurisdiction, and that are owned or held (whether pursuant to a license or otherwise) and used by such Debtor.

(b) Trademarks Subsisting. Each of such Debtor's Trademarks listed in Schedule A is subsisting and has not been adjudged invalid or unenforceable, in whole or in part, and, to the best of such Debtor's knowledge, each of the Trademarks set forth on Schedule A is valid and enforceable.

(c) Ownership of Trademark Collateral; No Violation. (i) Such Debtor has rights in and good and defensible title to the Trademark Collateral in respect of the Trademarks that it owns, (ii) such Debtor is the sole and exclusive owner of such Trademark Collateral, free and clear of any Liens and rights of others (other than Permitted Liens), including licenses, registered user agreements and covenants by such Debtor not to sue third persons, and (iii) with respect to any Trademarks for which such Debtor is either a licensor or a licensee pursuant to a license or licensing agreement regarding such Trademark, each such license or licensing agreement is in full force and effect, such Debtor is not in material default of any of its obligations thereunder and, (A) other than the parties to such licenses or licensing agreements, or (B) in the case of any non-exclusive license or license agreement entered into by such Debtor or any such licensor regarding such Trademark, the parties to any other such non-exclusive licenses or license agreements entered into by Debtor or any such licensor with any other Person, no other Person has any rights in or to any of such Trademark Collateral other than the trustee under the Secured Indenture. To the best of Debtors' knowledge, the past, present and contemplated future use of all material Trademark Collateral by Debtors has not, does not and will not infringe upon or violate any right, privilege or license agreement of or with any other Person or give any such Person the right to terminate any such right, privilege or license agreement.

(d) No Infringement. To the best of each Debtor's knowledge, (i) no material infringement or unauthorized use presently is being made of any of the Trademark Collateral by any Person, and (ii) the past, present, and contemplated future use of all material Trademark Collateral by such Debtor has not, does not and will not infringe upon or violate any right, privilege, or license arrangement of or with any other Person or give such Person the right to terminate any such license arrangement.

(e) Powers. Each Debtor has the unqualified right, power and authority to pledge and to grant to Agent, for the benefit of the Lender Group, security

interests in the Trademark Collateral pursuant to this Agreement, and to execute, deliver and perform its obligations in accordance with the terms of this Agreement, without the consent or approval of any other Person except as already obtained.

5. Covenants. So long as any of the Secured Obligations remain unsatisfied, each Debtor agrees: (i) that it will comply in all material respects with all of the covenants, terms and provisions of this Agreement, and (ii) that it will promptly give Agent written notice of the occurrence of any event that would have a material adverse effect on any of the Trademarks and the Trademark Collateral, including any petition under the Bankruptcy Code filed by or against any licensor of any of the Trademarks for which such Debtor is a licensee.

6. Future Rights. For so long as any of the Secured Obligations shall remain outstanding, or, if earlier, until Agent shall have released or terminated, in whole but not in part, its interest in the Trademark Collateral, if and when any Debtor shall obtain rights to any new Trademarks, or any reissue, renewal or extension of any Trademarks, the provisions of Section 2 shall automatically apply thereto and such Debtor shall give to Agent notice thereof once per calendar quarter. Each Debtor shall do all things reasonably deemed necessary by Agent in the exercise of its discretion to ensure the validity, perfection, priority and enforceability of the security interests of Agent in such future acquired Trademark Collateral. If any Debtor refuses to execute and deliver, or fails timely to execute and deliver, any of the documents it is requested to execute and deliver by Agent in connection herewith, such Debtor hereby authorizes Agent to modify, amend or supplement the Schedules hereto and to re-execute this Agreement from time to time on such Debtor's behalf and as its attorney-in-fact to include any future Trademarks that are or become Trademark Collateral and to cause such re-executed Agreement or such modified, amended or supplemented Schedules to be filed with the PTO.

7. Duties of Agent and the Lender Group. Notwithstanding any provision contained in this Agreement, none of Agent, any other member of the Lender Group shall have any duty to exercise any of the rights, privileges or powers afforded to it and shall not be responsible to any Debtor or any other Person for any failure to do so or delay in doing so. Except for the accounting for moneys actually received by Agent, any other member of the Lender Group hereunder or in connection herewith, none of Agent, any other member of the Lender Group shall have any duty or liability to exercise or preserve any rights, privileges or powers pertaining to the Trademark Collateral.

8. Events of Default. The occurrence of any "Event of Default" under the Loan Agreement shall constitute an Event of Default hereunder.

9. Remedies. Following the occurrence and during the continuation of an Event of Default, Agent shall have all rights and remedies available to it under the Loan Agreement and the other Loan Documents and applicable law (which rights and remedies are cumulative) with respect to its security interests in any of the Trademark Collateral. Each Debtor agrees that such rights and remedies include the right of Agent as a secured party to

sell or otherwise dispose of its Collateral after default, pursuant to the Code Section 9-610. Each Debtor agrees that Agent shall at all times have such royalty free licenses, to the extent permitted by law, for any Trademark, Trademark Rights, Proprietary Right and any other Trademark Collateral that is reasonably necessary to permit the exercise of any of Agent's rights or remedies upon the occurrence and during the continuation of an Event of Default with respect to (among other things) any asset of such Debtor in which Agent has a security interest for the benefit of the Lender Group, including Agent's rights to sell or license general intangibles, inventory, tooling or packaging that is acquired by such Debtor (or its successors, permitted assignees, or trustee in bankruptcy). In addition to and without limiting any of the foregoing, upon the occurrence and during the continuance of an Event of Default, Agent shall have the right but shall in no way be obligated to bring suit, or to take such other action as Agent deems necessary or advisable, in the name of any Debtor or Agent, to enforce or protect any Trademark, Registration or Trademark Right, and any license thereunder, in which event such Debtor shall, at the request of Agent, do any and all lawful acts and execute any and all documents required by Agent in aid of such enforcement. To the extent that Agent shall elect not to bring suit to enforce any Trademark, Registration, Trademark Rights, Proprietary Right, or any license thereunder, each Debtor, in the exercise of its reasonable business judgment, agrees to use all reasonable measures and its diligent efforts, whether by action, suit, proceeding or otherwise, to prevent the infringement, misappropriation or violation of any material Trademark Collateral by others and for that purpose agrees diligently to maintain any action, suit or proceeding against any Person necessary to prevent such infringement, misappropriation or violation.

10. Binding Effect. This Agreement shall be binding upon, inure to the benefit of and be enforceable by each Debtor and Agent for the benefit of the Lender Group and their respective successors and assigns.

11. Notices. Unless otherwise specifically provided herein, any notice or other communication herein required or permitted to be given shall be in writing and shall be delivered in the manner set forth in the Loan Agreement. All notices and other communications hereunder to a Debtor (other than Borrower) shall be mailed, sent or delivered in care of Borrower in accordance with the Loan Agreement.

12. Governing Law. This Agreement shall be governed by, and construed and enforced in accordance with, the laws of the State of New York, except to the extent that the validity or perfection of the security interests hereunder in respect of any Trademark Collateral are governed by federal law, in which case such choice of New York law shall not be deemed to deprive Agent of such rights and remedies as may be available under federal law.

13. Entire Agreement; Amendment. This Agreement and the Loan Agreement, together with the Schedules and Exhibits hereto and thereto, which are incorporated herein by this reference, contains the entire agreement of the parties with respect to the subject matter hereof and supersede all prior drafts and communications relating to such subject matter. Neither this Agreement nor any provision hereof may be

modified, amended or waived except by the written agreement of the parties, as provided in the Loan Agreement. The foregoing notwithstanding, Agent may re-execute this Agreement, modify, amend or supplement the Schedules hereto or execute a supplemental Trademark Security Agreement, as provided herein, and the terms of any such modification, amendment, supplement or supplemental Trademark Security Agreement shall be deemed to be incorporated herein by this reference.

14. Severability. Any provision of this Agreement that is prohibited or unenforceable under applicable law shall be ineffective to the extent of such prohibition or unenforceability without invalidating the remaining provisions hereof.

15. Counterparts; Telefacsimile Execution. This Agreement may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute but one and the same agreement. Delivery of an executed counterpart of this Agreement by telefacsimile shall be equally as effective as delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by telefacsimile also shall deliver an original executed counterpart of this Agreement, but the failure to deliver an original executed counterpart shall not affect the validity, enforceability, and binding effect of this Agreement.

16. Loan Agreement. Each Debtor acknowledges that the rights and remedies of Agent with respect to the security interests in the Trademark Collateral granted hereby are more fully set forth in the Loan Agreement and the other Loan Documents and all such rights and remedies are cumulative.

17. No Inconsistent Requirements. Each Debtor acknowledges that this Agreement and the other Loan Documents may contain covenants and other terms and provisions variously stated regarding the same or similar matters, and each Debtor agrees that all such covenants, terms and provisions are cumulative and all shall be performed and satisfied in accordance with their respective terms.

18. Termination. Upon the final payment in full in cash of the Secured Obligations, including the cash collateralization, expiration, or cancellation of all Secured Obligations, if any, consisting of letters of credit, and the full and final termination of any commitment to extend any financial accommodations under the Loan Agreement, this Agreement shall terminate, and Agent shall execute and deliver such documents and instruments and take such further action reasonably requested by Debtors, at Debtors' expense, as shall be necessary to evidence termination of the security interests granted by Debtors to Agent for the benefit of the Lender Group hereunder.

19. Effectiveness. This Agreement shall be binding and deemed effective when executed by each Debtor and accepted and executed by Agent.

20. Successors and Assigns. This Agreement shall be binding upon each Debtor and its successors and assigns and shall inure to the benefit of the successors and

assigns of each member of the Lender Group; provided, however, no Debtor shall assign this Agreement or delegate any of its duties hereunder without Agent's prior written consent and any assignment by a Debtor without Agent's consent shall be absolutely void. In the event of any assignment or other transfer of rights by any member of the Lender Group, the rights and benefits herein conferred upon each member of the Lender Group shall automatically extend to and be vested in such assignee or other transferee.

21. Section Headings. Section and subsection headings in this Agreement are included herein for convenience of reference only and shall not constitute a part of this Agreement or be given any substantive effect.

IN WITNESS WHEREOF, the parties hereto have duly executed this Agreement, as of the date first above written.
