ASSIGNMENT OF TRADEMARKS AND COPYRIGHTS

WHEREAS, U.S. Traffic Corporation, a Delaware corporation, with a place of business at 9603 John Street, Santa Fe Springs, California ("Assignor"), has adopted, owns and is using each of the marks as shown in the attached Exhibit 1 for which Assignor owns the referenced identified federal registrations on the Principal Register of the United States Patent and Trademark Office for the goods/services identified therein; and Assignor has also adopted, owns and is using each of the marks as shown in the attached Exhibit 2 in connection with goods and/or services as described therein (collectively referred to as the "Marks");

WHEREAS, Assignor has created and originally authored the works listed in the attached Exhibit 3 as works made for hire under the 1976 Copyright Act, including the original versions thereof and all derivative works based thereon (collectively referred to as the "Works");

WHEREAS, Assignor owns all copyrights, title, interest and other rights in and to the Works; and

WHEREAS, Green Light Acquisition Company, a Delaware corporation, with a place of business at One East Wacker Drive, Chicago, Illinois ("Assignee"), desires to acquire the Marks and the accompanying good will of the business symbolized by the Marks, and all of the above-referenced registrations therefor; and desires also to obtain sole copyright interest and ownership of all intellectual property rights in the above-referenced Works.

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby:

(1) Sells, assigns and transfers to Assignee, all right, title and interest in and to each of the Marks, together with the goodwill of the business symbolized by the above-referenced Marks, and any registrations therefor; and

(2) Sells, assigns and transfers to Assignee, all copyrights and other intellectual property rights, worldwide, in and to the above-referenced Works. This assignment includes the copyrights in and to the original versions of the Works and all derivative works based thereon. Assignor waives any moral rights or rights equivalent thereto that it may have in the Works, worldwide.

Assignor represents and warrants that it owns, free of any liens and encumbrances, all rights, title and interest in and to the Marks and Works and further represents and warrants that it has not granted any rights in the Marks or Works to any person or entity.

Assignor agrees to execute any documents that Assignee may request in order to assist and enable Assignee to obtain, secure, perfect and protect its trademark rights in the Marks, and its copyright and other intellectual property interests in the Works, worldwide.
