Unless otherwise defined herein, initially capitalized terms used in this Agreement have the meanings given them in the Loan Agreement; and

B. Grantor is the owner of certain intellectual property, identified below, in which Grantor is granting a security interest to TTFC.

NOW THEREFORE, the parties hereto mutually agree as follows:

1. GRANT OF SECURITY INTEREST.

To secure the complete and timely payment and performance of all Obligations, and without limiting any other security interest Grantor has granted to TTFC, Grantor hereby grants, assigns, and conveys to TTFC a security interest in Grantor's entire right, title, and interest in and to the following, whether now owned or hereafter acquired (the "Collateral"):

(i) Each of the trademarks and rights and interest which are capable of being protected as trademarks (including trademarks, service marks, designs, logos, indicia, tradenames, corporate names, company names, business names, fictitious business names, trade styles, and other source or business identifiers, and applications pertaining thereto), which are presently, or in the future may be, owned, created, acquired, or used (whether pursuant to a license or otherwise) by Grantor, in whole or in part, and all trademark rights with respect thereto throughout the world, including all proceeds thereof (including license royalties and proceeds of infringement suits), and rights to renew and extend such trademarks and trademark rights;

(vi) All of Grantor's right, title, and interest in all patentable inventions, and to file applications for patent under federal patent law or regulation of any foreign country, and to request reexamination and/or reissue of the patents, the right (without obligation) to sue or bring interference proceedings in the name of Grantor or in the name of TTFC for past, present, and future infringements of the patents, and all rights (but not obligations) corresponding thereto in the United States and any foreign country;

(vii) The entire goodwill of or associated with the businesses now or hereafter conducted by Grantor connected with and symbolized by any of the aforementioned properties and assets;

(viii) All general intangibles relating to the foregoing and all other intangible intellectual or other similar property of the Grantor of any kind or nature, associated with or arising out of any of the aforementioned properties and assets and not otherwise described above; and

Notwithstanding the foregoing, no failure to so modify this Agreement or amend Exhibits A or B shall in any way affect, invalidate or detract from TTFC's continuing security interest in all Collateral, whether or not listed on Exhibit A or B.

3. GENERAL PROVISIONS.

3.1 Rights Under Loan Agreement. This Agreement has been granted in conjunction with the security interest granted to TTFC under the Loan Agreement.
