WHEREAS, Autocam Corporation, a Michigan corporation (“Grantor”), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademark Collateral (as defined below); and

WHEREAS, Grantor (“U.S. Borrower”), Autocam France, SARL, a French *société à responsabilité limitée* (limited liability company) (“European Borrower” and together with the U.S. Borrower, the “Borrowers”), and Titan Holdings, Inc., a Delaware corporation, have entered into a Guaranty and Credit Agreement dated as of June 21, 2004 (said Guaranty and Credit Agreement, as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, being the “Credit Agreement”) with the financial institutions named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the “Lenders”), Goldman Sachs Credit Partners L.P., as Syndication Agent, and Citicorp North America, Inc., as Administrative Agent for the Lenders pursuant to which Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Borrowers; and

WHEREAS, Borrowers may from time to time enter, or may from time to time have entered, into one or more interest rate swap agreement or currency swap agreement or other similar agreements or arrangements (collectively, the “Hedge Agreements”) with one or more Persons that are Lenders or Affiliates of Lenders at the time such Lender Swap Agreements are entered into (in such capacity, collectively, “Lender Counterparties”); and

WHEREAS, pursuant to the terms of a Pledge and Security Agreement dated as of June 21, 2004 (said Pledge and Security Agreement, as it may heretofore have been and as it may hereafter be further amended, restated, supplemented or otherwise modified from time to time, being the “Security Agreement”; the capitalized terms used in this Grant of Trademark Security Interest not otherwise defined herein shall have the respective meanings given thereto in the Security Agreement), among Grantor, Collateral Agent and the other grantors named therein, Grantor has created in favor of Secured Party a security interest in, and Secured Party has become a secured creditor with respect to, the Trademark Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Security Agreement, to evidence further the security interest granted by Grantor to Secured Party pursuant to the Security Agreement, Grantor hereby grants to Secured Party a security interest in all of Grantor’s right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the “Trademark Collateral”):

(i) all rights, title and interest (including rights acquired pursuant to a license or otherwise) in and to all United States, and foreign trademarks, trade names, corporate names, company names, business names, fictitious business names, Internet domain names, service marks, certification marks, collective marks, logos, other source or business identifiers, designs and general intangibles of a like nature, all registrations and applications for any of the foregoing including, but not limited to: (a) the registrations and applications referred to in Schedule A annexed hereto, (b) all extensions or renewals of any of the foregoing, (c) all of the goodwill of the business connected with the use of and symbolized by the foregoing, and (d) the right to sue for past, present and future infringement or dilution of any of the foregoing or for any injury to

goodwill; and

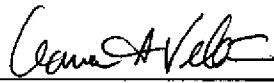

(ii) all proceeds, products, accessions, rents and profits of or from any and all of the foregoing Trademark Collateral, including, without limitation, licenses, royalties, income, payments, claims, damages, and proceeds of suit, and, to the extent not otherwise included, all payments under insurance (whether or not Collateral Agent is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of this Grant of Trademark Security Interest, the term "**proceeds**" includes whatever is receivable or received when Trademark Collateral or proceeds are sold, licensed, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Grantor does hereby further acknowledge and affirm that the rights and remedies of Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
