Commissioner for Trademarks
2900 Crystal Drive
Arlington, VA 22202-3514

June 17, 2004

Dear Commissioner:

This is to formally alert you to a fraud which has been perpetrated upon the PTO.

Re: Registration number 2519146.

Registered to Raymond Ferry.

Moved to Principal Register December 18, 2001.

An examination of affidavits filed and entered with your office falsely show the above trademark as having been assigned by me to Esketores Systems, LLC, Suite 774, 9903 Santa Monica Blvd., Beverly Hills, CA 90210 on June 15, 2000, and subsequently assigned to David Gottlieb, 15233 Ventura Blvd., Sherman Oaks, CA 91403 on January 7, 2002.

No such assignment to Esketores Systems ever took place. Records show that my name was forged on back dated documents filed by Esketores' attorney and principal owner, Thomas A. Brackey (also a partner in Freund and Brackey), for the purpose of affecting theft of the mark by deception. Further, records and court transcripts show that Mr. Gottlieb, then acting as trustee for a chapter 7 bankruptcy, falsified documents with the aid of his attorneys, Sulmeyer, Kupitz and Rothman, in order to fraudulently obtain the trademark for personal gain in a back room deal with Brackey and Esketores.

Be advised that no assignment of the mark has been made by me to any other parties. I have only today become aware of the fraudulent filings with the PTO. Court records verify the mark was not assigned to Esketores Systems and was not an asset of my estate concurrent to the bankruptcy proceedings. The bankruptcy has since been dismissed and Mr. Gottlieb is no longer acting in the capacity of trustee. Legal action against Mr. Gottlieb, Mr. Brackey, Sulmeyer/Kupitz and Esketores Systems for fraud, collusion, and theft by deception is under way, and I am also seeking criminal indictments.

At this time I am and continue to be the sole party using the mark in interstate commerce. I am informed that Mr. Gottlieb is in the process of negotiating sale of the mark to an unknown third party concurrent to his "acquisition" of the mark from Mr. Brackey on or about February, 2004. I request an immediate reply to this letter regarding my rights and how I can correct the PTO records to reflect the true and accurate ownership of the mark to Raymond Ferry. I further request this letter be posted to the public records concerning my trademark. I can be reached at the above addresses and phone numbers. Your prompt assistance in this matter is appreciated.

Regards,

Ray Ferry
