NOW THEREFORE, IN CONSIDERATION of the mutual covenants and agreements contained herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties covenant and agree as follows:

**ARTICLE I
PURCHASE AND SALE OF ASSETS**

1.1 Purchase and Sale

- (a) The Vendor hereby sells, assigns, transfers and conveys to the Purchaser and the Purchaser hereby purchases all of the Vendor's right, title and interest, if any, in and to the assets more particularly described in Schedule "A" hereto (the "Purchased Assets").
- (b) The Vendor hereby grants to the Purchaser an exclusive option (the "Option") to purchase, for the price of one dollar (\$1.00), all of the Vendor's right, title and interest, if any, in and to the names and trademarks more particularly described in Schedule "B" hereto (the "Trademarks"), provided that the Option shall not be exercisable by the

Purchaser prior to June 12, 2002 (the "Trademarks Closing Date") or subsequent to August 31, 2002 or such other date as agreed to in writing by the parties.

- (c) The Vendor acknowledges and agrees that it has done no act to encumber the Purchased Assets and or the Trademarks.
- (d) The Purchaser hereby acknowledges to and in favour of the Vendor, save and except as specifically represented and warranted by the Vendor herein:
- i) that the Purchaser has conducted its own investigations and inspections of the Purchased Assets and all matters and things connected with or in any way related to the Purchased Assets;
 - ii) that the Purchaser has satisfied itself with respect to the Purchased Assets;
 - iii) that the Purchaser has relied entirely upon its own investigation and inspections in entering into this agreement;
 - iv) that the Purchaser is purchasing the Purchased Assets on an "as is, where is" basis as of the Closing Date, as hereafter defined (which date shall be no later than March 25, 2002);
 - v) that the Purchaser accepts the Purchased Assets in their present state, condition and location; and
 - vi) that the Purchaser hereby acknowledges that the Vendor has made no representations, warranties, statements or promises with respect to any matter or thing whatsoever, including, without limitation, as to title, description, fitness for purpose, merchantability, quantity or the condition of any matter or thing whatsoever.
- (e) The Purchaser hereby acknowledges to and in favour of the Vendor, save and except as specifically represented and warranted by the Vendor herein:
- i) that the Purchaser has conducted, and shall continue to conduct, its own investigations and inspections of the Trademarks and all matters and things connected with or in any way related to the Trademarks;
 - ii) that the Purchaser has satisfied, and shall continue to satisfy, itself with respect to the Trademarks;
 - iii) that the Purchaser shall continue to rely entirely on its own investigations and inspections when deciding, in its sole discretion, whether or not to exercise the Option;

- iv) that the Purchaser, should it elect in its sole discretion to exercise the Option, shall purchase the Trademarks on an "as is, where is" basis as of the Trademarks Closing Date;
 - v) that the Purchaser may exercise the Option only if the Purchaser accepts the Trademarks in their state, condition and location as of the Trademarks Closing Date; and
 - vi) that the Vendor has not made, and the Purchaser shall not rely on, any representations, warranties, statements or promises with respect to any matter or thing whatsoever, including, without limitation, as to title, description, fitness for purpose, merchantability, quantity or the condition of any matter or thing whatsoever, save and except as are contained herein.
- (f) The Purchaser shall ensure that, in addition to payment of the Purchase Price, the Trade Accounts Receivable, as described in Schedule "C" hereto, shall be paid in full to the Vendor on the Closing Date by cash, certified cheque or bank draft.
 - (g) The Purchaser acknowledges that it shall be the Purchaser's sole responsibility to obtain, at its own expense, any consents or any further documentation or assurances which the Purchaser may require to carry out the terms of this Agreement.
 - (h) The Purchaser shall assume, at its own cost, complete responsibility for compliance with all laws and regulations, whether municipal, provincial, federal, international or otherwise to the extent such laws apply to the Purchased Assets and/or the Trademarks or the use thereof by the Purchaser.
 - (i) The Purchaser and the Vendor acknowledge and agree that the transaction contemplated herein is confidential. The Purchaser agrees and undertakes to and in favour of the Vendor that, unless compelled by legal proceeding, it shall not disclose the existence of this agreement, the occurrence or the terms of this transaction to any party until June 7, 2002 unless such disclosure is expressly authorized in writing by the Vendor.
 - (j) The Vendor hereby authorizes the Purchaser to disclose the fact of its purchase of the Purchased Assets only to the extent such disclosure is reasonably necessary to enforce its legal rights hereunder in respect of the Purchased Assets. For greater certainty, the foregoing authorization is limited solely to the Purchased Assets and does not extend to the Trademarks.

1.2 Purchase Price

The purchase price for the Purchased Assets and the granting of the Option is the sum of two million seven hundred ten thousand dollars (\$2,710,000.00) Cdn. plus Goods and Services Tax in the amount of one hundred eighty nine thousand seven hundred dollars (\$189,700) Cdn., for a total amount of two million eight hundred ninety nine thousand seven hundred dollars (\$2,899,700.00) Cdn. (the "Purchase Price"), which amount has been paid concurrently herewith by the Purchaser to Thornton Grout Finnigan LLP "In Trust" on behalf of the Vendor by way of cash, certified cheque or bank draft.

1.3 Taxes

The Purchaser has, concurrently herewith, delivered a Purchase Exemption Certificate to the Vendor in respect of Retail Sales Tax.

1.4 Surrender of the Assets

- (a) The Purchased Assets are located at the premises of the Company at 625 Millway Avenue, Concord, Ontario (the "Premises") and shall be surrendered to the possession of the Purchaser at the Premises on March 25, 2002 (the "Closing Date").
- (b) The Purchaser shall remove the Purchased Assets from the Premises no later than April 19, 2002. The Purchaser acknowledges from and after the earliest of the removal of the Purchased Assets from the Premises or April 19, 2002, it shall be the sole responsibility of the Purchaser to maintain, insure and secure the Purchased Assets, and the Vendor shall not be responsible for any loss or damage thereto. Prior to April 19, 2002 and the removal of the Purchased Assets from the Premises, the Vendor shall maintain insurance in respect of the Purchased Assets substantially similar to that maintained by the Company prior to the appointment of the Receiver. For greater certainty, at no time after the earlier of April 19, 2002 or the removal of the Purchased Assets from the Premises will the Vendor maintain such insurance.
- (c) Until the Purchaser's removal from the Premises of the Purchased Assets, the Vendor shall grant the Purchaser reasonable access thereto at any time during regular business hours required by the Purchaser. The Purchaser will provide the Vendor with 24 hours notice prior of the request for access. The Vendor will not unreasonably interfere with the access of the Purchaser to the Premises.

1.5 Refund for Unavailable Purchased Assets

If the Vendor is unable to surrender any of the Purchased Assets, or any portion thereof, to the Purchaser (the "Unavailable Assets") in accordance with this Agreement, the Vendor will refund to the Purchaser an amount of the Purchase Price which amount is equal to the value of the Unavailable Assets. Such value will be calculated strictly in accordance with the values ascribed to each category of Purchased Asset as set out in Schedule "A" hereto.

ARTICLE II

REPRESENTATIONS AND WARRANTIES

2.1 Purchaser's Representations and Warranties

The Purchaser represents and warrants to the Vendor as follows and acknowledges that the Vendor is relying on such representations and warranties in entering into this Agreement:

- (a) the Purchaser is a partnership duly organized and subsisting under the *Partnerships Act* (Ontario);
- (b) the transaction contemplated herein is not a reviewable transaction within the meaning of the *Investment Canada Act* (Canada);
- (c) the Purchaser is not a non-resident of Canada within the meaning of the *Income Tax Act* (Canada);
- (d) the Purchaser has the requisite power and authority to enter into and complete the transaction of purchase and sale contemplated hereby and all necessary action has been taken to authorize the execution and delivery of this Agreement and all documents contemplated hereby.

2.2 Vendor's Representations and Warranties

The Vendor represents and warrants to the Purchaser as follows, and acknowledges that the Purchaser is relying on such representations and warranties in entering into this Agreement:

- (a) The Recitals in this Agreement are true and correct;
- (b) the Vendor is not a non-resident of Canada within the meaning of the *Income Tax Act* (Canada); and
- (c) the Vendor has the right to sell, assign, or otherwise transfer its right, title and interest, if any, in the Purchased Assets and the Trademarks to the

Purchaser and the individual signing this Agreement on behalf of the Vendor has the requisite corporate authority to do so.

ARTICLE III

RIGHT OF FIRST REFUSAL FOR FINISHED GOODS ONLY

- 3.1 The Purchaser acknowledges that the Vendor, acting in its sole discretion, shall continue to market for sale certain of the Company's remaining inventory which does not form part of the Purchased Assets (collectively, the "Units", and each item of which is a "Unit").
- 3.2 Where the Vendor receives an offer to purchase ten thousand or more Units in a single transaction (each such offer being a "Bulk Offer") from a prospective purchaser and the Vendor, in its sole discretion, considers such Bulk Offer to be reasonable, appropriate and acceptable in the circumstances, the Vendor shall give to the Purchaser notice ("Notice") of the Bulk Offer and its terms. The Vendor shall not accept a Bulk Offer for a period of forty-eight (48) hours following the issuance of the Notice to the Purchaser, without the prior written consent of the Purchaser. The Purchaser shall have, for a period of forty eight (48) hours following delivery of the Notice, the right to purchase (the "Right of First Refusal") from the Vendor the Units subject to such Bulk Offer on terms which are, in the sole discretion of the Vendor, equal to, or better than the terms of the Bulk Offer.
- 3.3 Where the Vendor receives an offer to purchase less than ten thousand Units in a single transaction (each such offer being an "Ordinary Offer") from a prospective purchaser, the Purchaser acknowledges and agrees that the Vendor may sell such Units in its sole discretion without issuing a Notice to the Purchaser. The Purchaser further acknowledges and agrees that it shall not have any Right of First Refusal with respect to any sale of Units other than pursuant to a Bulk Offer, as described herein.

ARTICLE IV

VENDOR'S RIGHT TO USE OF TRADEMARKS

- 4.1 The Purchaser acknowledges and agrees that, notwithstanding the Option regarding the Trademarks, the Vendor shall have the right, both prior to and subsequent to any exercise of the Option by the Purchaser, to use the Trademarks to carry out its mandate as Receiver, as determined by the Vendor in its sole discretion, acting reasonably. The Purchaser further acknowledges and agrees that the right of the Vendor to use the Trademarks is limited to the execution of the Receiver's mandate as

Receiver and shall terminate upon the discharge of the Receiver. Such right shall be without charge. Subsequent to the discharge of the Receiver, the Receiver shall have the right to use of the Trademarks only with the approval of the Purchaser. As long as the Option is outstanding the Vendor shall not dispose of or encumber the Trademark.

- 4.2 The Purchaser acknowledges and agrees that, notwithstanding the Option regarding the Trademarks, any person or entity that has purchased Units from the Vendor (the "Customer") shall have the right, both prior to and subsequent to any exercise of the Option by the Purchaser, to use the Trademarks in connection with the re-sale of such Units by such Customer. The Purchaser further acknowledges and agrees that the right of the Customer to use the Trademarks shall be without charge and for an unlimited period of time, but shall be limited to the resale of the Units only.

ARTICLE V
