**AMENDED AND RESTATED
TRADEMARK SECURITY AGREEMENT**

AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of November 17, 2003, by Formed Fiber Technologies, Inc., a Delaware corporation ("Parent") and Formed Fiber Technologies, LLC, a Delaware limited liability company ("FFT," and together with Parent, each, a "Grantor"), in favor of American Capital Financial Services, Inc. ("ACFS"), as agent for the Purchasers (as defined in that certain Amended and Restated Note and Equity Purchase Agreement, dated as of the date hereof as the same may be amended, restated, supplemented or otherwise modified from time to time, by and among the Grantors, Agent and the purchasers a party thereto (the "Purchase Agreement")) (in such capacity, the "Agent"). Capitalized terms used herein without definition shall be defined in the manner set forth in the Purchase Agreement.

WITNESSETH:

WHEREAS, pursuant to that certain Trademark Security Agreement, dated as of August 22, 2003 by the Grantors in favor of the Agent (the "Original Trademark Security Agreement"), the Grantors granted a security interest in all of the Patent Collateral (as defined below) owned by them as security for the Notes in the principal amount of \$10,800,000 (the "Original Notes") purchased pursuant to the Note and Equity Purchase Agreement, dated as of August 22, 2003, by and among the Grantors, the Purchasers party thereto and ACFS, as agent for the Purchasers (the "Original Purchase Agreement");

WHEREAS, as of the date hereof, the obligations, liabilities, and indebtedness of the Grantors subject to the Original Purchase Agreement have been restated and shall be governed by the Purchase Agreement;

WHEREAS, pursuant to the Purchase Agreement, the Grantors have issued to the Purchasers, Senior Subordinated Notes Due August 22, 2011 dated of even date herewith in the PRINCIPAL amount of \$3,000,000 (the "New Notes", and together with the Original Notes, the "Secured Notes");

WHEREAS, the Grantors have agreed to amend and restate the Original Trademark Security Agreement in order to induce the Purchasers to accept the New Notes and to make certain other accommodations as provided in the Purchase Agreement, and in consideration therefor, the Grantors have agreed to grant to the Grantee a security interest in all of the Patent Collateral owned by them pursuant to the terms of this Agreement; and

WHEREAS, the Grantors are party to an Amended and Restated Security Agreement of even date herewith in favor of the Agent (the "Security Agreement") and the Grantors are required to execute and deliver this Trademark Security Agreement pursuant to the Security Agreement and the Purchase Agreement.

NOW, THEREFORE, in consideration of the premises and to induce the Purchasers and the Agent to enter into the Purchase Agreement and to induce the Purchasers to purchase the Secured Notes thereunder, each Grantor hereby agrees with the Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Purchase Agreement or in the Security Agreement and used herein have the meaning given to them in the Purchase Agreement or the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Obligations of such Grantor, hereby collaterally assigns, conveys, mortgages, pledges, hypothecates and transfers to the Agent for the benefit of the Purchasers, and grants to the Agent for the benefit of the Purchasers a lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of each Grantor (the "Trademark Collateral"):

- (a) all of its Trademarks and Trademark Licenses to which it is a party, including those referred to on Schedule I hereto;
- (b) all reissues, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and
- (d) all proceeds of the foregoing, including any claim by the Grantor against third parties for past, present, future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

As used herein, the following terms shall have the following meanings:

"Trademark" means (a) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos and other source or business identifiers, and all goodwill associated therewith, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications (excluding intent-to-use applications) in connection therewith, whether in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof, or otherwise, and all common-law rights related thereto, and (b) the right to obtain all renewals thereof.

"Trademark License" means any agreement, whether written or oral, providing for the grant by or to any Grantor of any right to use any Trademark.

SECTION 3. Conditional Assignment of Trademarks. Notwithstanding anything to the contrary herein, all rights and remedies of Agent herein are subject to the prior rights of the Senior Lenders under the Intercreditor Agreement.

(a) In addition, each Grantor hereby authorizes the Agent to complete as assignee, execute pursuant to the power of attorney, and record with the United States Patent and Trademark Office and in any other applicable public office or agency of the United States, any State or Territory thereof, or any other country, a document in substantially the form of Exhibit A (the "Assignment of Marks"), upon the occurrence and during the continuance of an Event of Default and the proper exercise of the Agent's remedies under the Security Agreement and this Trademark Security Agreement.

(b) In addition to, and not by way of limitation of, the grant of a security interest in the Trademark Collateral provided in Section 2, as collateral security for the complete and timely payment, performance and satisfaction of the Obligations (as defined in the Security Agreement), each Grantor hereby assigns, conveys, mortgages, pledges, hypothecates, transfers and grants to the Agent, on behalf of itself and the Agent, its entire right, title and interest in, to and under the Trademark Collateral; provided, however, that such assignment, conveyance, mortgage, pledge, hypothecation, transfer and grant shall be and become of force and effect, with respect to any item of the Trademark Collateral, only: (i) upon or after the occurrence or during the continuance of an Event of Default; and (ii) either (A) upon the written demand of the Agent at any time during such continuance, or (B) immediately and automatically, without any notice or action of any kind by the Agent, upon the sale or other disposition of such item of the Trademark Collateral by Agent pursuant to Article 9 of the UCC (including the transfer or other disposition of such item by such Grantor to the Agent in lieu of foreclosure).

(c) Notwithstanding any of the foregoing, so long as no Event of Default has occurred and is continuing, and except as otherwise provided in the Security Agreement and this Trademark Security Agreement, the Grantors shall be permitted to remain in full possession, ownership, enjoyment and control of all of their right, title and interest in the Trademark Collateral and to manage, operate, dispose and use the same and each part thereof, in each case, as permitted hereunder, with all the rights pertaining thereto. Until such time, all of the goodwill embodied in and associated with such Trademark Collateral shall inure to the benefit of each Grantor.

SECTION 4. Grantor Remains Liable. It is expressly agreed by each Grantor that, anything herein to the contrary notwithstanding, such Grantor shall assume full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with their Trademarks or Trademark Licenses, and shall hold the Agent harmless from any and all costs, damages, liabilities and expenses that may be incurred in connection with the Agent's interest in such Trademarks or Trademark Licenses or any other action or failure to act in connection with this Trademark Security Agreement. Each Grantor shall remain liable for any and all claims by any Person that the conduct of such Grantor's business or products or processes of such Grantor infringe any rights of such person.

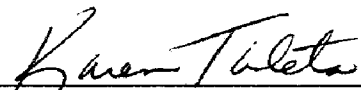

SECTION 5. **Security Agreement.** The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

SECTION 6. **Governing Law.** This Trademark Security Agreement is governed and construed in accordance with the laws of the State of New York without regard to its conflicts of law provisions.

EXHIBIT A

ASSIGNMENT OF MARKS

WHEREAS, Formed Fiber Technologies, Inc. and Formed Fiber Technologies, LLC (the "Assignors") have adopted and used and are using the trademarks identified on Schedule A hereto as indicated therein (the "Marks"), and are the owner of the registrations and pending registration applications for such Marks in the United States Patent and Trademark Office identified on such Schedule as indicated therein; and

WHEREAS, American Capital Financial Services, Inc. (the "Assignee"), is desirous of acquiring the Marks and the registrations thereof and registration applications therefor.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Assignors do hereby assign, sell and transfer unto the Assignee all of their right, title and interest in and to the Marks, together with (a) the registrations of and pending registration applications for such Marks, (b) the goodwill of the business symbolized by and associated with such Marks and the registrations and pending registration applications thereof, and (c) the right to sue and recover for, and the right to profits or damages due or accrued arising out of or in connection with any and all past, present or future infringements or dilution of or damage or injury to such Marks, the registrations or pending registration applications thereof, or such associated goodwill.

This Assignment of Marks is intended to and shall take effect at such time as the Assignee shall complete this instrument by signing its acceptance of this Assignment of Marks below.

[signature page follows]

IN WITNESS WHEREOF, the Assignor has caused this Assignment of Marks to be executed and delivered by its duly authorized officer as of the date first set forth above.
