TRADEMARK

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

In re the Registration of:

PEDERSHAAB CONCRETE TECHNOLOGIES A/S

Registration No.: 866,239

Issued: March 11, 1969

Mark: VIHY

DECLARATION

The undersigned hereby declares as follows:

- (1) That I am an officer of Pedershaab Concrete Technologies A/S and I am authorized to make this declaration on its behalf;
- (2) That the above captioned registration was issued to Pedershaab Maskinfabrik A/S on March 11, 1969;
- (3) That a change of name of Pedershaab Maskinfabrik A/S to Pedershaab A/S, effective June 11, 1990, has been recorded against the above captioned registration at Reel/Frame 2831/0087;
- (4) That on February 23, 2004, the above captioned registration was assigned by Pedershaab A/S to Pedershaab Concrete Technologies A/S, said assignment having been recorded at Reel/Frame 2831/0103; and Pedershaab Concrete Technologies A/S is, and remains, the owner of the above captioned registration;
- (5) That on February 10, 1994, D. Elaine Howard, of the law firm of Murphy, Weir & Butler, submitted for recordation with the U.S. Patent and Trademark Office ("PTO"), a document identified as "Assignment for Security of Patents, Trademarks and Copyrights"; the cover

sheet submitted by Ms. Howard identified the conveying party as "Farr Company" and the receiving party as "General Electric Capital Corporation;" the schedule of registrations attached to the cover sheet included a listing for SIDE-CARB, with the registration number given as "866,239";

(6) That the aforesaid document submitted by Ms. Howard was recorded at Reel/Frame 1103/178, and indexed against the above captioned registration;

(7) That on April 23, 1996, Ms. Howard submitted to the PTO a document identified as Assignment and Release, identifying the conveying party as "General Electric Capital Corporation," and the receiving party as "Farr Company," and once again listing a registration for SIDE-CARB, no. "866,239," in the schedule attached to the cover sheet; the document was recorded at Reel/Frame 1454/0087 and indexed against the above captioned registration;

(8) That the recordation of the documents found at Reel/Frame 1103/178, and 1454/0087 clearly were in error, as registration no. 866,239 is for the mark VIHY, not SIDE-CARB, and there is a registration for SIDE-CARB, with the number 866,329; further, there is no document evidencing a transfer of registration no. 866,239, and/or the VIHY mark, at any time from the original registrant, Pedershaab Maskinfabrik A/S (by change of name to Pedershaab A/S) to anyone other than Pedershaab Concrete Technologies A/S;

(9) That I understand efforts to reach Ms. Howard, of the Murphy, Weir and Butler firm, and/or successor counsel, to record corrective papers, have been unsuccessful;

(10) That all statements made herein of my own knowledge are true, and all statements made on information and belief are believed to be true, and the above statements were made with the knowledge that willful false statements and the like so made are punishable by fine

or imprisonment, or both, under Section 1001 of Title 18 of the U.S. Code, and that such willful false statements may jeopardize the validity of the registration.

Attached are copies of the cover sheets and respective schedules recorded at Reel/Frame 1103/178 and 1454/0087.
