INTELLECTUAL PROPERTY ASSIGNMENT

(U.S. and Foreign Patents, Trademarks and other Intellectual Property)

THIS ASSIGNMENT, made this 12th day of November, 2003 by Rowe International, Inc., a Delaware corporation located at 1500 Union Avenue, SE, Grand Rapids, Michigan 49507 (hereinafter referred to as the "Assignor"), and Rowe International Corporation (f/k/a RWI Acquisition Corporation), a Delaware corporation located at 1500 Union Avenue, SE, Grand Rapids, Michigan 49507 (hereinafter referred to as the "Assignee"), witnesseth:

WHEREAS, the said Assignor is the sole and rightful owner of ideas, concepts, inventions (whether or not patentable and whether or not reduced to practice), improvements thereto, and patents, patent applications and patent disclosures, together with reissues, continuations, continuations-in-part, divisions, divisional applications, reexaminations, foreign related applications and foreign patents thereof, marks (including trade names, corporate names, trademarks, service marks, certification marks, collective marks, collective membership marks, trade dress, or other designations of origin, whether in word, logo, design, or other form and together with translations, adaptations, derivations and any combinations thereof, and including any goodwill associated therewith, all of the foregoing marks, registrations, applications and renewals in connection therewith, collectively referred to as "Marks") and registrations for and applications to register the foregoing, Internet domain name registrations, works of authorship, copyrights, and registrations applications for copyrights, and renewals in connection therewith, mask works and applications, registrations, and renewals in connection therewith, technical or other proprietary information of Assignor relating to the development, design, manufacture, installation, assembly or testing of Assignor's and/or its subsidiaries products or services (including technical data and drawings and specifications, designs, shop drawings, manuals, forms, working notes and memos, market studies, consultants' reports, technical and laboratory data, notebooks, samples and engineering prototypes), trade secrets, secret processes and procedures, know-how, proprietary or sui generis data bases and computer software, and licenses for any of the foregoing, and information relating to the conduct or details of the businesses of Assignor and its subsidiaries (whether constituting a trade secret or not) that is maintained or treated as confidential by Assignor and its subsidiaries, including business, marketing and financial information, plans and proposals, ideas, research and development, formulas, manufacturing and production processes and techniques, methods of operation, customers and customer lists, supplier lists, sales data, details of contracts with customers, consultants, suppliers or employees, products, proposed products, former products, proposed, pending or completed acquisitions of any company, divisions, product line or other business unit, prices and pricing policies, fees, costs, plans, designs, technology, inventions, trade secrets, know-how, software, marketing methods, policies, plans, personnel, suppliers, competitors, markets or other specialized information or proprietary matters of Assignor or any of its subsidiaries, and copies and tangible embodiments thereof (in whatever form or medium) (all of the foregoing collectively referred to as "Intellectual Property"), including but not limited to the patents and applications for patents and of the inventions therein disclosed and the Marks as set forth in Schedule I attached hereto; and

WHEREAS, Assignor desires to assign, and Assignee desires to acquire, said Intellectual Property.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor on behalf of itself and its subsidiaries does hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to said Intellectual Property and all rights which the Assignor has enjoyed thereunder both in the United States of America and throughout all countries of the world, including any and all rights of recovery based on past and future infringement of said Intellectual Property, the same to be held and enjoyed by the said Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, forever and to the full end of the terms thereof, and all renewals and extensions thereof;

AND for the same consideration, the Assignor on behalf of itself and its subsidiaries does hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to said Marks as set forth in the Schedule attached hereto, together with the goodwill of the business symbolized by the Marks and the registrations and applications thereof, and all other rights which the Assignor has enjoyed thereunder both in the United States of America and throughout all countries of the world, including any and all rights of recovery based on past and future infringement of said Marks and/or registrations, and the right to seek renewal of such registrations, the same to be held and enjoyed by the Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, forever and to the full end of the terms for which any of the aforesaid Marks are registered and any renewals of the terms thereof;

AND for the same consideration, the Assignor on behalf of itself and its subsidiaries does hereby sell, assign, transfer and set over, unto the Assignee, its successors, legal representatives and assigns, the entire right, title and interest in and to any and all applications for patents and any and all patents, as set forth in the Schedule attached hereto, and in and to the inventions set forth in said applications and patents and any and all patents in the United States of America and all foreign countries which have been or may be granted therefor and thereon, and in and to any and all divisions, continuations, and continuations-in-part of said applications, or reissues, reexaminations, or extensions of said patents, and all rights under the International Convention for the Protection of Industrial Property, said rights to include any and all rights of recovery based on past and future infringement of any and all said inventions and said patents, the same to be held and enjoyed by the said Assignee, for its own use and benefit and the use and benefit of its successors, legal representatives and assigns, forever and to the full end of the term or terms for which patents may be granted, and all extensions thereof;

AND for the same consideration, the Assignor on behalf of itself and its subsidiaries hereby covenants and agrees to and with the said Assignee, its successors, legal representatives and assigns, that, at the time of execution and delivery of these presents, except for any rights, titles and/or interests that have arisen to Assignee under law or that have already been transferred to Assignee, the Assignor is the sole and lawful owner of the entire right, title and interest in and to said Intellectual Property, and that the same are unencumbered and that the Assignor has good and full right and lawful authority to sell and convey the same in the manner herein set forth:

AND for the same consideration, the Assignor on behalf of itself and its subsidiaries hereby covenants and agrees to and with the said Assignee, its successors, legal representatives

and assigns, said Assignor will, whenever counsel of said Assignee, or the counsel of its successor, legal representatives and assigns, shall advise that any proceeding in connection with said Intellectual Property in any country, including but not limited to interference and opposition proceedings, is lawful and desirable, or that any division, continuation or continuation-in part of any application for patents, or any reissue, reexamination or extension of any patents to be obtained thereon, or any registration, application for registration or renewal of said Marks, or any registration, application for registration or renewal of copyrights, is lawful and desirable, sign all papers and documents, take all lawful oaths, and do all acts reasonably necessary or desirable to be done for the filing, prosecution, assignment, maintenance, enforcement and defense thereof, without charge to the said Assignee, its successors, legal representatives and assigns, other than reasonable costs and expenses incurred by the Assignor or any of their respective employees, agents and representatives in connection with the foregoing actions.
