TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT, dated as of January 30, 2004 (this "Trademark Security Agreement"), is by and among DAYTON SUPERIOR CORPORATION, an Ohio corporation ("Borrower"), AZTEC CONCRETE ACCESSORIES, INC., a California corporation, DAYTON SUPERIOR SPECIALTY CHEMICAL CORP., a Kansas corporation, DUR-O-WAL, INC., a Delaware corporation, SYMONS CORPORATION, a Delaware corporation (together with Borrower, each referred to herein individually as a "Grantor" and collectively as "Grantors") and THE BANK OF NEW YORK as collateral agent (the "Collateral Agent") and as trustee (the "Trustee") for the beneficial holders (the "Noteholders") under that certain Indenture, dated as of June 9, 2003, by and among Borrower, the Obligors parties thereto as Guarantors and the Trustee, governing the rights and duties of Borrower under 10¾% Senior Second Secured Notes due 2008 in the initial aggregate principal amount of \$165,000,000 (the "Indenture").

WITNESSETH:

WHEREAS:

- (A) In connection with the repayment of that certain Credit Agreement, dated as of June 16, 2000, among Borrower, the lenders party thereto in their capacities as lenders and Deutsche Bank Trust Company Americas as administrative agent, the Borrower has entered into that certain Credit Agreement, dated as of the date hereof (including all annexes, exhibits and schedules thereto, and as from time to time amended, restated, supplemented or otherwise modified, the "Credit Agreement") by and among Grantors and General Electric Capital Corporation, in its capacity as Agent for itself and Lenders from time to time party to the Credit Agreement (the "Agent");
- (B) The Borrower, Agent, Trustee and Collateral Agent have entered into that certain Intercreditor Agreement (the "Intercreditor Agreement"), dated as of the date hereof, to establish the priority of their security interests in Borrower's assets; and
- (C) As a condition precedent to the effectiveness of the Credit Agreement, the Borrower, Collateral Agent and Trustee are required to execute this Trademark Security Agreement.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS

All capitalized terms used but not otherwise defined herein have the meanings given to them in the Second Amended and Restated Security Agreement, dated as of the date hereof (the "Security Agreement"), among the Grantors, certain other grantors, the Collateral Agent and the Trustee.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL

To secure the prompt and complete payment, performance and observance of all of the Second Priority Lien Obligations and all renewals, extensions, restructurings and refinancings thereof, and all obligations, liabilities and indebtedness of each Grantor arising under the Indenture and the Security Documents (all such Second Priority Lien Obligations and other secured obligations, the "Secured Obligations") each Grantor, subject to the terms of the Intercreditor Agreement, hereby grants to Collateral Agent, on behalf of Trustee and Noteholders, a continuing security interest and Lien in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral"):

- (a) all of its (i) Trademarks and (ii) Trademark Licenses to which any Grantor is a party including those referred to on Schedule I hereto but in no event any intent to use applications relating to Trademarks (if and to the extent that the creation of a Lien on licensed rights is not prohibited by the agreement granting such license, provided that if any such prohibition is contained in any such agreement, the relevant Grantor shall use all reasonable efforts to amend such agreement to remove such prohibition);
- (b) all reissues, continuations or extensions of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and
- (d) all products and proceeds of the foregoing, including, without limitation, any claim by, right in and judgment in favor of such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License;

provided, however, in no event shall Trademark Collateral include (A) any lease, license, contract, property rights or agreement to which the Grantor is a party or any of its rights or interests thereunder if and for so long as the grant of such security interest shall constitute or result in (i) the abandonment, invalidation or unenforceability of any right, title or interest of such Grantor therein or (ii) in a breach or termination pursuant to the terms of, or a default under, any such lease, license, contract, property rights or agreement (other than to the extent that any such term would be rendered ineffective pursuant to Sections 9-406, 9-407, 9-408 or 9-409 of the Uniform Commercial Code (or any successor provision or provisions) of any relevant jurisdiction or any other applicable law (including the Bankruptcy Code) or principles of equity); provided, however, that such security interest shall attach immediately at such time as the condition causing such abandonment, invalidation or unenforceability shall be remedied and to the extent severable, shall attach immediately to any portion of such lease, license, contract, property rights or agreement that does not result in any of the consequences specified in (i) or (ii) above; or (B) any asset subject to a Permitted Lien.

3. SECURITY AGREEMENT; INTERCREDITOR AGREEMENT

The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Collateral Agent, on behalf of Trustee and Noteholders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Collateral Agent with respect to the security interest in the

Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement and the Intercreditor Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

Notwithstanding anything herein to the contrary, the lien and security interest granted to the Collateral Agent pursuant to this Agreement and the exercise of any right or remedy by the Collateral Agent hereunder, in each case in respect of any collateral constituting Noteholder Collateral (as defined in the Intercreditor Agreement) are subject to the provisions of the Intercreditor Agreement. In the event of any conflict between the terms of the Intercreditor Agreement and this Pledge Agreement, the terms of the Intercreditor Agreement shall govern.

4. TERMINATION OF THIS TRADEMARK SECURITY AGREEMENT

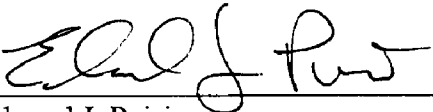

This Trademark Security Agreement shall terminate upon the payment and satisfaction in full of all Second Priority Lien Obligations.

5. GOVERNING LAW

THIS TRADEMARK SECURITY AGREEMENT AND THE OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND SHALL BE CONSTRUED AND ENFORCED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK WITHOUT REGARD TO CONFLICTS OF LAW PRINCIPLES WHICH SHALL BE DEEMED NOT TO INCLUDE SECTION 5-1401 OF THE NEW YORK GENERAL OBLIGATIONS LAW.

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
