2. The parties desire to evidence this assignment ("Assignment") by filing this instrument with the US Patent and Trademark Office, with every applicable state trademark agency and with every applicable Internet Domain Name registry, though the parties agree that no such filing is required to effect the transfer and assignment evidenced by this Assignment.
3. Owner hereby appoints any member or manager of AGI and their respective successors and assigns as Owner's agent in fact to execute on Owner's behalf any and all documents, instruments, assignments, and conveyance documents necessary or advisable in order to secure, record and enforce the Assignment of the Trademarks and all applications related thereto. Owner agrees to cooperate and assist AGI and to further evidence of record and to perfect full ownership in the Trademarks and in this Assignment in any manner reasonably requested by AGI.
4. It is the agreed and expressed intent of the parties that AGI and its successors and assigns shall own, hold and enjoy, as fully and entirely as the same would have been owned, held and enjoyed by Owner, all rights, titles, interests and entitlements of Owner in the Trademarks as if no sale or assignment had been made hereunder.
5. Owner represents and warrants that Owner owns all rights, titles and interests in the Trademarks, free and clear of all liens, claims, encumbrances, and all other rights or entitlements of any other, of every kind, character and description.

IN WITNESS WHEREOF, the parties have executed and acknowledged this instrument with all requisite power and authority, intending to be legally bound hereby for all purposes effective this 14th day of June, 2002
