**ORDER APPROVING SALE OF ASSETS OF
BRIAN MOORE INTERNATIONAL TOURS**

This matter came before the Court upon the Debtors'¹ Motion For Order Approving Interim Operating Agreement; Auction and Bid Procedures Including Shortening of Notice Periods of Rule 2002(A)(2); Form and Manner of Notice of Sale of Assets Free and Clear of Liens, Claims and Encumbrances, Subject to Higher and Better Offers; and Approving Assumption and Assignment of Certain Executory Contracts and Leases in Connection With Such Sale (the "Sale Motion"), filed on or about October 23, 2003, and this Court's Order Allowing Debtors' Motion For Order Approving Interim Operating Agreement; (B) Establishing Auction And Bid Procedures And Approving Form And Manner Of Notice; And (C) Scheduling An Auction And Hearing Date To Consider Final Approval Of Sale – Brian Moore International Tours dated November 3, 2003 (the "Procedures Order"). The Sale Motion and the Procedures Order relate to the Debtors' proposed sale of the operating assets of Brian Moore International

¹ The Debtors are: Far & Wide Corporation, Far & Wide Travel Corporation, African Travel, Inc., Adventure Centers, Inc., Travel Media Services, Inc. and Far & Wide International, Inc.

EXHIBIT A

Tours ("Tours"), a business unit of the Debtor, Far & Wide Travel Corporation's ("FWT"). The Sale Motion sought and the Procedures Order preliminarily approved a procedure for an out of the ordinary course transaction involving the operation of the business of Tours by Ronan Ryan or his assigns ("Ryan") pursuant to a "Term Sheet for Acquisition of Assets between the Debtors and Ryan (the "Term Sheet") pursuant to 11 U.S.C. § 363(b). The Sale Motion further sought, and the Procedures Order approved, certain bid procedures and bid protections and also approved a form of notice attached to the Procedures Order relating to the proposed sale of the operating assets of Tours (generally, the "Sale") in accordance with the Term Sheet. The Sale Motion further sought, and the Procedures Order preliminarily approved, the Sale of the operating assets of Tours (collectively, and strictly for convenience and not including the assumption or assignment of any executory contracts, the "Assets") to Ryan or the highest bidder at the conclusion of an auction, free and clear of all liens, claims, interests and encumbrances (collectively, "Liens"), pursuant to 11 U.S.C. § 363(f), with such Liens to attach to the proceeds of the Sale. The Sale Motion further sought and the Procedures Order approved various forms of relief related to the bidding procedures and the Sale. No competing bids were received by the deadline of November 12, 2003 or thereafter. There being no need for an auction, Ryan was deemed to have submitted the highest and best bid. As a result the Debtors seek approval of the Sale and all other relief sought and contemplated in the Sale Motion and the Procedures Order.

The Court having considered the Court's file, the relevant pleadings, the witnesses and exhibits presented, if any, and the arguments of counsel and proffers, with opportunities to object, participate, and cross examine, at the several hearings relating to the Sale, having considered the results of the auction and the parties arguments relating to Section 363(f) of the

Bankruptcy Code, and having considered representations made before this Court; due and proper notice having been afforded and good cause having been shown, the Court

FINDS AND DETERMINES THAT:

A. The Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334, and this matter is a core proceeding pursuant to 28 U.S.C. §§ 157(b)(2)(A), (N), and (O). Venue in this District is proper under 28 U.S.C. §§ 1408 and 1409;

B. The statutory and other predicates for the relief sought in the Sale Motion are 11 U.S.C. §§ 105(a) and 363, Federal Rules of Bankruptcy Procedure 2002, 6004 and 6006, and Local Rules 6004-1 and 9013-1;

C. In accordance with Rules 2002 and 6004, (1) proper, timely, adequate and sufficient notice of the Sale Motion and the Sale have been provided to all parties entitled to such notice and in accordance with applicable law; (2) such notice was good, sufficient and appropriate notice under the particular circumstances of these cases; and (3) no other or further notice is or shall be required in order for the Court to grant the relief provided herein;

D. Except as may relate in any way to the assumption and assignment of executory contracts, a fair and reasonable opportunity to participate in, object to and be heard regarding the Sale Motion, the Sale and the relief related thereto has been afforded to all interested parties and entities, all qualified bidders as well as to holders of Liens in the Assets in accordance with the Sale Motion, the Federal Rules of Bankruptcy Procedure and the Local Rules;

E. Particularly in light of the exigent circumstances, the Assets were adequately and sufficiently exposed to the marketplace;

F. The Debtors have demonstrated (a) a good, sufficient and sound business purpose and justification for the Sale, and (b) compelling justification for the Sale pursuant to 11

U.S.C. §§ 105(a), and 363(b) prior to, and outside of, a plan of reorganization in light of the nature of the Assets, the Debtors' financial condition and other exigent circumstances;

G. Other prospective purchasers had ample opportunity to seek relevant information from the Debtors and to enter into discussions or negotiations with the Debtors concerning the Sale;

H. Ryan's bid in the amount of \$ 75,000.00 (Seventy Five Thousand Dollars) (the "Purchase Price") constitutes the highest and best offer for the Assets. The Purchase Price and the other terms of the Sale are fair and reasonable and in the best interest of the estates and the creditors, and the Purchase Price constitutes fair and adequate consideration and reasonably equivalent value for the Assets;

I. The Debtors are the sole and lawful owners of the Assets and subject to this Order and the terms of an asset purchase agreement, the Debtors have the right and authority to convey the Assets to Ryan. Ryan does not seek the assumption and assignment of any executory contracts, hence, no executory contracts are being assumed nor assigned hereunder and the rights of all contract parties are preserved with respect to all executory contracts and all rights that the parties may have under § 365;

J. After extensive proffer and opportunity to cross examine, the Court finds and determines that Ryan is a good faith purchaser pursuant to § 363(m) of the Bankruptcy Code, and is acting in good faith in purchasing the Assets and closing the Sale;

K. Ryan's purchase of the Assets does not constitute a de facto merger or consolidation with any or all of the Debtors; Ryan's operation of the Assets will not constitute a mere continuation of any or all of the Debtors' businesses; and the Sale is not being entered into by Ryan for the purpose of avoiding the Debtors' liabilities;

L. As of the Sale, no common identity of officers, directors, shareholders, members or managers exists among any of the Debtors and Ryan. Ryan is not an "insider" as that term is defined in § 101(31) of the Bankruptcy Code;

M. The Purchase Price was proposed in good faith, from an arm's length bargaining position, without collusion and after extensive negotiations with the Debtors, such that Ryan is entitled to the protections of 11 U.S.C. § 363(m) with respect to the Assets. The Sale is a sale in good faith within the meaning of 11 U.S.C. § 363(m);

N. Ryan has not engaged in collusive bidding and the Purchase Price was not controlled by an agreement among potential bidders as is prohibited under 11 U.S.C. § 363(n);

O. Unless otherwise provided in this Order, the Debtors' Sale of the Assets shall be free and clear of any and all Liens (including but not limited to, security interests, claims, liabilities, equities, exceptions, contracts, options, obligations, charges, rights of third parties (express or implied), restrictions, mortgages, licenses, state, local or payroll taxes and/or interests of any kind, be they asserted or unasserted, known or unknown) pursuant to 11 U.S.C. § 363(f) because one or more of the standards set forth in 11 U.S.C. §§ 363(f)(1)-(5) has been satisfied.

P. The Sale of the Assets is or shall be AS IS, WHERE IS and WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY NATURE except as may be agreed to between the Debtors and Ryan and ultimately contained in writing in an asset purchase agreement executed by the parties;

Q. The transfer of the Assets is or will be a legal, valid and effective transfer and/or assignment of those Assets and will vest Ryan with all rights, title and interest of the Debtors in and to those Assets free and clear of any and all Liens; and

R. The Sale was a duly noticed public sale at open bidding as provided by law under 11 U.S.C. §363 and authorized by this Court pursuant to the Procedures Order.

On the basis of the foregoing FINDINGS, it is ORDERED, ADJUDGED and DECREED that:

1. The Sale Motion is granted subject to the rights of non-debtor parties with respect to § 365.
2. The Debtors' Sale of the Assets is in the best interests of the Debtors' estates.
3. The Sale and all transactions contemplated in the Sale Motion are approved except that no executory contracts are to be assumed nor assigned hereunder and the rights of all parties are reserved with respect to § 365, and the Debtors are authorized and directed to perform their obligations pursuant thereto and to take all necessary actions to effectuate the Sale and the Debtors are authorized and directed to perform their obligations pursuant thereto and to take all necessary actions to effectuate the Sale.
4. Prior to, at closing, and thereafter, the Debtors shall be authorized to execute and deliver any and all documents of transfer and other agreements, including an asset purchase agreement, which are customarily executed and delivered with respect to transactions of this nature.
5. The rights of non-debtor parties to executory contracts are preserved regarding any rights they may have under § 365 of the Bankruptcy Code or otherwise.
6. The Debtors are authorized, empowered and directed, pursuant to 11 U.S.C. §§ 105(a), 363(b), 363(f), and 363(m) of the Bankruptcy Code, to sell and transfer the Assets, including general intangibles, goodwill, trademarks and tradenames to Ryan pursuant to the terms,

conditions and procedures set in the Sale Motion, Procedures Order and herein,² free and clear of any and all Liens (including but not limited to, security interests, claims, liabilities, equities, exceptions, contracts, options, obligations, charges, rights of third parties (express or implied), restrictions, mortgages, licenses, state, local or payroll taxes and/or interests of any kind, be they asserted or unasserted, known or unknown), with any and all such Liens to attach only to the proceeds of the Sale with the same priority, validity, force and effect as they now have in or against the Assets. Notwithstanding the foregoing, this Order is entered without prejudice to the Debtors and any party in interest contesting the validity, extent and priority of any Lien on the proceeds derived from the Sale of the Assets, and without prejudice to the rights of any non-debtor parties to an executory contract.

7. The Sale of the Assets is or shall be AS IS, WHERE IS and WITHOUT ANY REPRESENTATIONS OR WARRANTIES OF ANY NATURE except as may be agreed to between the Debtors and Ryan and ultimately contained in writing in an asset purchase agreement, which is executed by the parties.

8. The Purchase Price shall be payable by cash, locally drawn certified or cashier's check, or wire transfer.

9. The net proceeds ("Net Proceeds") shall be delivered at closing to Abelco Finance, LLC ("Abelco"), subject in all respects to the remaining terms of this Order, including decretal Paragraph 21 below.

10. All parties and/or entities asserting a Lien against the Assets are hereby permanently enjoined and precluded from: (i) pursuing such Lien against the Assets; (ii) asserting,

² In the event of a conflict or inconsistency, the terms of this Order shall control.

commencing or continuing in any manner any action or claim against Ryan (or any of its subsidiaries or its affiliates other than the Debtors) or any director, officer, agent, member, manager, representative or employee of Ryan, or any lender to or investor in the foregoing entities (collectively the "Protected Parties") or against any Protected Parties' assets or properties on account of such Liens; (iii) the enforcement, attachment, collection or recovery by any manner or means, of any judgment, award or decree or order against the Protected Parties or any asset or properties of the Protected Parties on account of such Lien; (iv) creating, perfecting or enforcing any Lien of any kind against the Protected Parties, or any properties or assets of the Protected Parties on account of such Lien; (v) asserting any setoff, right of subrogation or recoupment of any kind against any obligations due to the Protected Parties on account of such Lien; and (vi) taking any action, in any manner, in any place whatsoever, effecting the Assets that otherwise does not conform to or comply with the provisions of this Order, the Sale Motion, or the Procedures Order.

11. All entities who are presently, or on the closing date of the Sale, may be, in possession or control of some or all of the Assets are directed to surrender possession and control over such assets to Ryan, in his capacity as both as purchaser and interim operator, immediately, or in any event prior to the closing date.

12. The Court has approved and the Debtors have closed on certain sales of other operating units and operating subsidiaries. Nothing in this Order is intended to nor shall it be construed as authorizing the sale of any asset or assets which were sold or delivered in any previous sales.

13. Ryan is a good faith purchaser entitled to the full protection afforded under 11 U.S.C. § 363(m), and the Sale approved by this Order shall not be subject to avoidance pursuant to 11 U.S.C. § 363(m) unless stayed pending an appeal. A reversal or modification on appeal shall not

affect the validity of the Sale. Ryan is purchasing in good faith, for fair value within the meaning of § 363(m) of the Bankruptcy Code and is, therefore, entitled to the protection of Section 363(m) of the Bankruptcy Code.

14. Ryan did not engage in collusive bidding or otherwise engage in conduct in violation of 11 U.S.C. 363(n).

15. Ryan's purchase of the Assets does not constitute a de facto merger or consolidation with any or all of the Debtors; Ryan's operation of the Assets will not constitute a mere continuation of any or all of the Debtors' business'; and the Sale is not being entered into by Ryan for the purpose of avoiding the Debtors' liabilities.

16. All of the terms and provisions of the Procedures Order and this Order shall be binding in all respects upon, and shall inure to the benefit of Ryan, the Debtors, the Debtors' estates, and their successors and assigns, including, without limitation, this Order is expressly binding upon any trustee appointed in a Chapter 11 or in chapter 7 if any of the Debtors' cases are converted from Chapter 11, and this Order shall survive the appointment of such a trustee or the conversion of these cases to cases under Chapter 7 of the Bankruptcy Code.

17. The obligations of the Debtors and Ryan hereunder shall not be affected by the confirmation of any plan of reorganization, any discharge received by any of the Debtors, the conversion of any of the Debtors' bankruptcy cases to a case under Chapter 7 of the Bankruptcy Code, or the dismissal of any of the Debtors' bankruptcy cases.

18. Under the exigencies of these cases and in accordance with § 105 of the Bankruptcy Code and Bankruptcy Rule 6004(g), the Court finds that cause exists and directs that the 10 day stay of Bankruptcy Rule 6004(g) shall not apply and that this Order shall be effective and

enforceable immediately upon entry, and the parties are authorized and directed to close the Sale as soon as practicable.

19. The Sale and assignment of the Assets to Buyer shall be exempt from any and all taxes as and to the extent as may be provided in Sec. 1146 of the Bankruptcy Code.

20. Ryan has waived any rights to require that this Order be final and not subject to appeal as a condition to closing the Sale. The parties are ordered to close the Sale as soon as practicable, without regard to the finality of this Order.

21. Notwithstanding the delivery of the Net Proceeds to Abelco as provided in the preceding paragraph and Paragraph 9 above, the Debtors' rights to assert claims under 11 U.S.C. § 506(c) and Abelco's defenses thereto, are expressly reserved and preserved in all respects. In the event that it is determined by this Court or any court of competent jurisdiction that Abelco is liable for a claim made under § 506(c), Abelco has agreed and the Court so Orders, that Abelco's potential liability is not vitiated by its prior receipt of the Net Proceeds and it has waived any argument that its liability is vitiated by its prior receipt of the funds at issue. In addition, Abelco has agreed and the Court so Orders, that in the event that such liability is determined, Abelco will pay the amount forthwith without forcing the Debtors' or the estate to engage in further litigation or collection actions. In addition, Abelco has agreed and the Court so Orders, that Abelco will similarly pay any U.S. Trustee's fees out of its receipt of the Net Proceeds in accordance with this paragraph, again without the necessity of litigation or collection actions, however, the Debtors shall look first to un-encumbered cash and then to Abelco's cash collateral before requiring payment to the U.S. Trustee's fees under the terms of this paragraph.

22. Ryan is directed to preserve all books and records which it acquires in the Sale or otherwise with respect to the Assets. Ryan shall grant the Debtors, the Official Unsecured

Creditors Committee, creditors and parties in interest (including any subsequently appointed trustee in the Debtors' cases) access to such books and records on reasonable terms and upon reasonable notice.

23. The Court reserves jurisdiction to enforce the terms of this Order and, without limitation, Ryan's right to absolute ownership of the Assets.

ORDERED in the Southern District of Florida this 24th day of November, 2003.

ASSET PURCHASE AGREEMENT

Asset Purchase Agreement dated as of December 11, 2003 between BMIT, LLC, a Washington limited liability company ("Buyer"), and FAR & WIDE TRAVEL CORPORATION, a Delaware corporation ("Seller").

BACKGROUND

Seller has filed a voluntary petition for relief under Chapter 11 of the United States Bankruptcy Code (the "Bankruptcy Code") Case No. 03-40417-BKC-RAM which is being jointly administered with the petitions of Seller's parent, Far & Wide Corporation, and certain of Seller's subsidiaries (collectively, the "Bankruptcy Case"), presently pending in the United States Bankruptcy Court for the Southern District of Florida (the "Bankruptcy Court").

Brian Moore International Tours (the "Business Unit") is a business unit of Seller.

On October 23, 2003 Buyer and Seller executed a term sheet for an interim operating agreement of the Business Unit and a term sheet for the acquisition of the Business Unit by Buyer (the "Term Sheet").

By order dated October 3, 2003, the Bankruptcy Court ordered that a bid procedure be implemented regarding sale of the assets of the Business Unit.

Seller has determined that it is in Seller's best interest to sell to Buyer, and Buyer desires to purchase from Seller, pursuant to Sections 363 and 365 of the

EXHIBIT A

Bankruptcy Code, the "Purchased Assets", as defined in this Agreement, on the terms and subject to the conditions set forth in this Agreement.

On November 24, 2003, the Bankruptcy Court entered an order approving the sale of assets of the Business Unit to Buyer (the "Sale Order").

AGREEMENT

The parties agree as follows:

1. Purchase and Sale.

1.1 Purchased Assets. Upon the terms and subject to the conditions set forth in this Agreement, at the "Closing" (as defined in Section 5), Seller shall sell, transfer, convey, assign, and deliver to Buyer, and Buyer shall purchase from Seller, all legal and beneficial interest held by the Seller in the tangible and intangible assets of the Seller used in the operation of the business of the Business Unit set forth on Exhibit 1.1 (collectively the "Purchased Assets") free and clear of any and all liens, encumbrances, security interests, claims, liabilities, equities, exceptions, contracts, options, obligations, charges, rights of third parties (express or implied), restrictions, mortgages, licenses, claims or interests of any kind or nature, including any "interest in property" as that term is used in Section 363 of the Bankruptcy Code ("Liens").

1.2 Excluded Assets. Notwithstanding Section 1.1, there will be excluded from the Purchased Assets and retained by Seller the properties and assets of Seller set forth on Exhibit 1.2 (the "Excluded Assets").

2. Assumption of Contracts/Leases. The Purchased Assets expressly include all of Seller's rights under those contracts and leases of Seller solely with respect to the Business Unit (a) set forth on Exhibit 2 and (b) such additional contracts and leases, if any, which (i) Buyer elects to acquire by notice to Seller through assumption and assignment pursuant to Section 365 at the Bankruptcy Code and (ii) are agreed to by Seller, such agreement not to be unreasonably withheld (collectively (a) and (b), the "Assumed Contracts"). Reasons for which Seller may withhold its agreement to include any contract or lease in the Assumed Contracts pursuant to clause (b) (ii) of the immediately preceding sentence include, without limitation, if (v) such contract or lease relates to any division or operating unit of Seller or its affiliates other than the Business Unit or (w) the inclusion of such contract or lease in the Assumed Contracts would have an adverse effect on the value of other assets of Seller or its affiliates that are not included in the Purchased Assets. Buyer shall be responsible for any cure obligations arising upon assumption and assignment of the Assumed Contracts. Notwithstanding the foregoing, (x) if the amount necessary to cure any default under any contract or lease Buyer elects to assume pursuant to clause (b)(i) above exceeds the amount set forth in Buyer's notice to Seller, then Buyer may rescind its election to assume such contract or lease at any time prior to the entry of a final order of the Bankruptcy Court with respect to the assignment and assumption of such contract or lease, (y) Seller agrees to use its best efforts, without the expenditure of any dollars, to cause the Bankruptcy Court to approve the assignment and assumption of contracts and leases in accordance with

this Section 2, and (z) the failure of the Bankruptcy Court to approve the assignment and assumption of any or all of the Assumed Contracts shall not affect the obligation of the parties to close the remainder of the transactions contemplated by this Agreement in accordance with Section 5.

3. Liabilities.

3.1 Assumption of Liabilities. Upon the terms and subject to conditions of this Agreement, Buyer agrees, effective at the time of Closing, to assume the liabilities listed on Exhibit 3.1 (the "Assumed Liabilities"). The Assumed Liabilities expressly include all of Seller's obligations under those contracts and leases of Seller which are Assumed Contracts.

3.2 Excluded Liabilities. Notwithstanding any provision in this Agreement or any other writing to the contrary, Buyer is assuming only the Assumed Liabilities and is not assuming any liability or obligation of Seller or any affiliate of Seller (or any predecessor owner of all or part of its business and assets) of whatever nature and presently in existence or arising or asserted subsequent to the execution of this Agreement. All such other liabilities and obligations shall be retained by and remain obligations of liabilities of Seller or its affiliates.

4. Purchase Price and Payment.

4.1 Purchase Price. The consideration to be paid by Buyer to Seller for the acquisition of the Purchased Assets by Buyer (the "Purchase Price") shall be (a) \$75,000 (the "Stated Purchase Price").

4.2 Payment of Purchase Price. The Stated Purchase Price shall consist of \$75,000 (the "Cash Consideration"), which shall be paid by Buyer at the Closing in immediately available funds.

5. Closing.

5.1 Time and Place.
