SECURITY INTEREST IN TRADEMARKS

THIS SECURITY INTEREST IN TRADEMARKS ("Security Interest In Trademarks"), dated as of July 19, 2004, is made by ICG Communications, Inc., a Delaware Corporation, ICG Choicccomm L.P., a Delaware limited partnership and ICG Telecom Group, Inc., a Delaware Corporation (each a "Grantor"), in favor of MCCC ICG Holdings LLC, a Delaware limited liability company, as Lender under the Security Agreement described below ("Lender").

WHEREAS, pursuant to that Credit and Guaranty Agreement dated July 19, 2004 entered into by Grantor, Lender and certain other parties (the "Credit Agreement"), certain loans and credit facilities are to be made available to Grantor and certain of its affiliates;

WHEREAS, in connection with the Credit Agreement, Grantor has executed and delivered to Lender a Security and Pledge Agreement of even date herewith (together with all amendments and other modifications, if any, from time to time thereafter made thereto, the "Security Agreement"), pursuant to which the Grantor has granted a security interest in the Collateral (as defined therein) to the Lender;

WHEREAS, as a condition precedent to the making of the loans and the establishment of the credit facilities under the Credit Agreement, and in conjunction with the Security Agreement, Grantor is required to execute and deliver this Security Interest In Trademarks;

WHEREAS, Grantor has duly authorized the execution, delivery and performance of this Security Interest In Trademarks; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, Grantor agrees as follows:

Section 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Security Interest In Trademarks, including its preamble and recitals, have the meanings provided or provided by reference in the Security Agreement or the Credit Agreement (collectively, the "Finance Documents").

Section 2. Grant of Security Interest. As security for the full and timely payment, observance and performance of the obligations pursuant to the Finance Documents, Grantor hereby grants to Lender a continuing security interest in and a right of setoff against, all of Grantor's right, title and interest in the Trademarks (including, without limitation, those items listed on Schedule A hereto).

Section 3. Purpose. This Security Interest In Trademarks has been executed and delivered by Grantor for the purpose of registering with the United States Patent and Trademark Office ("PTO") the grant of a security interest in the Finance Documents. The security interest granted hereby has been granted, pursuant to Section 5 (Further Assurances) and

Section 8 (Intellectual Property) of the Security Agreement, as a supplement and ancillary to, and not in limitation of, the security interest granted to Lender under the Security Agreement with respect to the Intellectual Property Rights. The Security Agreement (and all rights and remedies of Lender thereunder) shall remain in full force and effect in accordance with its respective terms. In the event of any conflict between this Security Interest in Trademarks and the Finance Documents, the Finance Documents shall prevail.

Section 4. Acknowledgment. Grantor does hereby further acknowledge and affirm that the rights and remedies of Lender with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Finance Documents, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

Section 6. Counterparts. This Security Interest In Trademarks may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.
