## ASSIGNMENT OF TRADEMARKS

This trademark assignment is made effective as of December 22, 2003 by Big Idea Productions, Inc., an Illinois corporation, debtor in possession under Case No. 03B35893 in the United States Bankruptcy Court for the Northern District of Illinois (“Assignor”), to Big Idea, Inc., a New York corporation (“Assignee”).

WHEREAS, Assignor entered into that certain Asset Purchase Agreement, dated August 28, 2003, with Classic Media, LLC (“APA”) for the acquisition of Assignor’s business;

WHEREAS, Classic Media, LLC assigned its rights and obligations under the APA to Assignee such that Assignee is now acquiring Assignor’s business and this Assignment is being executed in connection therewith; and

WHEREAS, Assignor is desirous of assigning to Assignee all of its right, title and interest throughout the world in, to and under all of the trademarks identified in the attached Schedule A (collectively referred to as the “Marks”),

WHEREAS, Assignee desires to acquire the entire interest of the Assignor in the Marks, and

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are acknowledged, the parties hereto enter into this agreement as follows:

1. Assignment of Rights. Assignor assigns to Assignee, free and clear of all liens, claims, encumbrances and other interests, upon and subject to the terms and conditions of the APA and under an order of the U.S. Bankruptcy Court pursuant to Bankruptcy Code Section 363, all right, title and interest in and to the Marks, including without limitation all goodwill associated therewith or symbolized thereby, all common law rights thereto, all registrations that have been or may be granted thereon, all applications for registration thereof, all records and files relating thereto, together with the right to sue and recover damages and bring other actions for future or past infringements thereof and for other causes of action relating thereto and to fully and entirely stand in the place of the Assignor in all matters related thereto.

2. General Provisions.

(a) Assignor represents and warrants to Assignee that it has not made any other assignment or pledge of the Marks or of any rights therein.

(b) In the event that any provision of this Assignment shall be construed to conflict with a provision of the Purchase Agreement, the provision in the Purchase Agreement shall be deemed controlling.

(c) This Assignment shall be construed and enforced in accordance with the laws (other than the conflict of law rules) of the State of New York.

(d) The failure of either party to enforce any terms or provisions of this Assignment will not waive any rights under such terms and provisions.

(e) This Assignment shall bind and shall insure to the benefit of the respective parties and their assigns, transferees and successors.

3. Further Assurances.

At any time and from time to time after the Closing, at the request of the Assignee, and without further consideration, the Assignor will execute and deliver such other instruments of transfer, and provide testimony by affidavit or other appropriate means, and take such other action as the Assignee may reasonably request to transfer to the Assignee (or its designee), and to confirm the Assignee's (or its designee's, as the case may be) title to or interest in, the Marks, and consummate the other transactions contemplated hereby, at Assignor's expense. Without limiting the generality of the foregoing, if after the Closing any third party shall be found to possess any Marks of which the Assignee is entitled to ownership or possession by virtue of the transactions contemplated by this Agreement, the Assignor shall take all commercially reasonable steps to cause such Marks to be conveyed to the Assignee or its designees, at Assignor's expense.
