1.5 "Patents" shall mean all patent rights and all right, title, and interest in all letters patent or equivalent rights and applications, including provisional applications, for letters patent

or rights, industrial and utility models, industrial designs, certificates of invention, and other government issued or granted indicia of invention ownership, including any reissue, extension, division, continuation, or continuation-in-part applications throughout the world and comprising part of the Required Assets.

1.6 "Trademarks" shall mean all right, title, and interest in all trademark, service mark, trade name, and trade dress rights arising under the common law, state law, federal law, and laws of foreign countries, and all right, title, and interest in all trademark, service mark, trade name, and trade dress applications and registrations interests throughout the world and comprising part of the Required Assets.

5. General.

5.1 Amendments and Waivers. Any term of this Agreement may be amended or waived with the written consent of the parties or their respective successors and assigns. Any amendment or waiver effected in accordance with this Section 5.1 shall be binding upon the parties and their respective successors and assigns.

5.2 Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and each of their respective successors and assigns.

5.3 Choice of Law. This Agreement shall be construed, interpreted and the rights of the parties determined in accordance with the laws of the State of California, without giving effect to any choice of law provision or rule that would cause the application of the laws of any jurisdiction other than the State of California.

5.4 Consent to Jurisdiction. Each party to this agreement irrevocably consents and agrees that any legal action, suit or proceeding against it with respect to its obligations or liabilities under or arising out of or in connection with this agreement shall be brought only in the united states district court for the Southern District of California or, in the event (but only in the event) such court does not have subject matter jurisdiction over such action, suit or proceeding, in the courts of the State of California sitting in the County of Los Angeles, and each party hereby (i) irrevocably accepts and submits to the jurisdiction of each of the aforesaid courts in personam, (ii) irrevocably and unconditionally waives any objection to the laying of venue in either of the aforesaid courts, and (iii) irrevocably and unconditionally waives and agrees not to plead or claim that either of the aforesaid courts is an inconvenient forum with respect to any such action, suit or proceeding (including claims for interim relief, counterclaims, actions with multiple defendants and actions in which such party is implied).

5.5 Waiver of Jury Trial. Consistent with the intention of Section 5.4, each signatory to this Agreement hereby waives its respective right to a jury trial of any permitted claim or cause of action arising out of this Agreement, any of the transactions contemplated hereby, or any dealings between any of the signatories hereto relating to the subject matter of this Agreement or any of the transactions contemplated hereby. The scope of this waiver is intended to be all encompassing of any and all disputes that may be filed in any court and that relate to the subject matter of this agreement or any of the transactions contemplated hereby, including, without limitation, contract claims, tort claims, and all other common law and statutory claims. This waiver is irrevocable, meaning that it may not be modified either orally or in writing, and this waiver shall apply to any subsequent amendments, supplements or other modifications to this agreement, any of the transactions contemplated hereby or to any other document or agreement relating to the transactions contemplated hereby.

5.6 Counterparts. This Agreement may be executed in two or more counterparts, each of which shall be deemed an original and all of which together shall constitute one instrument.

5.7 Titles and Subtitles. The titles and subtitles used in this Agreement are used for convenience only and are not to be considered in construing or interpreting this Agreement.

5.8 Notices. Unless otherwise provided herein, any notice, request, instruction or other document to be given hereunder by any party to the other shall be in writing and delivered in person or by courier, sent by electronic mail, by facsimile transmission, sent via overnight delivery service or mailed by registered or certified mail (such notice to be effective upon receipt), as follows:

In the event that the parties cannot reach a mutually agreeable and enforceable replacement for such provision, then (i) such provision shall be excluded from this Agreement, (ii) the balance of the Agreement shall be interpreted as if such provision were so excluded and (iii) the balance of the Agreement shall be enforceable in accordance with its terms.
