3.3 Secured Party may at any time, upon the occurrence and during the continuation of any Event of Default, with prior written notice to such Grantor of its intention to do so, notify any Account Debtors of any Grantor or any parties to the Licenses of any Grantor that the Accounts and the right, title and interest of such Grantor in and under such Licenses have been assigned to Secured Party and that payments shall be made directly to Secured Party. 4.2 No effective security agreement, financing statement, equivalent security or lien instrument or continuation statement covering all or any part of the Collateral exists (except those with respect to Permitted Encumbrances). Each Grantor has made no previous assignment, transfer or agreements in conflict herewith or constituting a present or future assignment, transfer or encumbrance on any of the Collateral (except for the Credit Agreement).

4.3 This Security Agreement creates a legal and valid security interest on and in all of the Collateral in which any Grantor now has rights. Upon the filing of appropriate financing statements and the filing of a copy of this Security Agreement with the United States Copyright Office, Secured Party will have a fully perfected first priority security interest (subject to Permitted Encumbrances) in all of the Collateral in which any Grantor now has rights in the United States. This Security Agreement will create a legal and valid and fully perfected first priority security interest in the Collateral in which any Grantor later acquires rights, when any Grantor acquires those rights and additional filings to be made with the United States Copyright Office, Patent and Trademark Office and/or other offices as are necessary to perfect Secured Party's security interest in subsequent ownership rights and interests of such Grantor in the Collateral.

4.4 So long as any Secured Obligations remain outstanding (other than Contingent Reimbursement Obligations), the commitment of the Lender to extend credit has not been terminated or any Loan remains outstanding, each Grantor will not execute, and there will not be on file in any public office, any effective financing statement or other document or instrument

covering the Collateral (except those with respect to Permitted Encumbrances).

4.5 On the date hereof, each Grantor's chief executive office, principal place of business and the place where such Grantor maintains its records concerning the Collateral are located at the address set forth on the signature page hereof on the date hereof, and such Grantor's corporate name, type of organization, jurisdiction of organization, and corporate identification number set forth on the signature page hereof on the date hereof are all true and correct.

4.6 Each Grantor has the full right and power to grant the security interest in the Collateral made hereby.

4.7 All information furnished to the Secured Party concerning the Collateral and proceeds thereof, for the purpose of inducing Secured Party to enter into the Guaranty Agreement and the transaction contemplated thereby, is or will be at the time the information is furnished, accurate and correct in all material respects.

4.8 To the best of each Grantor's knowledge and belief following diligent inquiry, no infringement, breach or unauthorized use presently is being made of any of the Collateral which has or may reasonably be expected to have, alone or in the aggregate, an adverse effect on the value or enforceability of, or any rights of any Grantor or the Secured Party in, any material Collateral. Each Grantor has advised the Secured Party of the existence of all material contractual restrictions on the use of the Collateral.

4.9 To the best of each Grantor's knowledge and belief following diligent inquiry, (i) there are no obligations to, covenants to or restrictions from third parties affecting such Grantor's use, disclosure, enforcement, transfer or licensing of the Collateral (other than this Security Agreement, the General Security Agreement, the Credit Agreement, the Patent Collateral Assignment and Security Agreement dated as of the date hereof by and between Wise and Agent, the Copyright Collateral Assignment and Security Agreement dated as of the date hereof by and between Wise Investments and Agent, the Trademark Collateral Assignment and Security Agreement dated as of the date hereof by and between Wise Investments and Agent, and the Licenses); (ii) all Collateral that is owned by any Grantor is valid and enforceable; (iii) each Grantor has the right to use all Collateral that is necessary for the operation of such Grantor's business as presently conducted and as proposed by such Grantor to be conducted; (iv) the Grantors have taken all actions necessary to maintain and protect all Collateral and no loss of such Collateral is pending, reasonably foreseeable or threatened; (v) there has been no claim made or threatened by or against any Grantor asserting the invalidity, misuse or unenforceability of any item of Collateral or challenging any Grantor's right to use or ownership of any item of Collateral, and there are no grounds for any such claim or challenge; (vi) there is not and has not been any actual or threatened infringement, misappropriation, breach or other violation of any Collateral, and there are no facts raising a likelihood of infringement, misappropriation, breach or other violation; (vii) except for the grant of a security interest to the Secured Party under this Security Agreement and the grant of a security interest to Lender under the Credit Agreement, the consummation of the transactions contemplated by this Security Agreement, the Reimbursement Agreement and the Credit Agreement will not alter, impair or extinguish any rights of any Grantor in the Collateral; (viii) no Grantor has infringed, misappropriated or

otherwise violated, and no Grantor infringes, misappropriates, or otherwise violates, any intellectual property or proprietary right of any other person or entity; and (ix) there has been no claim made or, to the Grantors' knowledge, threatened against any Grantor alleging infringement, misappropriation or other violation of intellectual property.

5. COVENANTS. Each Grantor covenants and agrees with Secured Party that from and after the date of this Security Agreement and until the Secured Obligations (other than Contingent Reimbursement Obligations) have been performed and paid in full:

5.1 **Disposition of Collateral.** No Grantor shall sell, lease, assign, transfer or otherwise dispose of any of the Collateral, or contract to do so (except for the sale of the Trademarks set forth in Schedule F). No Grantor shall, without the Secured Party's prior written consent, enter into any agreement or amend, alter or modify any existing agreement, including, without limitation, any license, related to any or all of the Collateral. Each Grantor also agrees to maintain the quality of any and all merchandise and/or services in connection with which the Trademarks are used, substantially consistent with or better than the quality of said merchandise and/or services as of the date hereof.

5.2 **Relocation of Business or Collateral.** No Grantor shall relocate its chief executive office, principal place of business or its records from such address(es) provided to Secured Party pursuant to Section 4(d) above without prior written notice to Secured Party.

5.3 **Limitation on Liens on Collateral.** No Grantor shall, directly or indirectly, create, permit or suffer to exist, and shall defend the Collateral against and take such other action as is necessary to remove, any Lien on the Collateral (other than Permitted Encumbrances).

5.4 **Maintenance of Records.** Each Grantor shall keep and maintain at its own cost and expense records of the Collateral that are complete in all material respects.

5.5 **Registration and Maintenance of Intellectual Property Rights.** Except as would not have an adverse effect on the value or enforceability of, or any rights of any Grantor or the Secured Party in, any material Collateral, each Grantor shall (i) use commercially reasonable efforts to prosecute any Patent, Trademark or Copyright pending as of the date hereof or thereafter, (ii) promptly make applications for, register or cause to be registered (to the extent not already registered and consistent with good faith business judgment) any Copyright, Copyright License, any Patent, Patent License, any Trademark or Trademark License, which is (a) set forth in Schedule A or Schedule B or (b) is individually or in the aggregate, material to the conduct of any Grantor's business, with the United States Copyright Office or Patent and Trademark Office, as applicable, including, without limitation, in all such cases the filing and payment of maintenance, registration and/or renewal fees, the filing of applications for renewal, affidavits of use, affidavits of noncontestability, the filing and diligent prosecution of opposition, interference and cancellation proceedings, and promptly responding to all United States Copyright Office or Patent and Trademark Office requests and inquiries. Except as would not have an adverse effect on the value or enforceability of, or any rights of any Grantor or the Secured Party in, any material Collateral, each Grantor also agrees to preserve and maintain all rights in the Collateral (except for the Trademarks set forth in Schedule F). Any expenses incurred in connection with

prosecution, registration and maintenance shall be borne by the Grantors. Each Grantor further agrees to retain experienced patent, trademark and copyright attorneys for the filing and prosecution of all such applications and other proceedings when and if applicable. Except as would not have an adverse effect on the value or enforceability of, or any rights of any Grantor or the Secured Party in, any material Collateral, no Grantor shall, without Secured Party's prior written consent, abandon any rights in or fail to pay any maintenance or renewal fee for any Patent, Trademark or Copyright listed in Schedule A or breach, terminate, fail to renew or extend, or fail to perform any duties or obligations for any License listed in Schedule B. Each Grantor further agrees that it will not take any action, or permit any action to be taken by any Person to the extent that such Person is subject to its control, including licensees, or fail to take any action, which would affect the validity, priority, perfection or enforcement of the rights granted to the Secured Party under this Security Agreement, and any such action if it shall take place shall be null and void and of no effect whatsoever. If any Grantor fails to comply with any of the foregoing provisions of Section 5.5, the Secured Party shall have the right (but shall not be obligated) to do so on behalf of such Grantor to the extent permitted by law, but at Grantors' expense, and each Grantor hereby agrees, jointly and severally, to reimburse the Secured Party in full for all expenses, including the fees and disbursements of counsel incurred by the Secured Party in procuring, protecting, defending and maintaining the Collateral. In the event that any Grantor shall fail to pay when due any fees required to be paid by it hereunder, or shall fail to comply with any other duty under this Security Agreement, the Secured Party may, but shall not be required to, pay, satisfy, discharge or bond the same for the account of such Grantor, and all monies so paid out shall be Secured Obligations of Grantors repayable on demand, together with interest at the rate applicable to the Loan.

5.6 Notification Regarding Changes in Intellectual Property. Each Grantor shall promptly advise Secured Party of any right, title or interest of such Grantor obtained after the date hereof in or to any material Copyright, Patent, Trademark or License not specified on Schedule A hereto, the provisions of Section 2 above shall automatically apply thereto, and each Grantor hereby authorizes and appoints Secured Party as such Grantor's attorney-in-fact solely to the extent necessary to modify or amend such Schedule, as necessary, to reflect any addition or deletion to such ownership rights, and pursuant to Schedule D, to make any additional filings. Each Grantor hereby authorizes the Secured Party to modify this Security Agreement by amending Schedules A and B to include any future Copyrights, Patents, Trademarks or Licenses that are Collateral under Section 2 above. Secured Party will make good faith efforts to provide copies of such amended Schedules A and B to Grantors, provided that, Secured Party's failure to provide such copies shall not constitute a breach of this Agreement nor render such amendments ineffective. In addition to any requirements in this Security Agreement for notification, each Grantor shall also provide the Secured Party with quarterly reports that identify the status of the Collateral, any new Copyrights, Patents, Trademarks and/or Licenses, any newly filed applications, the status of any pending applications, the payment of any maintenance or renewal fees, the status of Litigation and licensing, any threats of Litigation, the identification of any known or suspected infringers and the discovery of any prior art or any other information that may affect the validity or enforceability of the Collateral.

5.7 Defense of Intellectual Property. Each Grantor shall (i) protect, defend and maintain the validity and enforceability of all material current and future Copyrights, Patents and

Trademarks, (ii) use its commercially reasonable efforts to detect material infringements of such Copyrights, Patents and Trademarks and promptly advise Secured Party in writing of material infringements detected and (iii) not allow any material Copyrights, Patents or Trademarks to be abandoned, forfeited or dedicated to the public. Grantors shall not commence, or cause to be commenced, any action, proceeding, lawsuit, mediation or arbitration relating to the Collateral without the prior written consent of the Secured Party, such consent not to be unreasonably withheld, nor shall any Grantor engage in any activity or conduct that could give rise to declaratory judgment jurisdiction. At Grantors' sole expense, Secured Party shall have the right (but shall not be obligated) to select counsel and/or participate in any action, proceeding, lawsuit, mediation or arbitration that could affect the rights in, validity or enforceability of the Collateral. In addition, any proposed settlement or compromise of any action, proceeding, lawsuit, mediation or arbitration that could affect value, validity or enforceability of, or any rights of any Grantor or the Secured Party in, the Collateral must be approved, in writing, by the Secured Party.

5.8 Further Assurances; Pledge of Instruments. At any time and from time to time, upon the written reasonable request of Secured Party, and at the sole expense of Grantors, each Grantor shall promptly and duly execute and deliver any and all such further instruments and documents (including, without limitation, control agreements) and take such further action as Secured Party may reasonably deem necessary or desirable to obtain the full benefits of this Security Agreement, including, without limitation, facilitating the filing of UCC-1 Financing Statements in all applicable jurisdictions and this Security Agreement (and any amendment hereto) or any other document that the Secured Party may reasonably deem necessary, including, without limitation, any filing described in Schedule D or any other collateral assignment, (and any amendments thereto) with the United States Copyright Office, Patent and Trademark Office and/or the state or foreign equivalents of these offices, as applicable.

5.9 Right of Inspection and Audit. Upon reasonable notice to each Grantor (unless an Event of Default has occurred and is continuing, in which case no notice is necessary), Secured Party shall at all times have full and free access during normal business hours (or during an Event of Default at any time) to all the books, records, correspondence, office, facilities and operations of the Grantors, including, without limitation, Grantors' quality control processes, and Secured Party or any agents or representatives of Secured Party may examine the same, take extracts therefrom and make photocopies thereof, and each Grantor agrees to render to Secured Party, at Grantors' cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto, provided, however, that (unless an Event of Default has occurred and is continuing) (a) Grantor shall have the right to be present during Secured Party's examination and (b) such examination shall not unreasonably interfere with the conduct of Grantor's business.

5.10 Continuous Perfection. No Grantor shall change its name, identity, corporate structure, jurisdiction of organization or corporation identification number in any manner which might make any financing or continuation statement filed in connection herewith seriously misleading within the meaning of Section 9-506 of the UCC (or any other then applicable provision of the UCC) unless such Grantor gives Secured Party thirty (30) days prior written notice thereof and takes all action necessary or reasonably requested by Secured Party to amend

such financing statement or continuation statement so that it is not seriously misleading.

5.11 Power of Attorney. Effective only upon the occurrence and during the continuation of an Event of Default, each Grantor hereby irrevocably appoints Secured Party (and any of Secured Party's designated officers or employees) as such Grantor's true and lawful attorney to in accordance with the terms hereof: (a) send requests for verification of Accounts and Licenses or notify account debtors or licensees of Secured Party's security interest in the Accounts and Licenses; (b) endorse such Grantor's name on any checks or other forms of payment or security that may come into Secured Party's possession in connection with the Collateral; (c) sign such Grantor's name on any invoice or bill of lading relating to any Account, drafts against account debtors, schedules and assignments of Accounts and Licenses, verifications of Accounts and Licenses, and notices to account debtors and licensees, (d) make, settle and adjust all claims under and decisions with respect to such Grantor's policies of insurance relating to the Collateral; (e) settle and adjust disputes and claims respecting the Accounts and Licenses directly with account debtors and licensees, for amounts and upon terms which Secured Party determines to be reasonable; (f) modify, in its sole discretion, any intellectual property security agreement entered into between such Grantor and Secured Party without first obtaining such Grantor's approval of or signature to such modification by amending reference to any right, title or interest in any Copyright, Patent, Trademark or License, acquired by any Grantor after the execution hereof or to delete any reference to any right, title or interest in any Copyright, Patent, Trademark or License, in which any Grantor no longer has or claims any right, title or interest; (g) file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral without the signature of such Grantor where permitted by law; (h) endorse such Grantor's name on all applications, documents, papers and instruments necessary or desirable for the Secured Party in the use of the Collateral, (i) take any other actions with respect to the Collateral as the Secured Party deems in the best interest of the Secured Party (consistent with any enforceable restrictions in Licenses to any Grantor); (j) grant or issue any exclusive or non-exclusive license under the Collateral to anyone (consistent with any enforceable restrictions in Licenses to any Grantor) or (k) assign, pledge, convey or transfer title in or dispose of the Collateral to anyone, including the Secured Party or a third party to the extent permitted under the UCC, free and clear of any encumbrance upon title thereof (other than any encumbrance created by this Security Agreement and consistent with any enforceable restrictions in Licenses to any Grantor). The appointment of Secured Party as each Grantor's attorney in fact, and each and every one of Secured Party's rights and powers, being coupled with an interest, is irrevocable until all of the Secured Obligations have been fully repaid and performed and Secured Party's obligation to provide advances hereunder is terminated. Each Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue of this Security Agreement.

6. RIGHTS AND REMEDIES UPON DEFAULT.

6.1 If any Event of Default shall occur and be continuing, Secured Party may exercise in addition to all other rights and remedies granted to it under this Security Agreement and under any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, each Grantor expressly agrees that in any such event, and during the existence and

continuation of an Event of Default, Secured Party, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon any Grantor or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the UCC and other applicable law), may forthwith collect, receive, appropriate and realize upon the Collateral, or any part thereof, and may forthwith sell, lease, license, assign, give an option or options to purchase or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof (consistent with any enforceable restrictions in Licenses to any Grantor), in one or more parcels at public or private sale or sales, at any exchange or broker's board or at any of Secured Party's offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Secured Party shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption, which equity of redemption each Grantor hereby releases. Secured Party shall apply the net proceeds of any such collection, recovery, receipt, appropriation, realization or sale as provided in Section 6.4 hereof, each Grantor remaining liable for any deficiency remaining unpaid after such application, and to the extent required by the UCC, only after so paying over such net proceeds and after the payment by Secured Party of any other amount required by any provision of law, need Secured Party account for the surplus, if any, to the Grantors. To the maximum extent permitted by applicable law, each Grantor waives all claims, damages, and demands against Secured Party arising out of the repossession, retention or sale of the Collateral except such as arise out of the gross negligence or willful misconduct of Secured Party. Each Grantor agrees that Secured Party need not give more than ten (10) days' notice (which notification shall be deemed given when mailed or delivered on an overnight basis, postage prepaid, addressed to each Grantor at its address set forth on the signature page hereof) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. The Grantors shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Secured Party is entitled, the Grantors also being liable for the reasonable fees of any attorneys employed by Secured Party to collect such deficiency.

6.2 Each Grantor also agrees, jointly and severally, to pay all fees, costs and expenses of Secured Party, including, without limitation, reasonable attorneys' fees, reasonably incurred in connection with the enforcement of any of its rights and remedies hereunder.

6.3 Each Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

6.4 The Proceeds of any sale, disposition or other realization upon all or any part of the Collateral shall be distributed by Secured Party in the following order of priorities:

FIRST, to Secured Party in an amount sufficient to pay in full the reasonable costs of Secured Party in connection with such sale, disposition or other realization, including all fees, costs, expenses, liabilities and advances reasonably incurred or made by Secured Party in connection therewith, including, without limitation, reasonable attorneys' fees;

SECOND, to Secured Party in an amount equal to the then unpaid Secured Obligations (other than Contingent Reimbursement Obligations); and

FINALLY, upon payment in full of the Secured Obligations (other than Contingent Reimbursement Obligations), to the Grantors or their representatives, in accordance with the UCC or as a court of competent jurisdiction may direct.

7. SECURED PARTY'S RIGHT TO SUE. From and after the occurrence and during continuation of an Event of Default, the Secured Party shall have a right, but shall in no way be obligated, to bring suit for past, present and future damages in its own name and for its own benefit to enforce the Copyrights, Patents, Trademarks and Licenses, and if the Secured Party commence any such suit, each Grantor shall, at the request of the Secured Party, use commercially reasonable efforts to do any and all lawful acts and execute any and all proper documents required by the Secured Party in aid of such enforcement.

8. RESERVED.

9. LIMITATION ON SECURED PARTY'S DUTY IN RESPECT OF COLLATERAL. Secured Party shall deal with the Collateral in the same manner as it deals with similar property for its own account. Secured Party shall be deemed to have acted reasonably in the custody, preservation and disposition of any of the Collateral if it takes such action as any Grantor requests in writing, but failure of Secured Party to comply with any such request shall not in itself be deemed a failure to act reasonably and no failure of Secured Party to do any act not so requested shall be deemed a failure to act reasonably.

10. RESERVED.

11. MISCELLANEOUS.

11.1 **No Waiver; Cumulative Remedies.**

11.1.1 Secured Party shall not by any act, delay, omission or otherwise be deemed to have waived any of its respective rights or remedies hereunder, nor shall any single or partial exercise of any right or remedy hereunder on any one occasion preclude the further exercise thereof or the exercise of any other right or remedy.

11.1.2 The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently and are not exclusive of any rights and remedies provided by law. Each Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of the Secured Party but rather is intended to facilitate the exercise of such rights and remedies. The Secured Party shall have, in addition to all other rights and remedies given it by the terms of the Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the UCC. Recourse to security will not be required at any time.

11.1.3 None of the terms or provisions of this Security Agreement may be waived, altered, modified or amended except by an instrument in writing, duly executed by each Grantor and Secured Party.

11.2 Releases.

11.2.1 This Security Agreement is made for collateral purposes only. Subject to Section 11.2.2 below, at such time as the Secured Obligations (other than Contingent Reimbursement Obligations) shall have been paid and performed in full and the Secured Party has no further obligations under or with respect to the Guaranty Agreement, the Letter of Credit or Section 6(b)(ii) of the Letter of Credit Reimbursement Agreement (other than Contingent Reimbursement Obligations), the Collateral shall be automatically released from the Liens created hereby, and this Security Agreement and all obligations of Secured Party and the Grantors hereunder shall automatically terminate, all without delivery of any instrument or performance of any act by any party, and all rights to the Collateral shall revert to Grantors. At the request and sole expense of any Grantor following any such termination Secured Party shall deliver to Grantors all termination statements, releases or other instruments as may be necessary or proper to revest in the Grantors (without recourse to or warranty by the Secured Party, except for encumbrances created by the Secured Party, provided that no such recourse or warranty shall apply to any Collateral sold or otherwise disposed of by the Secured Party pursuant to this Security Agreement) full title to the Collateral granted in this Security Agreement, subject to any acceptance or disposition of Collateral which may have been made by the Secured Party pursuant to this Security Agreement.

11.2.2 This Security Agreement and the security interests granted herein shall remain in full force and effect and continue to be effective if at any time payment and performance of the Secured Obligations, or any part thereof, is, pursuant to applicable law, avoided, rescinded or reduced in amount, or must otherwise be restored or returned by any obligee of the Secured Obligations, whether as a "voidable preference," "fraudulent conveyance" or otherwise, all as though such payment or performance had not been made. In the event that any payment, or any part thereof, is avoided, rescinded, reduced, restored or returned, the Secured Obligations and the security interests granted herein shall be reinstated and the Secured Obligations shall be deemed reduced only by such amount paid and not so avoided, rescinded, reduced, restored or returned. The provisions of this Section 11.2.2 shall survive repayment of all of the Secured Obligations, and the termination of this Security Agreement in any manner.

11.3 **Successor and Assigns.** This Security Agreement and all obligations of each Grantor hereunder shall be binding upon the successors and permitted assigns of such Grantor, and shall, together with the rights and remedies of Secured Party hereunder, inure to the benefit of Secured Party, any future holder of any of the Secured Obligations and their respective successors and assigns. The Secured Party may, without cost or expense to any Grantor, assign all or any part of, or any interest (undivided or divided) in, the Secured Party's rights and benefits under this Security Agreement including, without limitation, the right, title or interest in and to the Collateral. To the extent of any assignment by the Secured Party, the assignee shall have the same rights and benefits against each Grantor hereunder as it would have had if such assignee were the Secured Party. No Grantor may assign this Security Agreement without the

prior written consent of the Secured Party, which consent may be granted or withheld at the sole discretion of the Secured Party. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Secured Obligations or any portion thereof or interest therein shall in any manner affect the Lien granted to Secured Party hereunder.

11.4 Notices. All notifications and other communications permitted or required under this Agreement shall be in writing. Notices shall be effective upon delivery if delivered to the party entitled to receive the same by hand, or five days after deposit if deposited in the United States Mail (Certified Mail, Postage Prepaid, Return Receipt Requested), or one Business Day after deposit with a nationally recognized overnight courier, specifying next day delivery with written verification of receipt, addressed to such party at the address set forth on the signature page hereof.

11.5 Counterparts. This Security Agreement may be executed in any number of separate counterparts, each of which, when so executed, shall be deemed an original, and all of said counterparts taken together shall be deemed to constitute but one and the same instrument.

11.6 Severability. If any provision of this Security Agreement is held to be unenforceable under applicable law for any reason, it shall be adjusted, if possible, rather than voided in order to achieve the intent of the parties to the extent possible. In any event, all other provisions of this Security Agreement shall be deemed valid and enforceable to the fullest extent possible under applicable law.

11.7 Governing Law. IN ALL RESPECTS, INCLUDING ALL MATTERS OF CONSTRUCTION, VALIDITY AND PERFORMANCE, THIS SECURITY AGREEMENT AND THE SECURED OBLIGATIONS ARISING HEREUNDER SHALL BE GOVERNED BY, AND CONSTRUED AND ENFORCED IN ACCORDANCE WITH, THE LAWS OF THE STATE OF NORTH CAROLINA APPLICABLE TO CONTRACTS MADE AND PERFORMED IN SUCH STATE EXCEPT TO THE EXTENT THAT PERFECTION OR THE EFFECT OF PERFECTION OF ANY SECURITY INTEREST IN THE COLLATERAL MAY BE GOVERNED BY THE LAWS OF ANY OTHER JURISDICTION.

11.8 Consent to Jurisdiction and Service of Process; Waiver of Jury Trial. ALL JUDICIAL PROCEEDINGS BROUGHT AGAINST EACH PARTY HERETO WITH RESPECT TO THIS SECURITY AGREEMENT MAY BE BROUGHT IN ANY STATE OR FEDERAL COURT OF COMPETENT JURISDICTION SITTING IN MECKLENBURG COUNTY, NORTH CAROLINA, AND BY EXECUTION AND DELIVERY OF THIS SECURITY AGREEMENT, EACH PARTY HERETO ACCEPTS, FOR ITSELF AND IN CONNECTION WITH ITS PROPERTIES, GENERALLY AND UNCONDITIONALLY, THE NONEXCLUSIVE JURISDICTION OF THE AFORESAID COURTS, AND IRREVOCABLY AGREES TO BE BOUND BY ANY FINAL JUDGMENT RENDERED THEREBY IN CONNECTION WITH THIS SECURITY AGREEMENT FROM WHICH NO APPEAL HAS BEEN TAKEN OR IS AVAILABLE. EACH PARTY HERETO IRREVOCABLY CONSENTS TO THE SERVICE OF PROCESS OF ANY OF THE AFOREMENTIONED COURTS IN ANY SUCH ACTION OR PROCEEDING BY THE MAILING OF COPIES THEREOF BY

REGISTERED OR CERTIFIED MAIL, POSTAGE PREPAID, TO ITS NOTICE ADDRESS, SUCH SERVICE TO BECOME EFFECTIVE TEN (10) DAYS AFTER SUCH MAILING. EACH OF PARTIES HERETO IRREVOCABLY WAIVES (I) TRIAL BY JURY IN ANY ACTION OR PROCEEDING WITH RESPECT TO THIS SECURITY AGREEMENT AND (II) ANY OBJECTION (INCLUDING, WITHOUT LIMITATION, ANY OBJECTION OF THE LAYING OF VENUE OR BASED ON THE GROUNDS OF FORUM NON CONVENIENS) WHICH IT MAY NOW OR HEREAFTER HAVE TO THE BRINGING OF ANY SUCH ACTION OR PROCEEDING WITH RESPECT TO THIS SECURITY AGREEMENT IN ANY JURISDICTION SET FORTH ABOVE. NOTHING HEREIN SHALL AFFECT THE RIGHT TO SERVE PROCESS IN ANY OTHER MANNER PERMITTED BY LAW OR SHALL LIMIT THE RIGHT OF THE SECURED PARTY TO BRING PROCEEDINGS AGAINST ANY GRANTOR IN THE COURTS OF ANY OTHER JURISDICTION.

11.9 Advice of Counsel. Each Grantor represents to the Secured Party that such Grantor's attorneys have reviewed this Security Agreement and that it has discussed this Security Agreement with its attorneys.

11.10 Section and Heading Titles. The section and heading titles are for convenience and reference only and shall not affect in any way the interpretation of any of the provisions of this Security Agreement.

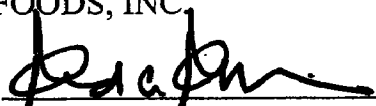

11.11 No Inconsistent Requirements. This Security Agreement, the General Security Agreement and the Related Documents may use or require several different limitations, requirements, covenants, representations, warranties, tests or measurements ("Limitations") to regulate the same or similar matters. All such Limitations, are cumulative and shall each be performed, observed or complied with in accordance with their terms.

11.12 This Security Agreement is subject to an Intercreditor and Subordination Agreement among Secured Party, the Agent and the Grantors, and any successor or assignee of any party hereto shall be bound by such Intercreditor and Subordination Agreement.

This Assignment Agreement (this "Assignment") is made this ___ day of _____, 200__, by and between [NAME], a [TYPE OF ENTITY] ("Assignor") and [NAME], a [TYPE OF ENTITY] ("Assignee") for good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged.

Assignor hereby assigns, grants and delivers (and hereby further agrees to assign, grant and deliver) exclusively unto Assignee all rights, titles and interests of every kind and nature whatsoever in and to the [DESCRIBE COPYRIGHTED MATERIAL], Copyright Registration Nos. _____, copies of which are attached hereto as Annex 1 and incorporated herein by reference, and all copies, versions, and derivatives thereof, (collectively, the "Works"), including all copyrights therein and thereto, all licenses to or for the Works, all renewals thereof, and all copyright registrations therefor. 2. FORM OF CONDITIONAL ASSIGNMENT OF PATENTS

CONDITIONAL ASSIGNMENT OF PATENTS

THIS CONDITIONAL ASSIGNMENT is made this ____ day of _____, 200__, by and between IPIFS GUARANTEE CORP., a Delaware corporation having its principal offices at 2221 Edge Lake Drive, Suite 100, Charlotte, North Carolina 28217 ("Assignee"), and _____, a _____ corporation having its principal offices at _____ ("Assignor").

WITNESSETH:

WHEREAS, Assignor is the sole owner of all right, title and interest in and to or the licensee of the patents, patent applications and inventions identified on attached Annex 1, which is incorporated by reference, and all corresponding patents and patent applications in all jurisdictions worldwide, and divisions, continuations, continuations-in-part, reissues, reexaminations, renewals or extensions thereof, any patent issuing thereon, and all licenses to or for such patents (collectively, the "Patents");

WHEREAS, simultaneously with the execution of this Conditional Assignment Assignor received a loan from _____ ("Lender") pursuant to a Credit Agreement between the Assignor and the Lender effective the ____ day of _____ 200_ (the "Loan");

WHEREAS, the Loan is conditioned on, *inter alia*, Assignee providing credit enhancement to the Lender;

WHEREAS, as a material inducement to Assignee providing credit enhancement on the Loan, Grantor has simultaneously executed a Reimbursement Agreement dated _____, by and between the Assignor and Assignee (the "Reimbursement Agreement") and a Security Agreement dated _____, by and between the Assignor and Assignee (the "Security Agreement") granting a lien in and a conditional assignment of the Patents;

WHEREAS, pursuant to the Reimbursement Agreement, the Security Agreement and 37 C.F.R. § 3.56, Assignor desires to assign to Assignee, upon an Event of Default (as defined in the Reimbursement Agreement) the entire right, title and interest in and to the Patents and Assignee wishes to obtain, upon an Event of Default, the entire right, title and interest in and to the Patents;

NOW, THEREFORE, for good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, the parties hereto agree as follows:

1. Assignor, pursuant to 37 C.F.R. §3.56, conditionally assigns all right, title and interest in and to the Patents, including all rights to sue and recover for the past infringement thereof, and any and all causes of action related thereto, to Assignee, provided that such assignment is conditioned upon the occurrence of an Event of Default. Upon the occurrence of an Event of Default, all right, title and interest in and to the Patents along with any and all rights of enforcement with respect to the Patents, including all rights to sue and recover for the past

infringement thereof, and any and all causes of action related thereto shall be, and are hereby, immediately and irrevocably assigned, transferred, set over and conveyed to Assignee.

2. Assignor also agrees at any time to execute and to deliver upon request of Assignee such additional documents as the Assignee may deem necessary or desirable to secure patent protection throughout the world, and otherwise to do whatever necessary to give the full effect to and perfect the rights of the Assignee under this Assignment, including the execution, delivery and procurement of such other documents evidencing this Assignment as the Assignee may deem necessary or desirable.

3. The parties acknowledge and agree that this assignment is conditional upon the occurrence of an Event of Default and that presently, and until the occurrence of an Event of Default, there has been no assignment of the Patents. Therefore, until an Event of Default has occurred, the Assignor enjoys all of the substantive rights of patent ownership, including, without limitation, the right to sue for infringement, the right to prosecute any pending related applications and the duty to pay all maintenance fees for the Patents.

4. In the event Assignee was, is or becomes a party to or other participant in, or is threatened to be made a party to or other participant in, a threatened, pending or completed action, claim, suit or proceeding by reason of (or arising or allegedly arising in any manner out of or relating to in whole or in part) this Conditional Assignment, the Reimbursement Agreement and/or the Security Agreement, Assignor to the fullest extent permitted by applicable law shall indemnify and hold harmless the Assignee from and against any and all losses, damages, judgments, awards, fines, penalties, amounts paid or payable in settlement, deficiencies and expenses (including, without limitation, all reasonable attorney's fees, costs, witness fees and expenses, interest, assessments, and other charges) suffered, incurred or sustained by the Assignee or to which the Assignee becomes subject, resulting from, arising out of or relating to such action, claim, suit or proceeding (it being understood that any such losses, damages, judgments, awards, fines, penalties, amounts, deficiencies and expenses shall be paid or reimbursed (as applicable) by Assignor as soon as practicable but in any event no later than 15 days after written request is made to Assignor accompanied by supporting documentation). The Assignee shall give Assignor written notice of any action, claim, suit or proceeding (accompanied by such reasonable supporting documentation as may be in the Assignee's possession) as soon as practicable after the Assignee becomes aware thereof; provided that the failure of the Assignee to give such notice shall not relieve Assignor of its indemnification obligations under this Conditional Assignment.

5. Upon the occurrence of an Event of Default all of the foregoing Patents shall be held and enjoyed by Assignee for its own use and for the use of its successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this conditional transfer to Assignee had not been made. This Assignment is not intended to limit Assignor's obligation pursuant to §§ 2, 4.3, 5.5 and 5.6 of the Security Agreement to assign patents and patent applications that have not been included in Schedule 1.

IN WITNESS WHEREOF, Assignor has caused this instrument of Conditional Assignment to be executed and its corporate seal to be hereunto affixed.
