6. No Presumption. Assignor and Assignee, each represented by legal counsel, have each participated in the negotiation and drafting of this Agreement. If an ambiguity or question of intent or interpretation should arise, this Agreement shall be construed as if drafted jointly by the Parties, and no presumption or burden of proof shall arise favoring or burdening either Party by virtue of the authorship of any of the provisions of this Agreement.

7. Entire Agreement. This Agreement together with the SPA sets forth all of the promises, covenants, agreements, conditions and undertakings between the Parties with respect to the subject matter hereof, and supersedes all prior or contemporaneous agreements and understandings, negotiations, inducements or conditions, express or implied, oral or written.

8. Delivery of Tangible Items. The Parties shall cooperate to arrange for prompt delivery of prosecution files relating to the Assigned Intellectual Property that are in the possession or control of Assignor. Assignor shall bear the cost of such delivery.
