## TRADEMARK SECURITY AGREEMENT

### WHEREAS:

- (A) Maple Chase Company (the **Grantor**), a Delaware corporation whose principal place of business is located at Invensys Climate Controls Americas, 191 E. North Avenue, Carol Stream, IL 60188, is the owner and user of the United States registered trademarks and/or the trademark applications listed on the attached Schedule A (collectively, the **Trademarks**);
- (B) The Grantor has entered into:
- (1) the Pledge and Security Agreement dated March 5, 2004 (as amended, modified and supplemented from time to time, the **Pledge and Security Agreement**) between the Grantor and Deutsche Bank AG London, as security agent (the **Security Agent**) for and on behalf of the Secured Creditors (as defined in the Pledge and Security Agreement), pursuant to which the Grantor has granted to the Security Agent for the benefit of the Secured Creditors a security interest in, among other things, the Trademarks;
  - (2) the Senior Credit Facilities Agreement dated as of March 5, 2004 (as amended, modified and supplemented from time to time, the **Senior Credit Facilities Agreement**) among the Grantor, the Security Agent and the other Senior Finance Parties (as defined in the Pledge and Security Agreement); and
  - (3) the Second Lien Credit Agreement dated as of March 5, 2004 (as amended, modified and supplemented from time to time, the **Second Lien Credit Agreement**, and together with the Senior Credit Facilities Agreement, collectively, the **Facilities Agreements**) among the Grantor, the Security Agent and the other Second Lien Finance Parties (as defined in the Pledge and Security Agreement).
- (C) The parties to the Pledge and Security Agreement and the Facilities Agreements contemplate and intend that, if an Event of Default (as defined in the Pledge and Security Agreement) shall occur and be continuing, the Security Agent, for the benefit of the Secured Creditors, shall have all rights of a secured party in and to the Trademarks and any proceeds thereof, including, without limitation, the right, to exercise its remedies under the Pledge and Security Agreement and the Facilities Agreements in connection with all of the Grantor's right, title and interest in the Trademarks;

**NOW**, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor hereby agrees as follows:

1. The Grantor hereby reconfirms the terms of the Pledge and Security Agreement and the Facilities Agreements. The Grantor further hereby pledges and mortgages to the Security Agent, and grants to the Security Agent, for the benefit of the Secured Creditors, a security interest in, all of the Grantor's right, title and interest in and to the Trademarks, together with the good will of the business symbolized by the Trademarks, the registrations and/or applications for registration of the Trademarks, and all of the Grantor's rights in and to any and all causes of action heretofore or hereafter accrued or accruing for infringement or threatened or alleged infringement of the Trademarks (collectively, the **Trademark Collateral**).

2. The pledge and mortgage of, and grant of security interest in, the Trademark Collateral by the Grantor pursuant to this Trademark Security Agreement secures the payment of all Secured Liabilities (as defined in the Pledge and Security Agreement) now or hereafter existing under or in respect of the Pledge and Security Agreement and the Facilities Agreements.
3. The Grantor authorizes and requests that the Commissioner of Patents and Trademarks and any other applicable United States government officer record this Trademark Security Agreement.
4. This Trademark Security Agreement has been entered into in connection with the Pledge and Security Agreement and the Facilities Agreements, and the Grantor and the Security Agent each hereby acknowledges and agrees that the pledge, mortgage and grant of security interest hereunder to, and the rights and remedies of the Security Agent with respect to the Trademark Collateral are more fully set forth in the Pledge and Security Agreement and the Facilities Agreements, the terms and provisions of which are incorporated herein by reference.
5. This Trademark Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.
6. This Trademark Security Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, the Grantor and the Security Agent have caused this Trademark Security Agreement to be duly executed as a sealed instrument and delivered by its officer thereunto duly authorized as of the 1 day of April, 2004.

Re: Maple Chase Company

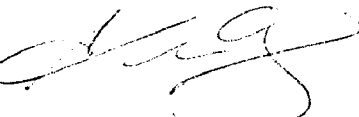

Dear Sir/Madam:

I have enclosed for recording a Trademark Security Agreement between Maple Chase Company and Deutsche Bank AG, London.

A cover sheet as required under 37 C.F.R. §3.31 and a check to cover the recording fee is enclosed. If the fee is insufficient, the balance may be charged to the deposit account of the undersigned, Deposit Account No. 16/0085.

Also, enclosed is an extra copy of the recordation form cover sheet. Please stamp it as received and return it to my attention in the prep-paid envelope. Please feel free to contact me with any questions or comments.

Regards,

Adam M. Grandy  
Legal Assistant
