## GRANT OF TRADEMARK SECURITY INTEREST

**WHEREAS, TRANSPORTATION TECHNOLOGIES INDUSTRIES, INC.**, a Delaware corporation (the "Company"), and each of **THE UNDERSIGNED DIRECT AND INDIRECT SUBSIDIARIES** of the Company (each of such undersigned subsidiaries the Company being a "**Grantor**" and collectively, the "**Grantors**"; provided that, "Grantors" shall include any Additional Grantors (as hereinafter defined)), owns and uses in its business, and will in the future adopt and so use, various intangible assets, including the Trademarks (as defined below); and

**WHEREAS**, the Company has entered into a Second Lien Credit Agreement dated as of March 16, 2004 (as amended, supplemented or otherwise modified from time to time, the "**Credit Agreement**") with, the banks, the financial institutions and other entities named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the "**Lenders**"), Credit Suisse First Boston ("**CSFB**"), as the Administrative Agent and Second Lien Collateral Agent pursuant to which Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to the Company; and

**WHEREAS**, pursuant to the terms of the Second Lien Security Agreement dated as of the date hereof (as amended, supplemented or otherwise modified from time to time, the "**Security Agreement**"), among the Company, the Second Lien Collateral Agent and the other grantors named therein, each Grantor has agreed to create in favor of the Second Lien Collateral Agent a secured and protected interest in, and the Second Lien Collateral Agent has agreed to become a secured creditor with respect to, the Trademarks (as defined below):

**NOW, THEREFORE**, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Credit Agreement and the Security Agreement, each Grantor hereby grants to the Second Lien Collateral Agent a security interest in and continuing lien on all of Grantor's right, title and interest in and to the following, in each case whether now owned or existing or hereafter acquired or arising and wherever located (the "**Trademark Collateral**"):

- (i) Trademarks set forth on Schedule A attached hereto together with;
- (ii) the goodwill of the business with which the Trademarks are used; and
- (iii) all causes of action arising prior to or after the date hereof for infringement of any of the Trademarks or unfair competition regarding the same.

Notwithstanding anything herein to the contrary, the Trademark Collateral shall not include, and each Grantor shall not be deemed to have granted a security interest in, any of Grantor's rights or interests in any license, contract or agreement to which such Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant

would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under such license, contract or agreement; provided, that immediately upon the ineffectiveness, waiver, lapse or termination of any such provision, the Trademark Collateral shall include, and such Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.

Grantors hereby further acknowledge and affirm that the rights and remedies of the Second Lien Collateral Agent with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provisions of this grant are deemed to conflict with the Security Agreement, the provision of the Security Agreement shall govern. Upon satisfaction of the debt which is the basis for this grant, the Second Lien Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing releasing the security interest in the Trademarks acquired under this grant.

Notwithstanding anything herein to the contrary, the relative rights and remedies of Second Lien Collateral Agent shall be subject to and governed by the terms of the Intercreditor Agreement at any time the Intercreditor Agreement is in effect. In the event of any inconsistency between the terms hereof and the Intercreditor Agreement, the Intercreditor Agreement shall control at any time the Intercreditor Agreement is in effect.

Unless otherwise defined herein, or the context otherwise requires, terms used in this Grant of Trademark Security Interest, including its preambles and recitals, have the meanings provided in the Security Agreement.

IN WITNESS WHEREOF, each Grantor has caused this Grant of Trademark Security Interest to be duly executed and delivered by its officer thereunto duly authorized as of the 16<sup>th</sup> day of March, 2004.
