## ASSIGNMENT

FOR GOOD AND VALUABLE CONSIDERATION the receipt and sufficiency of which is hereby acknowledged, InstallShield Software Corporation, a Delaware Corporation ("Assignor"), hereby sells, assigns, transfers and conveys to Macrovision Corporation, a Delaware Corporation ("Assignee"), its designees, successors, assigns and legal representatives, the entire right, title and interest in and to the intellectual property identified in Exhibit A attached hereto, and all divisionals, continuations, continuations-in-part, provisionals, re-examinations, re-issues, renewals, extensions, derivatives, pending applications, U.S. and foreign counterparts and/or utility models thereof, and all proceeds therefore (including but not limited to, all license royalties and proceeds of infringement suits), and in and to any and all claims, causes of action, and/or damages for past, present and future infringement of any such intellectual property, or relating to any inventions, discoveries, designs, expressions, and/or goodwill described and/or created therein, including the right to collect royalties for all such infringements and the right to sue on all such causes of action in law and equity for Assignee's own use and benefit and the use and benefit of its successors, assigns and legal representatives, each and every of the foregoing rights, titles and interest herein assigned to be held and enjoyed by Assignee, its successors, assigns and legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor had this Assignment not been made. Assignor hereby authorizes and requests the United States Patent and Trademark Office and other patent and trademark offices throughout the world to issue all patents and trademark registrations in the subject intellectual property to Assignee, to accept and prosecute any related applications in the name of the Assignee, and to accept claims of priority made now and in the future by Assignee. Assignor further agrees to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith reasonably necessary to perfect such right, title, and interest in Assignee and its successors, assigns, and legal representatives.

IN TESTIMONY WHEREOF, Assignor represents it has authority to execute this Assignment and has caused this Assignment to be duly executed in its name and behalf by affixing its hand and seal thereto by its designated authorized officer, director or agent, whose name and title appear below.

Executed at Schaumburg, Illinois, this 1<sup>st</sup> day of July 2004.
