INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Third Party Intellectual Property Security Agreement is entered into as of April 26 2004 by and between AGILITY CAPITAL, LLC ("Lender") and CONDUCTUS, INC., a Delaware corporation ("Grantor").

RECITALS

Suppconductor Technolgies, Inc. ("Borrower") and Lender are parties to that certain Loan Agreement of even date (as amended from time to time, the "Loan Agreement"). Grantor, a subsidiary of Borrower, expects to derive economic benefit from Lender's doing so and has entered into an Unconditional Guaranty (as amended from time to time, the "Guaranty") dated of even date herewith. Capitalized terms used herein have the meaning assigned in the Loan Agreement. Secured Party is willing to make the credit extensions to Borrower, but only upon the condition, among others, that Grantor shall grant to Secured Party a security interest in all of Grantor's right title, and interest in, to and under all of the Collateral whether presently existing or hereafter acquired

NOW, THEREFORE, Grantor agrees as follows:

AGREEMENT

To secure performance of Grantor's obligations under the Guaranty, Grantor grants to Lender a security interest in all of Grantor's right, title and interest in Grantor's intellectual property (including without limitation those Copyrights, Patents and Trademarks listed on Schedules A, B and C hereto), including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits). This security interest is granted in conjunction with the security interest granted to Lender under the Guaranty. Each right, power and remedy of Lender provided for herein shall not preclude the simultaneous or later exercise by Lender of any or all other rights, powers or remedies.

IN WITNESS WHEREOF, the parties have caused this Intellectual Property Security Agreement to be duly executed as of the first date written above.
