AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

This AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT, dated as of September 30, 2004, (the "*Agreement*") made by DAVID SHERMAN CORPORATION, a Missouri corporation (the "*Borrower*"), in favor of SOUTHWEST BANK OF ST. LOUIS ("*Bank*").

RECITALS

A. Pursuant to the Credit Agreement, dated as of April 27, 1999, as amended by a First Amendment to Credit Agreement dated March 31, 2000, Second Amendment to Credit Agreement dated as of May 31, 2000, Third Amendment to Credit Agreement dated as of July 21, 2000, Fourth Amendment to Credit Agreement dated as of September 22, 2000, Fifth Amendment to Credit Agreement dated as of November 1, 2000, Sixth Amendment to Credit Agreement dated as of December 14, 2001, Seventh Amendment to Credit Agreement dated as of June 26, 2002, Eighth Amendment to Credit Agreement dated as of December 26, 2002, Ninth Amendment to Credit Agreement dated March 14, 2003, Tenth Amendment to Credit Agreement dated February 18, 2004, Eleventh Amendment to Credit Agreement dated June 1, 2004, and as further amended by the Amended and Restated Credit Agreement as of even date herewith (as amended, the "*Credit Agreement*"), by and between the Borrower and the Bank, the Bank has agreed to make loans to the Borrower upon the terms and subject to the conditions set forth therein, such loans to be evidenced by the Notes issued by the Borrower thereunder. It is a condition precedent to the obligation of the Bank to make the loans to the Borrower under the Credit Agreement that the Borrower shall have executed and delivered this Agreement to the Bank.

B. Pursuant to two Trademark Security Agreements dated April 27, 1999 by and between Borrower and Bank, as the agent for various lenders (the "*1999 Trademark Agreements*"), and a Trademark Security Agreement dated March 14, 2003, by and between Borrower and Bank, as the agent for various lenders (the "*2003 Trademark Agreement*"); Borrower granted a security interest in all of its rights, title and interest in and to certain Trademark Collateral.

C. As part of the transactions contemplated by the Credit Agreement, the parties desire to amend and restate the previous Trademark Security Agreements to reflect that Bank is now the sole lender and has all rights thereunder.

NOW, THEREFORE, in consideration of the premises and to induce the Bank to enter into the Credit Agreement and to induce the Bank to make the loans to the Borrower under the Credit Agreement, the Borrower hereby agrees with the Bank, as follows:

1. Defined Terms. Unless otherwise defined herein, capitalized terms which are defined in the Credit Agreement and used herein shall have the meanings given to them in the Credit Agreement.

2. Grant of Security Interest; Collateral Assignment. To secure the complete and timely satisfaction of all Obligations, Borrower hereby grants to the Bank a continuing security interest in all of its right, title and interest in and to the trademark(s), trade name(s) and servicemark(s) listed on Exhibit A hereto (as the same may be amended pursuant hereto from time to time) (collectively, the "*Trademarks*"), including, without limitation, all renewals, reinstatements and revivals thereof, all proceeds thereof (such as, by way of example, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements and all rights corresponding thereto throughout the world (all of the foregoing are collectively called the "*Trademark Rights*"), and the goodwill of the business to which the Trademark relates (the "*Associated Goodwill*") (the Trademarks, the Trademark Rights, and the Associated Goodwill are collectively called the "*Trademark Collateral*").

3. Representations, Warranties and Covenants of Borrower. Borrower represents, covenants and warrants to the Bank that:

(a) The United States registrations of the Trademarks are subsisting and have not been adjudged invalid or unenforceable;

(b) The Trademarks are valid and enforceable, except as set forth on Exhibit B, and except to the extent that such invalidity or unenforceability could not reasonably be expected to have a Material Adverse Effect;

(c) To Borrower's actual knowledge, no current claim, reasonably expected to have a Material Adverse Effect, has been made to Borrower that the use of any United States or foreign Trademark does or may violate the rights of any third person;

(d) Except as set forth on Exhibit B attached hereto, Borrower is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the applications and registrations for the United States and foreign Trademarks, free and clear of any liens, charges and the encumbrances, including, without limitation, pledges, assignments, licenses, registered user agreements and covenants by Borrower not to sue third persons;

(e) Borrower has the unqualified right to enter into this Agreement and to perform its terms;

(f) Borrower shall use, for the duration of this Agreement, the proper statutory notice in connection with its use of the Trademarks; and

(g) Borrower shall use for the duration of this Agreement, consistent standards of quality in its manufacture and/or sale of products sold under the Trademarks.

4. Inspection Rights. Borrower hereby grants to Bank and its employees, agents and designees the right, upon reasonable advance written notice and during normal business hours (except following the occurrence and continuation of an Event of Default, in which case the above-stated restrictions shall not apply), to visit Borrower's plants and facilities which

manufacture, distribute or store products sold under the Trademarks, and to inspect the products and quality control records relating thereto. Borrower shall do any and all acts reasonably required by Bank to ensure Borrower's compliance with paragraph 3(g) hereof.

5. Further Assurances. Borrower agrees that, until all of the Obligations shall have been satisfied in full and the Commitments have terminated, it will not enter into any agreement (for example, a license agreement) which is inconsistent with Borrower's obligations under this Agreement, without Bank's prior written consent. Borrower further agrees that at any time and from time to time, at the expense of Borrower, Borrower will promptly execute and deliver all further instruments and documents, and take all further action, that may be reasonably necessary, or that Bank may reasonably request, in order to perfect and protect the security interest and collateral assignment granted or purported to be granted hereby or to enable Bank to exercise its rights and remedies hereunder.

6. Additional Trademarks. If, before the Obligations shall have been satisfied in full, Borrower shall obtain rights to any registrations of any new trademark(s), trade name(s) or servicemark(s) or application(s) therefor, the provisions of paragraph 2 shall automatically apply thereto and Borrower shall give Bank prompt written notice thereof.

7. Modification by Bank. Borrower authorizes Bank to modify this Agreement by amending Exhibit A to include any future registrations of any trademark(s), trade name(s) or servicemark(s), or future application(s) therefor, covered by paragraphs 1 and 6 hereof, without the signature of Borrower to the extent permitted by applicable law, subject to any factual limitation on Borrower's representations and warranties of which Borrower notifies Bank in writing.

8. Grant of License to Bank. Subject to Bank's maintaining standards of quality consistent with those of Borrower in connection with the Trademark Collateral, Borrower hereby presently grants to Bank a license to use the Trademarks and the Associated Goodwill in connection with the Collateral upon and after the foreclosure upon, sale or other transfer of all or any part of the Collateral by or to Bank pursuant to any Loan Documents including this Agreement. The license granted in this paragraph 8 may be transferred by Bank, without Borrower's consent, to any successor of Bank, any assignee of Bank, and/or any purchaser or other transferee of any or all of the Collateral. This license may not be revoked until all of the Obligations have been paid or satisfied in full and the Commitments have terminated.

9. Rights of Borrower. Unless and until there shall have occurred an Event of Default, Borrower shall own the title to the Trademark Collateral and shall have the exclusive, nontransferable right to use the Trademark Collateral on and in connection with products sold, distributed or otherwise used by Borrower, for Borrower's own benefit and account and for none other. Without the prior written consent of Bank, which consent shall not be unreasonably withheld, Borrower agrees not to sell or assign its interest in, or grant any license under the Trademarks or the other Trademark Collateral, other than to Bank hereunder.

10. Default. If any Event of Default shall have occurred, the Bank shall have, in addition to all other rights and remedies given it by this Agreement, those provided in the Loan

Documents and those allowed by law and the rights and remedies of a secured party under the Missouri Uniform Commercial Code. The notice and cure periods set forth in the Credit Agreement shall apply to Borrower's obligations hereunder.

11. Termination of Agreement. At such time as Borrower shall completely satisfy all of the Obligations and the Commitments have terminated, this Agreement shall terminate and the Bank shall execute and deliver to Borrower, at Borrower's expense, and without recourse, representation or warranty, all releases, assignments and other instruments as may be necessary or proper to re-vest in Borrower full right, title and interest in and to the Trademark Collateral, subject to any disposition thereof which may have been made by the Bank pursuant hereto.

12. Expenses. Any and all reasonable fees, costs and expenses, of whatever kind or nature, including, without limitation, reasonable attorneys' fees and legal expenses, incurred by Bank in connection with the preparation of this Agreement and all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including, without limitation, all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or otherwise protecting, maintaining or preserving the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademark Collateral, shall, to the extent permitted by applicable law, be borne and paid by Borrower on demand by Bank and until so paid shall be added to the principal amount of the Obligations and shall bear interest at the interest rate then applicable under the Credit Agreement.

13. Preservation of Trademark Rights. Borrower shall have the duty, through counsel reasonably acceptable to the Bank, to do any and all acts which are reasonably necessary or desirable to preserve and maintain all rights in the Trademark Collateral, including without limitation, pursuing and maintaining all reasonable and available actions and petitions to reinstate and/or revive any cancelled registration of Trademarks. Any expenses incurred in connection with the foregoing shall be borne by Borrower. Borrower shall not abandon any Trademark without the prior written consent of the Bank, which consent shall not be unreasonably withheld. Borrower shall have the right, upon advance written notice to the Bank, to bring any opposition proceedings, cancellation proceedings or lawsuit in its own name to enforce or protect the Trademarks, in which event the Bank may, if necessary, be joined as a nominal party to such suit so long as the Bank is satisfied, in its sole determination, that such joinder will not subject it to any risk of liability. Borrower shall promptly, upon demand, reimburse and indemnify the Bank for all damages, costs and expenses, including, without limitation, reasonable attorneys' fees, incurred by the Bank in the fulfillment of any provision of this paragraph 13.

14. Bank Appointed Attorney-In-Fact. Borrower hereby authorizes and empowers Bank, upon and during the continuation of an Event of Default, to make, constitute and appoint any officer or agent of Bank as the Bank may select, in its exclusive discretion, as Borrower's true and lawful attorney-in-fact, with the power to endorse Borrower's name on all applications, documents, papers and instruments necessary for the Bank to use the Trademarks or the other Trademark Collateral, or to grant or issue any exclusive or non-exclusive license under the Trademark Collateral to the Bank or anyone else, or necessary for the Bank to assign, pledge,

convey or otherwise transfer title in or dispose of the Trademark Collateral to anyone else. Borrower hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable for the life of this Agreement.

15. Bank May Act. If Borrower fails to comply with any of its obligations hereunder, the Bank may do so in Borrower's name or in Bank's name to the extent permitted by applicable law, but at Borrower's expense, and Borrower hereby agrees to reimburse the Bank in full for all reasonable expenses, including, without limitation, reasonable attorneys fees, incurred by the Bank in protecting, defending or maintaining the Trademark Collateral or any part thereof.

16. No Waiver. No course of dealing between Borrower and the Bank, nor any failure to exercise, nor any delay in exercising, on the part of the Bank, any right, power or privilege hereunder, under the Credit Agreement or under applicable law shall operate as a waiver thereof; nor shall any single or partial exercise of any right, power or privilege hereunder or thereunder preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

17. Rights Cumulative. All of the Bank's rights and remedies with respect to the Trademark Collateral, whether established hereby or by any of the other Loan Documents, or by any other agreements or by law, shall be cumulative and may be exercised singularly or concurrently.

18. Severability. The provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

19. Modification. This Agreement is subject to modification only by a writing signed by, the parties, except as provided in paragraph 7.

20. Inurement. The benefits and burdens of this Agreement shall inure to the benefit of and be binding upon the respective successors and assigns of the parties; provided however, that the foregoing provision shall not invalidate or otherwise modify the restrictions imposed on Borrower hereunder with respect to transferring any part of or interest in the Trademark Collateral.

21. Governing Law. The validity and interpretation of this Agreement and the rights and obligations of the parties shall be governed and construed in accordance with the internal laws of the State of Missouri.

22. Amended and Restated Agreement. This Agreement is an amended and restated version of the 1999 Trademark Agreements and the 2003 Trademark Agreement.

23. Submission To Jurisdiction, Waivers. The Borrower hereby irrevocably and unconditionally:

(a) submits for itself and its property in any legal action or proceeding relating to this Agreement and the other Loan Documents to which it is a party, or for recognition and enforcement of any judgment in respect thereof, to the non-exclusive general jurisdiction of the courts of the State of Missouri, the courts of the United States of America for the Eastern District of Missouri, and appellate courts from any thereof;

(b) consents that any such action or proceeding may be brought in such courts and waives any objection that it may now or hereafter have to the venue of any such action or proceeding in any such court or that such action or proceeding was brought in an inconvenient court and agrees not to plead or claim the same;

(c) agrees that service of process in any such action or proceeding may be effected by mailing a copy thereof by registered or certified mail (or any substantially similar form of mail), postage prepaid, to the Borrower at its address set forth in the Credit Agreement or at such other address of which the Bank shall have been notified pursuant thereto at its address set forth in the Credit Agreement or at such other address of which the Borrower shall have been notified pursuant hereto;

(d) agrees that nothing herein shall affect the right to effect service of process in any other manner permitted by law or shall limit the right to sue in any other jurisdiction; and

(e) waives, to the maximum extent not prohibited by law, any right it may have to claim or recover in any legal action or proceeding referred to in this Section any special, exemplary, punitive or consequential damages.

24. WAIVERS OF JURY TRIAL. BORROWER AND THE BANK HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVE TRIAL BY JURY IN ANY LEGAL ACTION OR PROCEEDING RELATING TO THIS SECURITY AGREEMENT OR ANY OTHER LOAN DOCUMENT AND FOR ANY COUNTERCLAIM THEREIN.
