RECITALS

WHEREAS, Grantor owns the Trademarks, Trademark registrations, and Trademark applications listed on Schedule I annexed hereto, and is a party to the Trademark licenses listed on Schedule I annexed hereto;

WHEREAS, Grantor and certain of its Affiliates (the “**Borrowers**”), have entered into that certain Credit Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “**Credit Agreement**”), among the Borrowers, Antares Capital Corporation, as agent (“**Agent**”) for the benefit of all financial institutions that from time to time become lenders under the Credit Agreement (collectively, the “**Lenders**”), and as a Lender, and the other Lenders from time to time party thereto, providing for extensions of credit and other financial accommodations to be made to Borrowers by Lenders; and

WHEREAS, pursuant to the terms of that certain Borrower Security Agreement of even date herewith (as the same may be amended, restated, supplemented or otherwise modified from time to time, the “**Security Agreement**”), among Grantor, Grantee and the other “**Debtors**” party thereto, Grantor has granted to Grantee for the benefit of Agent and Lenders a security interest in substantially all the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), Trademark registrations, Trademark applications and Trademark licenses, together with the goodwill of the business symbolized by Grantor’s Trademarks, and all proceeds thereof, to secure the payment of the “**Liabilities**” (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor does hereby grant to Grantee a continuing security interest in all of Grantor’s right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the “**Trademark Collateral**”), whether presently existing or hereafter created or acquired:

- (1) each Trademark, Trademark registration and Trademark application, including, without limitation, the Trademarks, Trademark registrations (together with any reissues, continuations or extensions thereof) and Trademark applications referred to in Schedule I annexed hereto, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, Trademark registration and Trademark application;
- (2) each Trademark license and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark license; and

(3) all products and proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark or Trademark registration including, without limitation, the Trademarks and Trademark registrations referred to in Schedule I annexed hereto, the Trademark registrations issued with respect to the Trademark applications referred to in Schedule I and the Trademarks licensed under any Trademark license, or (b) injury to the goodwill associated with any Trademark, Trademark registration or Trademark licensed under any Trademark license.
