INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS, United States Filter Corporation, a corporation of the State of Delaware, having a place of business at 40-004 Cook Street, Palm Desert, California 92211, United States of America, (hereinafter "Assignor"), owns all right, title and interest in or associated with: (A) the trademarks that are registered or have applications to register pending set forth on Exhibit A attached hereto and all goodwill related thereto and (B) the issued patents and patent applications set forth on Exhibit B attached hereto (collectively, the "Intellectual Property");

WHEREAS, U.S. Filter Surface Preparation Group, Inc. a corporation of the State of Delaware, having a place of business at 215 Union Boulevard, Suite 315, Lakewood, CO, 80228, United States of America (hereinafter "Assignee"), is desirous of acquiring all right, title and interest in and to said Intellectual Property, pursuant to the terms of that certain Stock Purchase Agreement, dated as of July 20, 2003, by and between Assignor and International Surface Preparation Corporation (hereinafter, the "Stock Purchase Agreement");

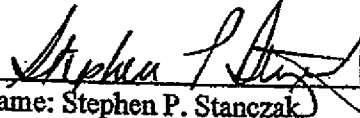

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt, adequacy and sufficiency of which are hereby acknowledged:

1. The Assignor:
 - a. hereby sells, assigns and transfers unto the Assignee, its successors, assigns and legal representatives, the full and exclusive right, title and interest in and to the Intellectual Property;
 - b. agrees from time to time to execute and deliver all such other and further instruments and documents as may be necessary to transfer and convey the Intellectual Property to Assignee, its successors, assigns and legal representatives; and
 - c. agrees to furnish to Assignee upon its request and without further consideration all records in the possession of Assignor necessary to establish priority of invention in any interference or similar proceeding in connection with any of the Intellectual Property.
2. No representations and warranties, or indemnification agreements with respect to the Intellectual Property, are made in this Assignment but instead are expressly disclaimed, it being understood and agreed that all of the rights of Assignor and Assignee with respect to the Intellectual Property are governed by the Stock Purchase Agreement.
