INTELLECTUAL PROPERTY ASSIGNMENT

This **INTELLECTUAL PROPERTY ASSIGNMENT** (the "Assignment") is effective as of November 19, 2004, by and between Evergreen Teller Services, Inc., a California corporation (the "Subsidiary"), having its principal place of business at 8501 North Scottsdale Road, Ste. 300, Scottsdale, AZ 85253, eFunds Corporation, a Delaware corporation, having its principal place of business at Gainey Center II, 8501 N. Scottsdale Road, Suite 300, Scottsdale, AZ 85253 ("Parent"), and Access Cash International L.L.C., a Delaware limited liability company, having its principal place of business at 8501 N. Scottsdale Road, Suite 300, Scottsdale, AZ 85253 ("ACI").

WHEREAS, Parent, eFunds (Canada) Corporation (formerly known as Access Cash Canada Co.), a Nova Scotia unlimited liability company, TRM ATM Corporation, an Oregon corporation ("TRM ATM"), and TRM Canada Corporation, a Canadian corporation ("TRM Canada" and, together with TRM ATM, the "Purchasers") entered into a Purchase Agreement, dated September 20, 2004 (the "Purchase Agreement"), pursuant to which, among other things and upon the terms and conditions set forth therein, Parent has agreed to sell to TRM ATM, and TRM ATM has agreed to purchase from Parent, after giving effect to the ACI Restructuring, all of the outstanding membership interests in ACI.

WHEREAS, in connection with the ACI Restructuring, the Subsidiary (a wholly-owned subsidiary of Parent) and the Parent are assigning certain intellectual property assets to ACI; and

WHEREAS, Subsidiary and Parent are the owners of the trademark and domain name rights set forth under each respective owner's name in Schedule A (collectively referred to herein as "Transferred Intellectual Property"); and

WHEREAS, ACI is desirous of acquiring all right, title, and interest in and to all of the Transferred Intellectual Property, all goodwill connected with the use thereof, symbolized thereby and associated therewith, and the respective businesses of Subsidiary and Parent to which such Transferred Intellectual Property pertains; and

WHEREAS, all capitalized terms used herein and not otherwise defined herein shall have the meanings given to them in the Purchase Agreement and the Schedules related thereto.

NOW THEREFORE, for good and valuable consideration as set forth in the Purchase Agreement, the receipt of which is hereby acknowledged, Subsidiary, Parent, and ACI agree as follows:

1. Subsidiary hereby sells, assigns and transfers to ACI, its successors and assigns, all of its right, title and interest in and to the Transferred Intellectual Property, all goodwill symbolized thereby and associated therewith, and the business of Subsidiary to which said Transferred Intellectual Property pertains, all other intellectual property of the Subsidiary used solely in the operation of the Base Business, and the right to sue and recover damages for past infringement.

2. Parent hereby sells, assigns and transfers to ACI, its successors and assigns, all of its right, title and interest in and to the Transferred Intellectual Property, all goodwill symbolized thereby and associated therewith, and the business of Parent to which said Transferred Intellectual Property pertains, and the right to sue and recover damages for past infringement.

3. Nothing herein is intended to modify, limit or otherwise affect the representations, warranties, covenants and agreements contained in the Purchase Agreement, and such representations, covenants and agreements shall remain in full force and effect in accordance with the terms of the Purchase Agreement. In the event of a conflict between this Assignment and the Purchase Agreement, the provisions of the Purchase Agreement shall govern, supersede, prevail and apply.

4. Unless otherwise defined herein, capitalized terms used herein shall have the same meaning as defined in the Purchase Agreement.

IN WITNESS WHEREOF, the undersigned have executed this Assignment as of the 19th day of November, 2004.
