## **SECTION 2. GRANT OF SECURITY INTEREST.**

**2.1 Security Interest.** It being expressly understood and agreed that the security interests granted herein for the benefit of the Administrative Agent on behalf of the First Lien Secured Parties shall be subject to the provisions of the Intercreditor Agreement, each Grantor hereby grants to the Administrative Agent, for the benefit of the First Lien Secured Parties, a first priority security interest in all of the following property now owned or at any time hereafter acquired by Grantor or in which such Grantor now has or at any time in the future may acquire any right (collectively, the **“Trademark Collateral”**), as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor’s First Lien Obligations:

- (a) all Trademarks;
- (b) all Trademark Applications;
- (c) all Trademark Registrations;
- (d) all Common Law Rights;
- (e) all Trademark Rights; and

(f) all to the extent not otherwise included, all Proceeds, Supporting Obligations and products of any and all of the foregoing and all collateral security and guarantees given by any Person with respect to any of the foregoing; and

each Grantor hereby grants, assigns and transfers to the Administrative Agent, and hereby grants to the Administrative Agent, for the ratable benefit of the Second Lien Secured Parties, a second priority security interest in the Trademark Collateral, as collateral security for the prompt and complete payment and performance when due (whether at the stated maturity, by acceleration or otherwise) of such Grantor's Second Lien Obligations;

provided, however, that notwithstanding any of the other provisions set forth in this Section 2.1, this Agreement shall not constitute a grant of a security interest in any property to the extent that such grant of a security interest in such particular property (x) is prohibited by any Requirements of Law of a Governmental Authority, (y) requires a consent not obtained of any Governmental Authority pursuant to such Requirement of Law or is prohibited by, or (z) constitutes a breach or default under or results in the termination of or requires any consent not obtained under, any Contractual Obligation evidencing or giving rise to such property, except to the extent that such Requirement of Law or the term in such Contractual Obligation providing for such prohibition, breach, default or termination or requiring such consent is ineffective under applicable law or would be ineffective under Sections 9-406, 9-407, 9-408 or 9-409 of the New York UCC to prevent the attachment of the security interest granted hereunder; provided, however, that such security interest shall attach immediately at such time as the condition causing such prohibition, breach, default or termination shall be remedied and, to the extent severable, shall attach immediately to any portion of any contractual obligation or other property that is not prohibited under, or does not result in any of the consequences specified in, clauses (x), (y), or (z) above including any proceeds of such property. Without limiting the generality of the foregoing, it is the intent of the parties that (i) the Liens securing the Second Lien Obligations are subject and subordinate to the Liens securing the First Lien Obligations and (ii) this Agreement creates two separate and distinct Liens: the first priority Lien securing the payment and performance of the First Lien Obligations and the second priority Lien securing the payment and performance of the Second Lien Obligations, in each case as may be more particularly set forth in the Intercreditor Agreement.

**2.2 Assignment of Trademarks.** Each Grantor acknowledges that the Administrative Agent has the right, pursuant to the power of attorney granted the Administrative Agent hereunder and under the Guarantee and Collateral Agreement, upon the occurrence and during the continuance of an Event of Default, to complete, execute and record with the PTO or other Governmental Authority an Assignment of Trademarks on behalf of such Grantor for the sole purpose of effecting the Administrative Agent's exercise of its remedies under Section 6 of this Agreement and Section 6 of the Guarantee and Collateral Agreement. In furtherance of the foregoing, each Grantor hereby executes an assignment of Trademark Collateral ("Assignment of Trademarks") attached as Exhibit 1, for the sole purpose of effecting the Administrative

Agent's exercise of its remedies under Section 6 of this Agreement, Section 7 of the Credit Agreement, or Section 6 of the Guarantee and Collateral Agreement and agrees to deposit such Assignment of Trademarks with DSI Technology Escrow Services (as "Escrow Agent").

**2.3 Conditional Assignment.** In addition to, and not by way of limitation of, the grants and pledges of the Trademark Collateral provided in Sections 2.1 and 2.2, each Grantor grants, assigns, transfers, conveys and sets over to the Administrative Agent, for the benefit of the Secured Parties, such Grantor's entire right, title and interest in and to that portion of the Trademark Collateral which consists of Trademark Registrations and Trademark Applications and the Trademark Rights associated therewith; *provided*, that such grant, assignment, transfer and conveyance shall be and become of force and effect only (a) in connection with the Administrative Agent's exercise of its rights and remedies in strict accordance with the terms of the Credit Agreement and the other Loan Documents, (b) upon or after the occurrence and during the continuance of an Event of Default and (c) either (i) upon the written demand of the Administrative Agent at any time during such continuance or (ii) immediately and automatically (without notice or action of any kind by the Administrative Agent) upon an Event of Default for which acceleration of the Loans is automatic under the Credit Agreement or upon the sale or other disposition of or foreclosure upon the Collateral pursuant to the Guarantee and Collateral Agreement and applicable law (including the transfer or other disposition of the Collateral by any Grantor to the Administrative Agent or its nominee in lieu of foreclosure). Upon occurrence and during the continuance of an Event of Default, the Administrative Agent shall notify the Escrow Agent of the Event of Default under this Agreement and the Guarantee and Collateral Agreement, and the occurrence of the Release Condition under the Software Escrow Agreement, and request release of the Assignment of Trademarks for recordation with the PTO or other Governmental Authority.

**2.4 Supplemental to Guarantee and Collateral Agreement.** Pursuant to the Guarantee and Collateral Agreement, the Grantors have granted to the Administrative Agent, for the benefit of the Secured Parties, continuing security interests in and liens on the Collateral (including the Trademark Collateral). The Guarantee and Collateral Agreement, and all rights and interests of the Administrative Agent in and to the Collateral (including the Trademark Collateral) thereunder, are hereby ratified and confirmed in all respects. In no event shall this Agreement, the grant, assignment, transfer and conveyance of the Trademark Collateral hereunder, or the recordation of this Agreement (or any other document hereunder) with the PTO or any other Governmental Authority, adversely affect or impair, in any way or to any extent, the Guarantee and Collateral Agreement, the Intercreditor Agreement, the security interests of the Administrative Agent in the Collateral (including the Trademark Collateral) pursuant to the Guarantee and Collateral Agreement, the attachment and perfection of such security interests under the UCC (including the security interest in the Trademark Collateral), the First and Second priority of the Liens granted to the Administrative Agent for the benefit of the First Lien Secured Parties and the Second Lien Secured Parties, respectively, or any present or future rights and interests of the Administrative Agent in and to the Collateral under or in connection with the Guarantee and Collateral Agreement or the UCC. Any and all rights and interests of the Administrative Agent in and to the

Trademark Collateral (and any and all obligations of the Grantors with respect to the Trademark Collateral) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Administrative Agent (and the obligations of the Grantors) in, to or with respect to the Collateral (including the Trademark Collateral) provided in or arising under or in connection with the Guarantee and Collateral Agreement and shall not be in derogation thereof.

### **SECTION 3. NO TRANSFER OR INCONSISTENT AGREEMENTS.**

Except (a) with the Administrative Agent's prior written consent, or (b) as expressly permitted under the Guarantee and Collateral Agreement, no Grantor will (i) mortgage, pledge, assign, encumber, grant a security interest in, transfer, license or alienate any of the Trademark Collateral, or (ii) enter into any agreement (including, without limitation, any outbound license agreement outside the ordinary course of business or any outbound exclusive license agreement, whether within or outside the ordinary course of business) that is inconsistent with the Grantors' obligations under this Agreement or the Guarantee and Collateral Agreement.

### **SECTION 4. AFTER -ACQUIRED Trademarks, ETC.**

**4.1 After-acquired Trademarks.** If, prior to the termination of this Agreement in accordance with Section 10, any Grantor shall obtain any ownership interest in any other or new Trademarks, Trademark Registrations, Trademark Applications, Common Law Trademarks or Trademark Rights or become entitled to the benefit of any Trademarks, Trademark Registrations, Trademark Applications, Common Law Trademarks or Trademark Rights, the provisions of this Agreement shall automatically apply thereto and such Grantor shall promptly provide to the Administrative Agent thereof in writing of Grantor's newly acquired Trademark Applications and Trademark Registrations and execute and deliver to the Administrative Agent such documents or instruments as the Administrative Agent may reasonably request further to implement, preserve or evidence the Administrative Agent's interest therein. In addition to the obligations set forth above, each and every Grantor shall provide to the Administrative Agent, on quarterly basis, a report of any new trademarks in which the Grantor has obtained ownership rights.

**4.2 Amendment to Schedule.** Each Grantor authorizes the Administrative Agent to modify this Agreement and the Assignments of Trademarks, without the necessity of such Grantor's further approval or signature, by amending Schedule A hereto and the Annex to each Assignment of Trademarks to include any future or other Trademark Rights that become part of the Trademark Collateral under Section 2 or Section 5.1.

**SECTION 5. TRADEMARK PROSECUTION.** Without limiting the Administrative Agent's rights or remedies under, and subject to each Grantor's obligations under, the Guarantee and Collateral Agreement, Credit Agreement and other Loan Documents:

**5.1 Grantors Responsible.** Without expanding upon the Grantor's obligations under the Guarantee and Collateral Agreement, each Grantor shall have and

maintain full and complete responsibility for the prosecution, defense, enforcement or any other necessary or desirable actions in connection with the Trademark Collateral, and have the right to take, and shall take, all necessary steps that it deems appropriate under the circumstances, to the extent consistent with good business judgment, to prosecute, defend, enforce, maintain and pursue the Trademark Registrations and Trademark Applications to the extent same are material to the conduct of the businesses of the Grantor, taken as a whole. Each Grantor shall hold each of the Secured Parties harmless from any and all costs, damages, liabilities and expenses that may be incurred by the Administrative Agent or any other Secured Party incurred in accordance with the guidelines set forth in the Credit Agreement and the Guarantee and Collateral Agreement. In respect of such responsibility, the Grantors shall retain trademark counsel reasonably acceptable to the Administrative Agent.

#### **SECTION 6. REMEDIES.**

In addition to all other rights and remedies set forth elsewhere in this Agreement, upon the occurrence and during the continuance of an Event of Default, the Administrative Agent shall have all of the rights and remedies set forth in the Guarantee and Collateral Agreement and the other Loan Documents.

#### **SECTION 7. ADMINISTRATIVE AGENT MAY PERFORM.**

If any Grantor fails to perform any agreement contained herein, the Administrative Agent may itself perform, or cause performance of, such agreement, and the expenses of the Administrative Agent incurred in connection therewith shall be payable by Grantors under Section 10.

#### **SECTION 8. FURTHER ASSURANCES.**

Each Grantor shall, at any time and from time to time, and at its expense, make, execute, acknowledge and deliver, and file and record as necessary or appropriate with Governmental Authorities, such agreements, assignments, documents and instruments, and do such other and further acts and things (including, without limitation, obtaining consents of third parties), as the Administrative Agent may request and as may be reasonably necessary or appropriate in order to implement and effect fully the intentions, purposes and provisions of this Trademark Agreement, or to assure and confirm to the Administrative Agent the grant, perfection and priority of the Administrative Agent's security interests in the Trademark Collateral.

#### **SECTION 9. TERMINATION .**

Upon the indefeasible payment in full in cash of the Obligations (other than Obligations which are contingent and unliquidated and not due and owing on such date and which pursuant to the provisions of the Credit Agreement or the other Loan Documents survive the termination of the Credit Agreement or the repayment of the Obligations), this Trademark Agreement shall terminate and the Administrative Agent shall, upon the written request and at the expense of the respective Grantors, execute and deliver to such Grantors all deeds, assignments and other instruments as may be necessary or proper to reassign and reconvey to and re-vest in the Grantors the entire right, title and interest to the Trademark Collateral previously granted, assigned,

transferred and conveyed to the Administrative Agent by the Grantors pursuant to this Trademark Agreement, as fully as if this Trademark Agreement had not been made, subject to any disposition of all or any part thereof that may have been made by the Administrative Agent pursuant hereto or the Guarantee and Collateral Agreement.

#### **SECTION 10. EXPENSES.**

Any and all fees, costs and expenses, of whatever kind or nature, including the reasonable attorneys' fees and expenses incurred by the Administrative Agent in connection with the preparation of this Trademark Agreement and all other documents relating hereto, the consummation of the transactions contemplated hereby or the enforcement hereof, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance or renewal fees, encumbrances, or otherwise protecting, maintaining or preserving the Trademark Collateral, or in defending or prosecuting any actions or proceedings arising out of or related to the Trademark Collateral, shall be borne and paid by the Grantors.
