TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") dated as of November 8, 2004 (the "Effective Date"), is made by and between **TTI HOLDINGS INC.**, a Nevada corporation ("Assignor"), and **TRANSCOM ACQUISITION COMPANY, LLC**, a Nevada limited liability company ("Assignee").

WHEREAS, Assignor and Assignee are parties to that certain Asset Purchase Agreement dated October 13, 2004 (the "Purchase Agreement"), pursuant to which Assignor has agreed to sell and Assignee has agreed to purchase the "Acquired Assets" as defined in the Purchase Agreement;

WHEREAS, capitalized terms used by not otherwise defined herein shall have the meanings ascribed to such terms in the Purchase Agreement;

WHEREAS, Assignor is the owner of the entire right, title and interest in, to and under the United States and foreign trademark registrations and applications for registration of trademarks identified and set forth on Schedule A or that otherwise constitute Acquired Assets under the Purchase Agreement (all of the foregoing collectively, the "Trademarks") and the goodwill associated with all of the foregoing; and

WHEREAS, pursuant to the Purchase Agreement, the Trademarks and their associated goodwill are to be assigned to Assignee.

NOW, THEREFORE, for good and valuable consideration (including the premises and covenants set forth in the Agreement), the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Conveyance. Assignor hereby sells, assigns, transfers and sets over to Assignee all of Assignor's right, title and interest in and to the Trademarks, together with the goodwill of the business in connection with which the Trademarks are used, and all registrations and applications therefor in the United States and for all foreign countries, including any renewals and extensions of the registrations that are or may be secured under the laws of the United States and all foreign countries, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment and sale had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter, including, without limitation, all claims for damages by reason of past, present or future infringement or other unauthorized use of the Trademarks, with the right to sue for and collect the same for Assignee's own use and enjoyment and for the use and enjoyment of its successors, assigns or other legal representatives.

2. Assignor's Undertaking. Assignor authorizes and requests the United States Commissioner of Patents and Trademarks and any other similar government authority to record Assignee as the assignee and owner of the Trademarks, and issue any and all registrations thereon to Assignee, as assignee of the entire right, title and interest in, to and under the same, for the sole use and enjoyment of Assignee, its successors, assigns or other legal representatives.

3. Assignor's Further Undertaking. Assignor shall provide to Assignee, its successors, assigns or other legal representatives, cooperation and assistance at Assignee's request and expense (including, without limitation, the execution and delivery of any and all affidavits, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required) in connection with: (1) preparation and prosecution of any application for registration or renewal of a registration covering any of the Trademarks; (2) prosecution or defense of any interference, opposition, infringement or other proceedings that may arise in connection with any of the Trademarks, including, without limitation, testifying as to any facts relating to the Trademarks assigned herein and this Assignment; (3) obtaining any additional trademark protection for the Trademarks that Assignee reasonably may deem appropriate that may be secured under the laws now or hereafter in effect in the United States or for all foreign countries; and (4) implementation or perfection of this Assignment.

4. Counterparts. This Assignment may be executed in two or more counterparts (including by means of telecopied signature pages), each of which shall be deemed to be an original, and all of which together shall constitute one and the same instrument.

5. Governing Law. This Assignment shall be governed by and construed in accordance with the laws of the United States of America and of the State of Tennessee.

6. The Purchase Agreement. Nothing contained in this Assignment shall be deemed to supersede, enlarge or modify any of the obligations, agreements, covenants or warranties of Assignor or Assignee contained in the Purchase Agreement, all of which survive the execution and delivery of this Assignment as provided in the Purchase Agreement. In the event of any conflict or inconsistency between the terms of the Purchase Agreement and the terms hereof, the terms of the Purchase Agreement shall govern and control.

7. Binding Effect. This Assignment shall inure to the benefit of and be binding on the successors and assigns of both parties.
