## TRADEMARK SECURITY AGREEMENT

**THIS TRADEMARK SECURITY AGREEMENT** (this "Agreement"), dated as of December 28, 2004, executed by CAJUN OPERATING COMPANY, a Delaware corporation (the "Grantor") in favor of CAJUN FUNDING CORP., a Delaware corporation ("CFC"). Capitalized terms used in this Agreement shall have the meanings set forth in the Security Agreement (as defined below) unless specifically defined herein.

### WITNESSETH:

**WHEREAS**, Cajun Operating Company ("OpCo"), CFC, FILA Limited, as agent for OpCo and First Islamic Investment Funding Limited, as agent for CFC, are all party to that certain Working Capital Murabaha Facility Agreement, dated as of the date hereof (as amended, restated, modified, extended, renewed, replaced, supplemented and/or refinanced from time to time, the "OpCo Facility Agreement"), pursuant to which CFC has agreed to provide to OpCo financing and other financial accommodations through a deferred payment revolving purchase facility;

**WHEREAS**, OpCo and CFC are parties to that certain Lease and License Financing and Purchase Option Agreement, dated as of the date hereof (as amended, restated, modified, extended, renewed, replaced, supplemented and/or refinanced from time to time, the "Lease Agreement"), pursuant to which CFC shall lease and grant a license to OpCo with respect to certain assets more particularly described therein;

**WHEREAS**, the Grantor, OpCo and certain other affiliates of OpCo have entered into a Security Agreement, dated as of the date hereof (as amended, restated, modified, extended, renewed, replaced, supplemented and/or refinanced from time to time, the "Security Agreement"), pursuant to which the Grantor has granted to CFC a continuing security interest in, among other things, the Intellectual Property of the Grantor, including, without limitation, (a) all of the Grantor's Trademarks (as herein defined), whether presently existing or hereafter acquired or arising, or in which the Grantor now has or hereafter acquires rights and wherever located; (b) all of the Grantor's Trademark Licenses (as herein defined), whether presently existing or hereafter acquired or in which the Grantor now has or hereafter acquires rights and wherever located; and (c) all products and proceeds of any of the foregoing, as security for all of the Secured Obligations;

**WHEREAS**, it is a condition precedent to CFC's obligations under the OpCo Facility Agreement and the Lease Agreement that the Grantor grant to CFC a security interest in the Property (as defined herein); and

**WHEREAS**, the Grantor desires to execute this Agreement to satisfy the conditions precedent described above.

**NOW, THEREFORE**, in consideration of the premises and of the mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. For purposes of this Agreement and in addition to terms defined elsewhere in this Agreement, the following terms shall have the meanings herein specified (such meaning to be equally applicable to both the singular and plural forms of the terms defined):

"Trademark License" means any written agreement now or hereafter acquired by the Grantor or in which the Grantor has or acquires any right, title or interest and wherever located granting to the Grantor any right to use any Trademark, including, without limitation, the agreements listed on Schedule I attached hereto.

"Trademarks" means all of the following now owned or hereafter acquired by the Grantor or in which the Grantor has or acquires any right, title or interest and wherever located: (i) all trademarks, trade names, corporate names, company names, business names, fictitious business names, trade styles, service marks, logos, other source or business identifiers, prints and labels on which any of the foregoing have appeared or appear, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office or in any similar office or agency of the United States, any State thereof or any other country or any political subdivision thereof (except in any jurisdiction in which the grant of a security interest in trademarks is prohibited and except for any intent to use applications unless or until a statement of use or amendment to assert use has been filed with the United States Patent and Trademark Office), including, without limitation, those U.S. registrations and applications for registration listed on Schedule I attached hereto, together with all the rights, benefits and privileges derived therefrom and the goodwill of the business relating thereto or symbolized thereby, (ii) all renewals thereof and (iii) all proceeds of the foregoing.

2. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure all of the Secured Obligations, the Grantor hereby mortgages, pledges, hypothecates, sets over and conveys a security interest to CFC and does hereby grant to CFC a continuing security interest in, all of the Grantor's right, title and interest in, to and under the following (collectively, the "Property"):

- (a) each Trademark; and
- (b) each Trademark License; and
- (c) all products and proceeds of, and rights associated with, the foregoing, including, without limitation, any claim by the Grantor against third parties for past, present or future infringement or dilution of any Trademark or Trademark registration, for breach or enforcement of any Trademark License or

for any injury to the goodwill associated with the use of any such Trademark, and all rights corresponding thereto throughout the world, if any, including, without limitation, with respect to any Trademark or Trademark License referred to in Schedule I hereto.

Notwithstanding the foregoing or anything else contained in this Agreement to the contrary, the grant set forth above shall not be effective as a transfer of title to the Property unless and until CFC exercises the rights and remedies accorded to it under the Security Agreement and by law with respect to the realization upon its security interest in the Property, and until such time, the Grantor shall own, and may use and enjoy the Property in connection with its business operations, and exercise all incidents of ownership, including, without limitation, enforcement of its rights and remedies with respect to the Property, but with respect to all Property being used in the Grantor's business, only in a manner consistent with the preservation of the current substance, validity and registration of, and the security interest granted in, such Property; provided, however, that the foregoing shall not impose an obligation on the Grantor to continue to use any of the Property in the Grantor's business to the extent that such Property is not necessary in the normal conduct of its business. The Grantor agrees not to sell or assign its interest in, or grant any sublicense under, the Property, except that the Grantor may sublicense the Property in the ordinary course of the Grantor's business but only in a manner consistent with the preservation of the current substance, validity and registration, and the security interest granted in, such Property. Upon the exercise by CFC of the rights and remedies accorded to it under the Security Agreement and by law with respect to the realization upon its security interest in the Property, the Grantor's ownership of the Property, in which a continuing security interest under this paragraph has been granted to CFC shall be terminated.

3. This Agreement has been executed and delivered by the Grantor for the purpose of registering the security interest of CFC in the Property with the United States Patent and Trademark Office and corresponding offices in other countries of the world. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to CFC under the Security Agreement. The Security Agreement (and all rights and remedies of CFC) shall remain in full force and effect in accordance with its terms.

4. The Grantor does hereby further acknowledge and affirm that the representations, warranties and covenants of the Grantor with respect to the Property and the rights and remedies of CFC with respect to the security interest in and collateral assignment of the Property made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. This Agreement shall terminate upon termination of the Security Agreement. At any time and from time to time prior to such termination, CFC may, in accordance with the terms of the Security Agreement, terminate its security interest in or reconvey to the Grantor any rights with respect to any or all of the Property. Upon termination of this Agreement and following a request from the Grantor, CFC shall, at the expense of the Grantor, execute and deliver to the Grantor all deeds, releases and other instruments as the Grantor may reasonably request (but without recourse or warranty by CFC) in order to evidence such termination.

6. If at any time before the termination of this Agreement in accordance with Section 5, the Grantor shall obtain or acquire rights to any new Trademark or Trademark License, the provisions of Section 2 shall automatically apply thereto and the Grantor shall comply with the terms of the Security Agreement with respect to such new Trademark or Trademark License. The Grantor authorizes CFC to modify this Agreement by amending Schedule I to include any future Trademarks and Trademark Licenses covered by Section 2 or by this Section 6.

7. The Grantor further agrees that (a) CFC shall have no obligation or responsibility to protect, defend, file, prosecute, obtain or maintain the Property and the Grantor shall, at its own expense, protect, defend, file, prosecute, obtain and maintain the same in accordance with the terms and conditions set forth in the Security Agreement and in accordance with its prudent business judgment, (b) the Grantor shall forthwith advise CFC promptly in writing upon detection of infringements of any of the Property being used in the Grantor's business and (c) if the Grantor fails to comply with the requirements of the preceding clause (a), CFC may do so in the Grantor's name or in its own name, but in any case at the Grantor's expense, and the Grantor hereby agrees to reimburse CFC for all reasonable expenses, including attorneys' fees, incurred by CFC in protecting, defending and maintaining the Property.

8. Notwithstanding anything to the contrary contained herein, the Grantor acknowledges that CFC has granted a security interest to SunTrust Bank, as collateral agent (the "Collateral Agent"), for the benefit of the holders of certain obligations of CFC, in, to and under all assets of CFC including, without limitation, the Property. Accordingly, each Grantor agrees that: (i) the Collateral Agent shall have all the rights, powers, privileges and remedies of CFC hereunder; specifically, the Grantor agrees that, upon the occurrence of an event of default under the OpCo Facility Agreement or the Lease Agreement, the Collateral Agent may exercise any right or remedy against the Grantor provided for herein and the Grantor will not interpose as a defense that such claim should have been asserted by CFC; and (ii) upon the delivery by the Collateral Agent of any notice to the Grantor stating that an event of default has occurred under the OpCo Facility Agreement or the Lease Agreement, then the Grantor will, if so requested by the Collateral Agent, treat the Collateral Agent or the Collateral Agent's designee, as the case may be, for all purposes as CFC hereunder and in all respects comply with all obligations under this Agreement that are asserted by the Collateral Agent as the successor to CFC hereunder, irrespective of whether the Grantor has received any such notice from CFC.

9. This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement.

10.
