Execution Version

TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment"), dated as of September 30, 2004, is made by and between Storability, Inc. ("**Assignor**"), a Delaware corporation, and Storage Technology Corporation ("**Company**"), a Delaware corporation.

Company desires to acquire the marks, names, logos and phrases set forth in **Schedule A** (collectively, the "**Marks**") and the goodwill of the business associated therewith and all registrations of and applications to register the Marks.

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Assignment. Assignor hereby irrevocably assigns and transfers to Company, for Company's own use and enjoyment: (a) all right, title and interest in, to, and under the Marks and the goodwill of the business symbolized thereby and associated therewith (including the entire business portion thereof to which the Marks pertain as required by 15 U.S.C. § 1060 with respect to the Marks that are the subject of intent to use applications in the United States); (b) all registrations of and applications to register the Marks both in the United States and in other applicable countries; (c) all claims for damages by reason of past, present or future infringement or other unauthorized use of the Marks; and (d) the right to sue for damages and to collect the same.

2. Further Assurances. Assignor, at Company's request, agrees to execute, acknowledge and deliver assignments of the Marks, and all registrations and applications therefore, on appropriate forms to satisfy any requirements as may be prescribed by the applicable agency or authority or, in the absence of any requirements, as may be appropriate under the circumstances. Assignor, at Company's request, agrees to take all other action as may be necessary, advisable and appropriate to implement, register, perfect or otherwise notify all appropriate governmental agencies and authorities of the assignment contained in this Assignment. Company will reimburse Assignor for any costs and expenses paid by Assignor to government agencies in performing any of the foregoing actions in this Section 2.

3. Cooperation and Assistance. Assignor will cooperate with and reasonably assist Company: (a) in the preparation and prosecution of any applications for registration or any applications for renewal of registrations covering the Marks; and (b) in the prosecution or defense of any oppositions, interferences, infringement suits, or other proceedings that may arise in connection with any of the Marks, including without limitation, testifying as to any facts relating to the Marks assigned in this Assignment. Company will reimburse Assignor for any costs and expenses paid by Assignor to government agencies in performing any of the foregoing actions in this Section 3.

4. Restriction. Assignor will not adopt or register any trademarks confusingly similar to the Marks. Assignor will not use the Marks, or any confusingly similar derivation, in any context.

5. Severability. If any provision of this Assignment is found invalid or unenforceable, in whole or in part, the remaining provisions and partially enforceable provisions will, nevertheless, be binding and enforceable.

6. Binding Effect. The provisions of this Assignment shall inure to the benefit of, and be binding upon, the successors, assigns, and administrators of the parties to this Assignment.

The undersigned have executed this Assignment as of the date set forth above.

STORABILITY, INC., a Delaware corporation
