EXECUTION VERSION

TRADEMARK SECURITY AGREEMENT

(TRADEMARKS, TRADEMARK REGISTRATIONS,
TRADEMARK APPLICATIONS AND TRADEMARK LICENSES)

WHEREAS, Morgan Creek Productions, Inc., a Delaware corporation ("MCP") and Morgan Creek International, Inc., a Delaware corporation ("MCI", and together with MCP, the "Borrowers") and each other affiliate of the Borrowers whose names appear at the foot hereof (each an "Affiliate", and together with the Borrowers, the "Pledgors"), now own or hold and may hereafter adopt, acquire or hold Trademarks (defined as all of the following: all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade dress, logos, other source of business identifiers and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof or similar property rights, and all applications in connection therewith, including, without limitation, registrations, recordings and applications in the United States Patent and Trademark Office (the "PTO") or in any similar office or agency of the United States, any state thereof or any other country or any political subdivision of any thereof, and all reissues, extensions or renewals thereof), including, without limitation, the Trademarks listed on Schedule A annexed hereto, as such Schedule may be amended from time to time by the addition of Trademarks subsequently registered or otherwise adopted or acquired;

WHEREAS, pursuant to that certain Second Amended and Restated Credit, Security and Guaranty Agreement dated as of August 30, 1995, as amended and restated as of December 7, 1999, and as further amended and restated as of December 8, 2004 (as the same may be further amended, supplemented or otherwise modified, renewed or replaced from time to time, the "Credit Agreement") among the Borrowers, the Guarantors referred to therein, the Lenders referred to therein (the "Lenders"), and JPMorgan Chase Bank, National Association (formerly known as JPMorgan Chase Bank), as Agent (in such capacity, the "Agent") and as Issuing Bank (in such capacity, the "Issuing Bank"), the Lenders have agreed to make loans and extend other financial accommodations to the Borrowers;

WHEREAS, pursuant to the terms of the Credit Agreement, the Pledgors have granted to the Agent (for the benefit of itself, the Issuing Bank and the Lenders) a security interest in and to all personal property of the Pledgors, including, without limitation, all right, title and interest of the Pledgors in, to and under all of the Pledgors' Trademarks and licenses of Trademarks in favor of Pledgors as licensees (including, without limitation, those Trademark licenses listed on Schedule B hereto), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in the possession of the Pledgors, together with the goodwill of the business connected with, and symbolized by, the Trademarks and all products and proceeds thereof and all income therefrom, including, without limitation, any and all causes of action that exist now or may exist in the future by reason of infringement or dilution thereof or injury to the associated goodwill, to secure the payment and performance of the Obligations (as such term is defined in the Credit Agreement); and

WHEREAS, the Agent and the Pledgors by this instrument seek to confirm and make a record of the grant of a security interest in the Trademarks, such Trademark licenses and the goodwill associated therewith.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Pledgors do hereby grant to the Agent (for the benefit of itself, the Issuing Bank and the Lenders), solely as security for the Obligations, a continuing security interest in all of the Pledgors' right, title and interest in, to and under the following (all of the following items or types of property being collectively referred to herein as the "Trademark Collateral"), whether now owned, presently existing or hereafter arising, adopted or acquired and whether or not in the possession of the Pledgors:

(i) each Trademark and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark, including, without limitation, each Trademark referred to in Schedule A annexed hereto;

(ii) each such Trademark license, including, without limitation, each such Trademark license referred to in Schedule B annexed hereto, to the extent such Trademark license does not prohibit the licensee from assigning or granting a security interest in its rights thereunder; and

(iii) all products and proceeds of, and income from, any of the foregoing, including, without limitation, any claim by the Pledgors against third parties for the past, present or future infringement or dilution of any Trademark or any Trademark licensed under any Trademark license, or for injury to the goodwill associated with any Trademark.

Each Pledgor agrees to deliver to the Agent, as soon as such Pledgor acquires any Trademark or becomes the licensee under any such Trademark license of any Trademark that is material to the business and operations of such Pledgor, (i) written evidence of the application for registration in the PTO of such Trademark or, if and to the extent such registration is required by Applicable Law in the United States for the effectiveness or validity thereof, of each such Trademark license (to the extent such Trademark or Trademark license may be so registered) and (ii) a Trademark Security Agreement executed by such Pledgor and all other parties to the Trademark Security Agreement after the Pledgor registers or otherwise adopts or acquires any Trademark not listed on Schedule A hereto or enters into any Trademark license not listed on Schedule B hereto, and to duly and promptly execute and deliver, or have duly and promptly executed and delivered, at the cost and expense of such Pledgor, such further instruments or documents (in form and substance satisfactory to the Agent), and promptly perform, or cause to be promptly performed, upon the request of the Agent, any and all acts, in all cases, as may be necessary, proper or advisable from time to time, in the reasonable judgment of the Agent, to carry out the provisions and purposes of the Credit Agreement and this Trademark Security Agreement, and to provide, perfect and preserve the liens of the Agent (for the benefit of itself, the Issuing Bank and the Lenders) granted pursuant to the Credit Agreement, this Trademark Security Agreement, and the other Fundamental Documents (as defined in the Credit Agreement) in the Trademark Collateral or any portion thereof.

Each Pledgor agrees that if any person, firm, corporation or other entity shall do or perform any act that the Agent believes constitutes an infringement of any Trademark, or violate or infringe any right of a Pledgor, the Agent, the Issuing Bank or the Lenders hereunder, or if any person, firm, corporation or other entity shall do or perform any act that the Agent reasonably believes constitutes an unauthorized or unlawful use thereof, then and in any such event, upon thirty (30) days' prior written notice to such Pledgor (or if an Event of Default (as defined in the Credit Agreement) is at the time continuing, then without notice), the Agent may and shall have the right to take such reasonable steps and institute such reasonable suits or proceedings as the Agent may deem advisable or necessary to prevent such act and conduct and to secure damages and other relief by reason thereof, and to generally take such steps as may be advisable, necessary or proper for the full protection of the rights of the parties. The Agent may take such steps or institute such suits or proceedings in its own name or in the name of the applicable Pledgor or in the names of the parties jointly. The Agent hereby agrees to give the applicable Pledgor reasonable prior written notice of any steps taken, or any suits or proceedings instituted, by the Agent pursuant to this paragraph (provided that the failure to give any such notice shall not affect the validity of any of the same), and such Pledgor agrees to assist the Agent with any steps taken, or any suits or proceedings instituted by, the Agent pursuant to this paragraph at such Pledgor's sole expense.

This security interest is granted in conjunction with the security interests granted to the Agent (for the benefit of itself, the Issuing Bank and the Lenders) pursuant to the Credit Agreement. Each of the Pledgors and the Agent does hereby further acknowledge and affirm that the rights and remedies of the Agent (for the benefit of itself, the Issuing Bank and the Lenders) with respect to the security interest made and granted hereby are subject to, and more fully set forth in, the Credit Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

This Trademark Security Agreement is made for collateral purposes only and does not constitute an assignment of any right, title or interest in or to any Trademark or Trademark license, other than the security interest described herein. At such time as all Commitments (as defined in the Credit Agreement) under the Credit Agreement have terminated, all Obligations have been indefeasibly fully paid and performed and all Letters of Credit (as defined in the Credit Agreement) have expired or been terminated or canceled, the Agent (on behalf of itself, the Issuing Bank and the Lenders) shall execute and deliver to the Pledgors, at the Pledgors' expense, without representation, warranty or recourse, all releases and reassignments, termination statements and other instruments as may be necessary or proper to terminate the security interest of the Agent (for the benefit of itself, the Issuing Bank and the Lenders) in the Trademark Collateral, subject to any disposition thereof that may have been made by the Agent pursuant to the terms hereof or of the Credit Agreement.

So long as no Event of Default shall have occurred and be continuing, and subject always to the various provisions of the Credit Agreement and the other Fundamental Documents to which it is a party, the Pledgors may freely use, license, sublicense and exploit the Trademark Collateral in any lawful manner permitted under the Credit Agreement and the other Fundamental Documents.

**THIS TRADEMARK SECURITY AGREEMENT SHALL BE
CONSTRUED IN ACCORDANCE WITH, AND GOVERNED BY, THE LAWS OF THE
STATE OF NEW YORK APPLICABLE TO CONTRACTS MADE AND TO BE
PERFORMED WHOLLY WITHIN THE STATE OF NEW YORK.**

Capitalized terms used herein and not otherwise defined shall have the meanings ascribed thereto in the Credit Agreement. In the event of a conflict between this Trademark Security Agreement and the Credit Agreement, the provisions of the Credit Agreement will govern.

[Signature pages follow.]

IN WITNESS WHEREOF, the Pledgors have caused this Trademark Security Agreement to be duly executed as of December 8, 2004.
