Release of Patent and Trademark Collateral Assignment and Security Agreement

This Release of Patent and Trademark Collateral Assignment and Security Agreement is made and entered into as of July 20, 2004, by Manufacturers Bank, a California banking corporation ("Bank"), with reference to the following:

A. Bank and JS Products, Inc., a Nevada corporation ("Grantor") are parties to that certain Patent and Trademark Collateral Assignment and Security Agreement dated as of November 17, 1997 (the "Security Agreement") pursuant to which Grantor granted, assigned and conveyed to Bank a first-priority security interest in certain property of Grantor more particularly described therein (the "Intellectual Property"), including without limitation (j) all United States and foreign patents, patent applications and patentable inventions of Grantor, including but not limited to those set forth in Exhibit A attached hereto, and (ii) all United States and foreign trademarks, trademark registrations and trademark applications and the goodwill of the business to which each of the trademarks relates, including but not limited to those trademarks, trademark registrations and trademark applications set forth in Exhibit B attached hereto.

B. The Security Agreement was recorded in the United States Patent and Trademark Office on November 24, 1997, beginning at Reel 1658, Frame 0642.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, Bank hereby releases its security interest in the Intellectual Property, and grants, assigns and conveys to Grantor all of Bank's right, title and interest therein, without any warranty or representation whatsoever. Bank acknowledges that the Security Agreement and Grantor's obligations there under have been terminated and are no longer in *force* or effect.

IN WITNESS WHEREOF, Bank has executed this Release of Patent and Trademark Collateral Assignment and Security Agreement as of the date first set forth above.
