SECTION 1. Grant of Security. Grantor hereby grants to the Security Agent for the ratable benefit of the Finance Parties a security interest in all of such Grantor's right, title and interest in and to the following (the "*Collateral*"):

(i) the patents and patent applications set forth in the Schedule attached hereto (the "*Patents*");

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

(vi) any and all proceeds of, collateral for, income, royalties and other payments now or hereafter due and payable with respect to, and supporting obligations relating to, any and all of the Collateral of or arising from any of the foregoing.

SECTION 5. Grants, Rights and Remedies. This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Security Agent with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein and, in the event of any conflict between the IP Security Agreement and the Security Agreement, the Security Agreement shall control.
