WHEREAS, the Grantor, Global Motorsport Parts, Inc., a Delaware corporation ("Parts"), Custom Chrome Europe, Ltd., a Delaware corporation ("Europe"), Custom Chrome Far East, Ltd., a Delaware corporation ("Far East"), Custom Chrome Manufacturing, Inc. dba Santee Industries, a California corporation ("Santee") and such other subsidiaries as from time to time execute a Joinder Agreement (the "Other Borrower Subsidiaries") (Grantor, Parts, Europe, Far East, Santee and the Other Borrower Subsidiaries being hereinafter collectively referred to as the "Borrowers") have entered into that certain Amended and Restated Credit Agreement dated as of February 5, 2001 (said Amended and Restated Credit Agreement, as it may hereafter be amended, restated, supplemented or otherwise modified from time to time, being the "Credit Agreement"; capitalized terms defined therein and not otherwise defined herein being used herein as therein defined) with the financial institutions named therein (collectively, together with their respective successors and assigns party to the Credit Agreement from time to time, the "Lenders"), Bank of America, N.A., as Syndication Agent, and Deutsche Bank Trust Company Americas, formerly known as Bankers Trust Company, as Administrative Agent for Lenders (in such capacity, "Secured Party"); and

WHEREAS, under the Credit Agreement Lenders have made certain commitments, subject to the terms and conditions set forth in the Credit Agreement, to extend certain credit facilities to Borrowers; and

WHEREAS, pursuant to the terms of that certain Amended and Restated Subsidiary Security Agreement dated as of February 5, 2001 (as it may hereafter be amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among Grantor, Secured Party and the other grantors named therein, Grantor has agreed to create in favor of Secured Party a secured and protected interest in, and Secured Party has agreed to become a secured creditor with respect to, the Trademark Collateral;

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, subject to the terms and conditions of the Credit Agreement and the Security Agreement, Grantor hereby grants to Secured Party a security interest in all of Grantor's right, title and interest in and to the following, in each case whether now or hereafter existing or in which Grantor now has or hereafter acquires an interest and wherever the same may be located (the "Trademark Collateral"):

- (1) all rights, title and interest (including rights acquired pursuant to a license or otherwise but only to the extent permitted by agreements governing such license or other use) in and to all trademarks, service marks, designs, logos, indicia, tradenames, trade dress, corporate names, company names, business names, fictitious business names, trade styles and/or other source and/or business identifiers and applications pertaining thereto, owned by such Grantor, or hereafter adopted and used, in its business (including, without

limitation, the trademarks specifically identified in Schedule A) (collectively, the "Trademarks"), all registrations that have been or may hereafter be issued or applied for thereon in the United States and any state thereof and in foreign countries (including, without limitation, the registrations and applications specifically identified in Schedule A) (the "Trademark Registrations"), all common law and other rights (but in no event any of the obligations) in and to the Trademarks in the United States and any state thereof and in foreign countries (the "Trademark Rights"), and all goodwill of such Grantor's business symbolized by the Trademarks and associated therewith (the "Associated Goodwill"); and

(ii) all proceeds, products, rents and profits of or from any and all of the foregoing Trademark Collateral and, to the extent not otherwise included, all payments under insurance (whether or not Secured Party is the loss payee thereof), or any indemnity, warranty or guaranty, payable by reason of loss or damage to or otherwise with respect to any of the foregoing Trademark Collateral. For purposes of this Grant of Trademark Security Interest, the term "proceeds" includes whatever is receivable or received when Trademark Collateral or proceeds are sold, exchanged, collected or otherwise disposed of, whether such disposition is voluntary or involuntary.

Notwithstanding anything herein to the contrary, in no event shall the Trademark Collateral include, and Grantor shall be not deemed to have granted a security interest in, any of Grantor's rights or interests in any license, contract or agreement to which Grantor is a party or any of its rights or interests thereunder to the extent, but only to the extent, that such a grant would, under the terms of such license, contract or agreement or otherwise, result in a breach of the terms of, or constitute a default under any license, contract or agreement to which Grantor is a party; provided, that immediately upon the ineffectiveness, lapse or termination of any such provision, the Trademark Collateral shall include, and Grantor shall be deemed to have granted a security interest in, all such rights and interests as if such provision had never been in effect.
