**ASSIGNMENT OF TRADEMARKS and PATENT
AND REGISTRATION**

WHEREAS, Global Network Productions, a Nevada corporation (“Assignor”), located at 3540 West Sahara Avenue #25, Las Vegas, Nevada 89102 has adopted and used in commerce in or with the United States the trademarks set forth in Exhibit A attached hereto (hereinafter “the Marks”), and owns a registration in the U.S. Patent and Trademark Office for the Marks, as identified in Exhibit A attached hereto (hereinafter “the Registration”), for use of the Marks on or in connection with the Sky Zone Game®, as set forth in Exhibit A attached hereto (hereinafter “the Game”); and

WHEREAS, Assignor has adopted and used in commerce in or with the United States the patent set forth in Exhibit A attached hereto (hereinafter “the Patent”), and owns a registration in the U.S. Patent and Trademark Office for the Patent, as identified in Exhibit A attached hereto (hereinafter “the Patent Registration”), for use of the Patent on or in connection with the Game; and

WHEREAS, Sky Zone L.L.C., a Nevada Limited Liability Company (“Assignee”), located at 3540 West Sahara Avenue #25, Las Vegas, Nevada 89102, is desirous of acquiring the Marks and the Patent in the United States, the Registration and Patent Registration and the goodwill of the business symbolized by the Marks and the Patent in the United States (hereinafter “the Goodwill”);

NOW THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

1. Assignor does hereby irrevocably sell, convey, assign, transfer and deliver to Assignee all of Assignor’s right, title and interest in the Sky Zone® Trademarks and their

registration, and the Sky Zone® Patent and its registration. As used herein, "Trademark" shall mean all trademarks, trademark applications, service marks, service mark applications, brand name, the Business Name, trade and other names (either registered, common law or registration applied for), any and all proprietary appearance of any product, packaging or outlet, logos, slogans and similar rights owned by Assignor that relate to Sky Zone®, together with the goodwill pertaining thereto, and the right to sue for past and future infringements, whether within or outside the United States of America, including but not limited to those listed on Exhibit A hereto. As used herein, "Patent" shall mean all patents, patent applications (either registered, common law or registration applied for), any and all proprietary appearance of any product, packaging or outlet, logos, slogans and similar rights owned by Assignor that relate to Sky Zone®, together with the goodwill pertaining thereto, and the right to sue for past and future infringements, whether within or outside the United States of America, including but not limited to those listed on Exhibit A hereto.

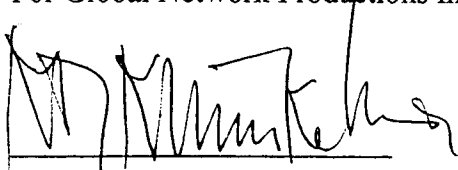

2. Any term or provision of this Assignment may be amended only by a writing signed by Assignor and Assignee. The observance of any term or provision of this Assignment may be waived (either generally or in a particular instance and either retroactively or prospectively) only by a writing signed by the party to be bound by such waiver. No waiver by a party of any breach of this Assignment will be deemed to constitute a waiver of any other breach or any succeeding breach.

3. This Assignment shall be governed by and construed in accordance with the laws of the State of Nevada.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Assignment
to be executed as of April 12, 2002.

The Goods

Sky Zone - for entertainment services in the nature of live sporting or athletic contests or games; and entertainment services, namely a series of broadcasts, cable and pay-per-view television programs in the field of sporting or athletic contests or games in Class 41 (U.S. CLS 100, 101 and 107).

Sky Zone Game - for entertainment in the nature of live competitions in the field of athletics and entertainment, namely athletic competition shows distributed over broadcast, cable and pay-per-view television in Class 41 (U.S. CLS 100, 101 and 107).

The Patent and Registration Sport Game and Field
U.S. Patent No. 5,624,122
Registration: April 29, 1997
Filed: July 17, 1996

A competitive sport, and a facility for playing the same, the facility having a raised planar playing field formed of a plurality of rectangular trampoline-like channels held together edgewise by supporting cables with all of the adjacent edges and cables being covered by padding. The rectangular planar field is preferably circumscribed by additional similar panels angled upwardly and outwardly from the edges of the planar field with goals being provided in each of the end angled panels. The playing field may be divided and marked in predetermined ways depending upon the rules of the game. In one form the game may involve two teams; one provided for each half of the field, with each team taking turns for prescribed periods in attempting to project a ball into a goal at the angled panels projecting upwardly from the end of the opponents' side of the field, while the defendant's attempt to thwart the defensive team's attempts to make a goal. The total number of goals scored by each team are totaled after the expiration of allowed play periods to determine the winning team.
