SECURITY INTEREST IN TRADEMARK RIGHTS

THIS SECURITY INTEREST IN TRADEMARK RIGHTS ("Security Agreement"), dated as of January 26, 2005 is made by GAB Robins North America, Inc., a Delaware corporation (the "Company"), in favor of FORTRESS CREDIT CORP., a Delaware corporation, as Administrative Agent (the "Administrative Agent") for the banks and other financial institutions (the "Lenders") parties to the Credit Agreement dated as of January 26, 2005 (as amended, supplemented or modified, the "Credit Agreement"), among Brera GAB Robins, LLC, the Company, the Lenders and the Administrative Agent.

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and other extensions of credit to the Company upon the terms and subject to the conditions set forth therein;

WHEREAS, it is a condition precedent to the obligation of the Lenders to make their respective extensions of credit to the Company under the Credit Agreement that the Company shall have executed and delivered the Guarantee and Collateral Agreement, dated as of January 26, 2005 (the "Guarantee and Collateral Agreement") to the Administrative Agent for the ratable benefit of the Lenders;

WHEREAS, pursuant to Section 3 to the Guarantee and Collateral Agreement, the Company granted to the Agent for the ratable benefit of the Agent and the Lenders a security interest in the Collateral, which includes all Trademarks now owned or at any time hereafter acquired by the Company;

WHEREAS, pursuant to the foregoing, the Company has duly authorized the execution, delivery and performance of this separate Security Agreement with respect to Trademarks;

NOW THEREFORE, for good and valuable consideration (including that set forth in the Credit Agreement), the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Company pursuant to the Credit Agreement, the Company agrees, for the benefit of the Administrative Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Security Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Guarantee and Collateral Agreement.

SECTION 2. Grant of Security Interest. The Company hereby assigns and transfers to the Administrative Agent, and hereby grants to the Administrative Agent, for the ratable benefit of the Lenders, a security interest in the Trademarks now owned by the Company listed on Schedule A hereto to the Administrative Agent for the benefit of the Administrative Agent and the Lenders, as collateral security for the prompt and complete payment and performance and when due (whether at the slated maturity by acceleration or otherwise) of the Company's obligations.

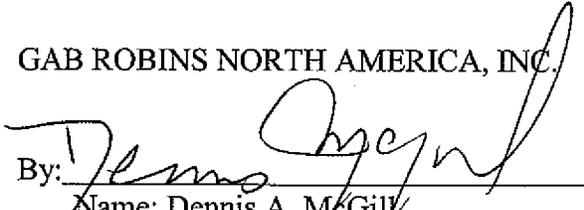

SECTION 3. Purpose. This Security Agreement has been executed and delivered by the Company for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Lenders under the Guarantee and Collateral Agreement. The Guarantee and Collateral Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. The Company does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Guarantee and Collateral Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.
