ASSIGNMENT OF MARKS

This Assignment of Marks (this "Assignment") is made this 22nd day of February, 2005, by and between CSX World Terminals, LLC ("CSXWT") and CSX IP, Inc. ("CSXIP").

WHEREAS, CSXWT is the owner of certain trademarks, service marks, trade names, brandmarks, brand names, domain names, trade dress and logos that contain the names "CSX," "CSXWT," "CSX World Terminals," "W" and similar names and logos (collectively the "Marks"), including without limitation those Marks identified in Exhibit I attached hereto; and

WHEREAS, pursuant to the Stock Purchase Agreement dated as of December 8, 2004 (the "Agreement") by and between CSX Corporation ("Seller") and Dubai Ports International FZE ("Purchaser"), Purchaser is required to cause CSXWT to assign to CSXIP or another designee of Seller all right, title and interest in and to the Marks, and CSXIP desires to acquire all right, title and interest in and to such Marks, in each case regardless of whether such Marks are registered with a governmental or similar authority or registrar.

NOW THEREFORE, in consideration of the premises and the mutual terms, conditions and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, CSXWT does hereby irrevocably assign to CSXIP all of its worldwide right, title and interest in and to the Marks, together with the goodwill symbolized thereby. CSXWT shall sign all assignments and other documents requested by CSXIP necessary in order to effectuate the assignment of any of the Marks in any particular jurisdiction or with any particular registrar, and shall otherwise assist and cooperate with CSXIP and take such further action as may be requested by CSXIP in order to effectuate the assignment of any of the Marks in any particular jurisdiction or with any particular registrar. The parties understand that the intention of this Assignment is to return to Seller and its affiliates sole ownership of, and, as between the parties, the exclusive right to use, the Marks, and that this Assignment is being made by CSXWT with respect to the Marks as they existed as of the Closing (as such term is defined in the Agreement) with no other representation or warranty, whether express, implied or statutory.
