(d) Take any and all action which the Credit Parties reasonably deem appropriate under the circumstances to protect the Intellectual Property from infringement, misappropriation or dilution, including, without limitation, the prosecution and defense of infringement actions.

4. **Representations and Warranties.** Each Credit Party represents and warrants that:

(a) Schedule I is a true, correct and complete list of all registered or applied for Intellectual Property owned by the Credit Parties as of the date hereof.

(b) Except as set forth in Schedule I, none of the Intellectual Property identified on Schedule I is the subject of any licensing or franchise agreement pursuant to which any Credit Party is the licensor or franchisor.

(c) The Intellectual Property identified on Schedule I hereto, is valid and enforceable, and to the Credit Parties' knowledge: (i) no claim has been made that the use of any of the Intellectual Property does or may violate the rights of any third person; and (ii) no material claim has been asserted and is pending by any Person challenging or questioning the use by any Credit Party of any of

the Intellectual Property owned by any Credit Party or the validity or effectiveness of any of the Intellectual Property owned by any Credit Party, nor does any Credit Party know of any valid basis for any such claim.

(d) Except as could not be reasonably expected to have a Material Adverse Effect, each Credit Party owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted, and such Credit Party is the sole and exclusive owner of the entire right, title and interest in, under and to, free and clear of any liens, charges and encumbrances, other than any Intellectual Property listed on Schedule I that is purported to be owned by each of the Credit Parties, Permitted Liens and Liens in favor of Agent.

(e) To the knowledge of each of the Credit Parties, no holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of, or any Credit Party's rights in, any Intellectual Property set forth on Schedule I in any respect that could reasonably be expected to have a Material Adverse Effect on the business or the property of any Credit Party.

(f) Each Credit Party has the legal right and authority to enter into this Agreement and perform its terms.

(g) The Credit Parties shall give Agent written notice (with reasonable detail) on a quarterly basis in the event any of the following occur:

(i) The Credit Parties' obtaining rights to, and filing applications for registration of, any new Intellectual Property, or otherwise acquiring ownership of any newly registered Intellectual Property.

(ii) The Credit Parties' becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor.

(iii) The Credit Parties' entering into any new Licenses.

(iv) The Credit Parties' shall give Agent written notice (with reasonable detail) following the occurrence of the Credit Parties' knowing or having reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination or development (including, without limitation, the institution of, or any such determination or development in, any proceeding in the United States Patent and Trademark Office or any court or tribunal) regarding the Credit Parties' ownership of, or the validity of, any material Intellectual Property or the Credit Parties' right to register the same or to own and maintain the same.

(h) If any Credit Party amends its name, such Credit Party shall provide copies of such amendment documentation to Agent and shall re-register such Credit Party's Intellectual Property with the appropriate Governmental Authority and shall execute and deliver such agreements or documentation as Agent shall request to maintain a perfected first priority security interest in such Intellectual Property, to the extent such security interest can be perfected by such filing.

5. **No Violation of Loan Agreement.** The representations, warranties or covenants contained herein are supplemental to those representations, warranties and covenants contained in the Loan Agreement, and shall not be deemed to modify any such representation, warranty or covenant contained in the Loan Agreement.

(a) The provisions of this Agreement shall automatically apply to any such additional property or rights described in Section 4. above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement.

(b) Upon the reasonable request of Agent, the Credit Parties shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as Agent may request to evidence Agent's security interest in any Intellectual Property and the goodwill of the Credit Parties relating thereto or represented thereby (including, without limitation, filings with the United States Patent and Trademark Office or any similar office), and the Credit Parties hereby constitute Agent as their attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; *provided, however*, Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

7. Credit Parties' Rights To Enforce Intellectual Property. Prior to Agent's giving of notice to the Credit Parties following the occurrence and during the continuance of an Event of Default the Credit Parties shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property including the right to seek injunctions and/or money damages, in an effort by the Credit Parties to protect the Intellectual Property against encroachment by third parties, *provided, however*:

(a) Any money damages awarded or received by the Credit Parties on account of such suit (or the threat of such suit) shall constitute IP Collateral.

(b) Any damages recovered in any action pursuant to this Section, net of costs and attorneys' fees reasonably incurred, to be applied as provided in Sections 2.11 or 9.2 of the Loan Agreement, as applicable.

(c) Following the occurrence of any Event of Default, Agent, by notice to the Credit Parties may terminate or limit the Credit Parties' rights under this Section 7.

8. Agent's Actions To Protect Intellectual Property. In the event of the occurrence and continuance of any other Event of Default, Agent, acting in its own name or in that of the Credit Parties, may (but shall not be required to) act in the Credit Parties' place and stead and/or in Agent's own right in connection therewith.

9. Rights Upon Default. Upon the occurrence of any Event of Default, Agent may exercise all rights and remedies as provided for in the Loan Agreement.

10. Agent as Attorney In Fact.

(a) The Credit Parties hereby irrevocably constitute and designate Agent as and for the Credit Parties' attorney in fact, effective following the occurrence and during the continuance of an Event of Default:

(i) To supplement and amend from time to time Schedule I of this Agreement to include any new or additional Intellectual Property of the Credit Parties.

(ii) To exercise any of the rights and powers referenced herein.

(b) The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of Agent.

(c) Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Section 10., but if Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Credit Party for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding Agent has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been negligent or in actual bad faith.

11. **Agent's Rights.** Upon an Event of Default any use by Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of Agent's rights and remedies under this Agreement and under the Loan Agreement shall be coextensive with the Credit Parties' rights thereunder and with respect thereto and without any liability for royalties or other related charges.

12. **No Limitation; Loan Agreement.** This Agreement has been executed and delivered by the Credit Parties for the purpose of recording the security interest granted to Agent with respect to the IP Collateral with the United States Patent and Trademark Office. The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to Agent under the Loan Agreement. The Loan Agreement (and all rights and remedies of the Credit Parties, Agent, and the Lenders thereunder) shall remain in full force and effect in accordance with its terms. In the event of a conflict between this Agreement and the Loan Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the Loan Agreement with respect to all other Collateral.

13. **Termination; Release of Trademark Collateral.** This Agreement and all obligations of the Credit Parties and Agent hereunder shall terminate on the date upon which the Obligations are performed in full and indefeasibly paid in full in cash and the Loan Agreement and other Loan Documents are terminated in accordance with the terms of the Loan Agreement. Upon termination of this Agreement, Agent shall, at the expense of the Credit Parties, take such actions required by the Loan Agreement to release its security interest in the IP Collateral.

14. **Binding Effect; Benefits.** This Agreement shall be binding upon the Credit Parties and their respective successors and assigns, and shall inure to the benefit of Agent, the Lenders and their respective successors and assigns.

15. **GOVERNING LAW.** THIS AGREEMENT AND THE RIGHTS AND OBLIGATIONS OF THE PARTIES HEREUNDER SHALL BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE INTERNAL LAWS OF THE STATE OF NEW YORK, WITHOUT GIVING EFFECT TO ITS CHOICE OF LAW PROVISIONS.
