SECURITY INTEREST IN TRADEMARK RIGHTS

THIS GRANT OF SECURITY INTEREST IN TRADEMARK RIGHTS ("Agreement"), dated as of March 18, 2005 is made by Penda Corporation, a Florida corporation ("Borrower"), in favor of Wachovia Bank, National Association as Administrative Agent (the "Agent") for the several banks and other financial institutions (the "Lenders"), parties to the Credit Agreement, dated as of April 26, 2000 (as amended, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Borrower, Penda Holdings, Inc. (the "Parent"), and certain domestics subsidiaries of the Borrower (collectively, including Borrower, the "Obligors"), the Lenders, and the Agent.

W I T N E S S E T H:

WHEREAS, pursuant to the Credit Agreement, the Lenders have severally agreed to make Loans and issue Letters of Credit upon the terms and subject to the conditions set forth therein; and

WHEREAS, in connection with the Credit Agreement, the Borrower and the Obligors have executed and delivered a Security Agreement, dated as of April 26, 2000, in favor of Agent (together with all amendments and modifications, if any, from time to time thereafter made thereto, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Borrower pledged and granted to the Agent for the benefit of the Agent and the Lenders a continuing security interest in all Intellectual Property, including the Trademark Licenses; and

NOW THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, and in order to induce the Lenders to make Loans and other financial accommodations to the Borrower pursuant to the Credit Agreement, Borrower agrees, for the benefit of the Agent and the Lenders, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided or provided by reference in the Credit Agreement and the Security Agreement.

SECTION 2. Grant of Security Interest. To secure the prompt payment and performance in full when due, whether by lapse of time, acceleration, mandatory prepayment or otherwise, of the Secured Obligations, Borrower hereby grants to the Agent, for the benefit of the Lenders, a continuing security interest in, and a right to set off against, any and all right, title and interest of Borrower in and to the Trademark License set forth on Schedule A hereto (the "Collateral").

Borrower and the Agent, on behalf of the Lenders, hereby acknowledge and agree that the security interest created hereby in the Collateral (i) constitutes continuing collateral security for all of the Secured Obligations, whether now existing or hereafter arising and (ii) is not to be construed as an assignment of any Intellectual Property. Notwithstanding the foregoing, the security interest granted herein shall not extend to, and the term "Collateral" shall not include, any

property, rights or licenses to the extent the granting of a security interest therein is prohibited by, or would constitute a default under, any agreement or document otherwise permitted to be entered into under the Credit Agreement governing such property, rights or licenses (but only to the extent such prohibition is enforceable under applicable law).

SECTION 3. Purpose. This Agreement has been executed and delivered by Borrower for the purpose of recording the grant of security interest herein with the United States Patent and Trademark Office. The security interest granted hereby has been granted to the Lenders in connection with the Security Agreement and is expressly subject to the terms and conditions thereof. The Security Agreement (and all rights and remedies of the Lenders thereunder) shall remain in full force and effect in accordance with its terms.

SECTION 4. Acknowledgment. Borrower does hereby further acknowledge and affirm that the rights and remedies of the Lenders with respect to the security interest in the Trademarks granted hereby are more fully set forth in the Credit Agreement and the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein.

SECTION 5. Counterparts. This Agreement may be executed in counterparts, each of which will be deemed an original, but all of which together constitute one and the same original.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed and delivered by their respective officers thereunto duly authorized as of the day and year first above written.
