## TRADEMARK ASSIGNMENT

For good and valuable consideration paid to Spillman Technologies, Inc. ("Seller"), the receipt and sufficiency of which are acknowledged, Seller sells, transfers, conveys and assigns to Parazon Software, Inc. ("Buyer") all of its right, title and interest in and to the trademarks "Millennium" and "Millennium Public Safety Software", and Seller's registration for "Millennium Public Safety Software" (and its associated design) with the United States Patent and Trademark Office, Registration No. 2303935 (the "Trademarks"), including all associated goodwill, together with the right to sue and recover for any past infringements of the Trademarks, and the right to file any domestic and foreign applications with respect to the Trademarks under any law, convention or treaty.

Seller further sells, assigns and transfers to Buyer any and all renewals, extensions and continuations of the Trademarks, secured or to be secured under the United States trademark law or any other trademark law (statutory or common law) now or hereafter in effect in the United States or any other countries or pursuant to any treaties or conventions.

Seller agrees to cooperate with Buyer, to execute and deliver such other documents, instruments of sale, assignment, transfer and recordation, files, books and records and to do all such further acts as Buyer may reasonably request to secure for Buyer, and its successors and assigns, the entire right, title and interest in and to the Trademarks.

In witness whereof, Seller has executed this Trademark Assignment as of the date set forth below.
