AFFIDAVIT CONFIRMING OWNERSHIP

The undersigned, being first duly sworn under oath, states as follows:

1. I am Steven L. Voeks, Vice President - Research and Development of Cook Composites and Polymers Co. I make this affidavit based upon my personal knowledge, a review of records maintained in the ordinary course the Company's business, and other information provided to me by authorized and knowledgeable representatives of the Cook Composites and Polymers Co.
2. Cook Composites and Polymers Co. is now, and has been since March 8, 1990, the owner of U.S. Trademark Reg. No. 1327809 for the POLYCOR mark.
3. The original registrant of the Registration was Cook Paint and Varnish Company, which assigned the registration to Cook Composites, Inc. on March 8, 1990, as shown in assignment records reel/frame 0696/0556.
4. Cook Composites, Inc. then assigned the Registration to Cook Composites and Polymers Co. on the same day, March 8, 1990, as shown in the assignment records reel/frame 0696/0558.
5. Since March 8, 1990, Cook Composites and Polymers. Co. has not transferred ownership of the Registration and underlying mark in any way and has continued to be the owner of the Registration and mark.
6. Despite that Cook Paint and Varnish Company no longer owned the Registration, an assignment was recorded on March 2, 1992 assigning the Registration from Cook Paint and Varnish Company to The Sherwin-Williams Company, effective December 9, 1991, recorded at reel/frame 0859/0787. The Sherwin Williams

MKE/1018396.1

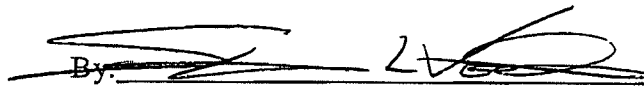

Company then assigned the Registration to SWIMC, Inc. on May 1, 1992, recorded on August 3, 1992 at reel frame 0883/0531.

7. These assignments, summarized in paragraph 6, were erroneously recorded against the Registration. In fact, the first erroneous assignment specifically stated that the Registration is owned by Cook Composites and Polymers Co. (and not Cook Paint and Varnish Company), as indicated on reel/frame 0859/0846. Accordingly, Cook Paint and Varnish Company had no ownership rights in the Registration to assign to The Sherwin-Williams Company, and the assignments relating to The Sherwin-Williams Company, recorded at reels/frames 0859/0787 and 0883/0531 were erroneous and should not have been recorded.

8. Finally, the true assignment history for this Registration is as follows: Registration issues on April 2, 1985 to Cook Paint and Varnish Company; Cook Paint and Varnish Company assigned the Registration on March 8, 1990 to Cook Composites, Inc; Cook Composites, Inc. assigned the Registration Cook Composites and Polymers Co. on March 8, 1990; and since March 8, 1990, Cook Composites and Polymers Co. has been the true and correct owner of the Registration.

Dated this 29th day of March 2005.
