TRADEMARK SECURITY AGREEMENT

TRADEMARK SECURITY AGREEMENT, dated as of February 8, 2005, by each of the entities listed on the signature pages hereof or which becomes a party hereto pursuant to *Section 7.10 (Additional Grantors)* of the Security Agreement referred to below (each a "Grantor" and, collectively, the "Grantors"), in favor of Citicorp USA, Inc. ("Citicorp"), as agent for the Secured Parties (as defined in the Credit Agreement referred to below) (in such capacity, the "Administrative Agent").

WITNESSETH:

WHEREAS, pursuant to the Credit Agreement, dated as of February 8, 2005 (as the same may be amended, restated, supplemented or otherwise modified from time to time, the "Credit Agreement"), among Astaris LLC (the "Borrower"), the Lenders and Issuers party thereto, and Citicorp, as agent for the Lenders and Issuers, the Lenders and the Issuers have severally agreed to make extensions of credit to the Borrower upon the terms and subject to the conditions set forth therein;

WHEREAS, the Grantors other than the Borrower are party to the Guaranty pursuant to which they have guaranteed the Obligations; and

WHEREAS, all the Grantors are party to a Pledge and Security Agreement, dated as of February 8, 2005, in favor of the Administrative Agent (as the same may be amended, restated, supplemented, or otherwise modified from time to time, the "Security Agreement") pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Lenders, the Issuers and the Administrative Agent to enter into the Credit Agreement and to induce the Lenders and the Issuers to make their respective extensions of credit to the Borrower thereunder, each Grantor hereby agrees with the Administrative Agent as follows:

Section 1. Defined Terms

Unless otherwise defined herein, terms defined in the Credit Agreement or in the Security Agreement and used herein have the meaning given to them in the Credit Agreement or the Security Agreement.

Section 2. Grant of Security Interest in Trademark Collateral

Each Grantor, as collateral security for the full, prompt and complete payment and performance when due (whether at stated maturity, by acceleration or otherwise) of the Secured Obligations of such Grantor, hereby grants to the Administrative Agent for the benefit of the Secured Parties a lien on and security interest in, all of its right, title and interest in, to and under the following Collateral of such Grantor (the "Trademark Collateral"):

- (a) all of its Trademarks and Trademark Licenses to which it is a party, including, without limitation, those referred to on *Schedule I* hereto;
- (b) all reissues, continuations or extensions of the foregoing;

(c) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark License; and

(d) all Proceeds of the foregoing, including, without limitation, any claim by Grantor against third parties for past, present, future (i) infringement or dilution of any Trademark or Trademark licensed under any Trademark License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Trademark License.

(e) the foregoing grant shall not include applications filed in the U.S. Patent and Trademark Office to register trademarks or service marks on the basis any Grantor's "intent to use" such marks unless and until the filing of a "Statement of Use" or "Amendment of Allege Use" has been filed and accepted, whereupon such applications shall be automatically subject to the lien granted herein and deemed included in the Collateral

Section 3. Security Agreement

The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the Administrative Agent pursuant to the Security Agreement and each Grantor hereby acknowledges and affirms that the rights and remedies of the Administrative Agent with respect to the security interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

[SIGNATURE PAGES FOLLOW]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
