RECITALS

WHEREAS, Grantor and Agent wish to amend the Intellectual Property Security Agreement pursuant to the terms and provisions set forth in this Amendment; and

NOW, THEREFORE, the parties hereto agree as follows:

AGREEMENT

1. Definitions. Capitalized terms used herein and not otherwise defined herein, shall have the respective meanings set forth in the Intellectual Property Security Agreement.

2. Amendment. The Trademark Collateral listed on Schedule B of the Intellectual Property Security Agreement is hereby amended by adding thereto the trademarks, trademark registrations, and trademark applications described on Schedule B-1 attached hereto

3. Conditions to Effectiveness. The foregoing amendment shall become effective only upon the satisfaction of Agent receipt of this Amendment, duly executed and delivered by the Grantor (the date of satisfaction of all such conditions being referred to as the "Amendment Effective Date"):

4. Representations and Warranties. In order to induce Agent to enter into this Amendment and to amend the Intellectual Property Security Agreement in the manner provided in this Amendment, Grantor represent and warrant to Agent as of the Amendment Effective Date as follows:

(a) Power and Authority. Grantor has all requisite corporate power and authority to enter into this Amendment and to carry out the transactions contemplated by, and perform its obligations under, the Intellectual Property Security Agreement as amended by this Amendment.

(b) Authorization of Agreements. The execution and delivery of this Amendment by Grantor and the performance by Grantor of the Intellectual Property

Security Agreement, as amended hereby, have been duly authorized by all necessary action, and this Amendment has been duly executed and delivered by Grantor.

(c) Representations and Warranties in the Intellectual Property Security Agreement. Grantor confirms that as of the Amendment Effective Date, the representations and warranties contained in the Intellectual Property Security Agreement are true and correct in all material respects (except to the extent any such representation and warranty is expressly stated to have been made as of a specific date, in which case it shall be true and correct as of such specific date) and that no Event of Default has occurred and is continuing.

5. Miscellaneous.

(a) Reference to and Effect on the Existing Intellectual Property Security Agreement.

(i) Except as specifically amended by this Amendment and the documents executed and delivered in connection herewith, if any, the Intellectual Property Security Agreement shall be unmodified and continue in full force and effect and is hereby ratified and confirmed.

(ii) The execution and delivery of this Amendment and performance of the Intellectual Property Security Agreement shall not constitute a waiver of any provision of, or operate as a waiver of any right, power or remedy of Agent, the Intellectual Property Security Agreement or any agreement or document executed in connection therewith.

(iii) Upon the conditions precedent set forth herein being satisfied, this Amendment shall be construed as one with the existing Intellectual Property Security Agreement, and the existing Intellectual Property Security Agreement shall, where the context requires, be read and construed throughout so as to incorporate this Amendment.

(b) Fees and Expenses. Grantor acknowledge that all costs, fees, and expenses incurred in connection with this Amendment, if any, will be paid in accordance with the Intellectual Property Security Agreement.

(c) Headings. Section and subsection headings in this Amendment are included for convenience of reference only and shall not constitute a part of this Amendment for any other purpose or be given any substantive effect.

(d) Counterparts. This Amendment may be executed in one or more counterparts, each of which shall be deemed an original but all of which together shall constitute one and the same instrument. Delivery of an executed counterpart of this Amendment by telefacsimile shall be equally effective as delivery of an original executed counterpart of this Amendment.
