IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

Mark: LODE RUNNER

Owner: Douglas E. Smith

Registration No.: 1307253

DECLARATION IN SUPPORT
OF CORRECTION OF
ERRONEOUS ASSIGNMENTS
RECORDED AGAINST
REGISTRATION NO. 1307253

Douglas E. Smith, being hereby warned that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any registration resulting therefrom, declares as follows:

1. I am the correct owner of the LODE RUNNER mark Registration No. 1307253 (the "Registration") by assignment from the original registrant, Broderbund Software, Inc. ("Broderbund"). Subsequent to this assignment, a variety of documents (as identified below) were improperly filed and recorded against the Registration. As explained in more detail below, these recorded documents were submitted with erroneous information in that they improperly listed the Registration as being conveyed to the assignee.

2. The Registration was assigned to me by the original registrant, Broderbund, on September 5, 1996, and this assignment was recorded on October 6, 1995 (Reel 1398 Frame 0628). Since that time, I have not assigned the Registration back to Broderbund or to any other party, and I have been and continue to be the rightful owner of the Registration.

3. After Broderbund assigned the Registration to me, it erroneously continued to list the Registration among its other trademark assets in several documents recorded with the USPTO. This error was then perpetuated in subsequent assignments and recordations that erroneously included the Registration. As is clear from the Abstract of Title for this Registration on the USPTO Web site, none of the listed assignors in any of these

conveyances actually owned the Registration at the time of the conveyance. Therefore, the purported assignor in each case had no authority to assign the Registration, and the assignment was invalid and improperly filed and recorded against the Registration.

4. The erroneously recorded documents are as follows:

ASSIGNOR	ASSIGNEE	NATURE OF CONVEYANCE	DATE RECORDED	REEL/FRAME
Broderbund Software, Inc.	Fleet National Bank	Security Interest	10/19/98	1812/0323
Broderbund Software, Inc.	Lexington Parker Capital Company LLC	Security Interest	10/19/98	1825/0123
Broderbund Software, Inc.	Learning Company Properties, Inc.	Assigns Entire Interest	12/11/98	1807/0977
Broderbund Software, Inc.	Learning Company Properties, Inc.	Duplicate Recording	11/30/98	1823/0693
Learning Company Properties, Inc.	The Learning Company, Inc.	Merger	9/02/99	1960/0790
The Learning Company, Inc	Mattel, Inc.	Merger	11/15/99	1986/0397
Fleet National Bank	Broderbund Software, Inc.	Termination and Release	3/15/00	2047/0006
Mattel, Inc.	TLC Entertainment Properties, LLC	Assigns Entire Interest	10/11/00	2155/0720
TLC Entertainment Properties, LLC	Foothill Capital Corporation	Security Interest	11/07/00	2181/0472

5. As none of the assignors listed above had title to the Registration at the time of the purported assignment, none of the foregoing conveyances are valid, and they do not in

any way alter the chain of title. As the last correct assignee, I have been and continue to be the true and correct owner of the Registration.

6. We have previously requested that the assignors file corrective assignments to correct these errors, but they have failed to do so.

All statements made of my own knowledge are true and all statements made on information and belief are believed to be true.

DATED: March 30, 2005.

Douglas E. Smith
